

CONSULTING SERVICES SB 1383 ORGANIC WASTE MANAGEMENT

**CALIFORNIA SENATE BILL (SB) 1383,
EFFECTIVE JANUARY 1, 2022, SETS THE
FOLLOWING GOALS FOR 2025:**

75% REDUCTION IN
ORGANIC WASTE

20% RECOVERY OF
EDIBLE FOOD WASTE

SB 1383 requires municipalities and haulers to develop and implement programs to:

- ▶ Adopt enforceable ordinances and mechanisms to monitor and enforce compliance
- ▶ Provide organics collection services to all residents and businesses
- ▶ Establish an Edible Food Recovery Program
- ▶ Conduct education and outreach to the community
- ▶ Procure recycled organic waste products

**LOCAL GOVERNMENTS WILL BE REQUIRED
TO ENFORCE STARTING JANUARY 1, 2024.**
