MULDOON PROMISE 3:37

Pot-C:

Another KAKKI adventure that's out to cement more
Beats and flows into your noggin'
We'll get your little dog and
Any loose brews then cruise like missiles
Got Buds in our scuds and you've got dick all
Left in your cooler - on the Ferris Wheel with Bueller
And we cashed in all yer empties to score us another 2-4!

Hook:

That's the way - it's got to be
More for us - and less for thee
We got your booze - and that's no lie
It's the Mul - doon - pro - mise why
Cider-Man - Cider-Man
This part of this song sounds like Cider-Man

Long John:

Beer number one fun is just around the corner
Beer number two you better call a Warner
Beer number three we rally on Muldoon's place

Beer number four your makin a Muldoon face
Beer number five live like a fuckin youicide
Beer number six or call it quits man you decide
Beer number seven heaven's too far away
So beer number eight will make you great for a day
Then beer number nine then a wine then a line
Then ten is a friend with whom I can align
Number eleven and seven are similar
But with twelve you delve into the unfamiliar

Hook:

That's the way - it's got to be
More for us - and less for thee
We got your booze - and that's no lie
