KEY:

1 - Status Categories are **Not Yet Considering** (i.e. state regulators are working on other, higher priorities first); **Internal Discussions** (i.e. state regulators are reviewing Federal and current state regulations and formulating a plan on how best to proceed); **Drafting Rule** (i.e. state regulators are actively drafting proposed regulations); **Public Comment Period** (i.e. state regulators have published proposed regulations and are soliciting feedback from the public); **Post Public Comment Period** (i.e. state regulators have issued proposed rules and solicited public feedback (which is complete) in preparation for modification and/or publishing); **Legislative Review** (i.e. state regulators have submitted final legislation for internal review before publishing); and **Complete** (i.e. regulations have been published and are in effect or a future effective date has been set; or state has adopted by reference without rulemaking or is not authorized to manage regulations).

2 - Future dates contained in this table are subject to change as the rulemaking process continues for each state. Dates reflect the best estimate based on available information.
