

Business Development Training Academy

BDTA Graduate Directory

Published December 2024

BDTA CONCOURSE

BDTA CONCESSIONS

The BDTA Graduate Directory is a non-exhaustive list of certified MWBE/SBE/DBE/ACDBE/SBEC firms that have completed one of DEN's Business Development Training Academy programs.

This is for informational purposes only and in no way constitutes an endorsement or guarantee of any kind by DEN or the City and County of Denver.

The directory is a resource for architects, engineers, construction, professional services, concessions and goods and service businesses.

This directory will be continuously updated with current graduates

BDTA is a wonderful opportunity for dynamic learning! It allows you to learn hands on and make great connections and grow your network.

**Boylen Cleaning Services, LLC
Fátima Alhexia Boylen
Owner**

Take advantage of the BDTA to learn about the operations at DEN and to help you to make a better-informed business decision on future airport plans.

**Lunapparel, LLC
Susan Luna
Owner**

The BDTA program gave our small business vital skills, such as bonding and loan processes, that will help me succeed and acquire work at DEN.

**Connico
Michael Feeney
Project Specialist**

Learning about contracts, bonding, retainers, financing, and prime relationships will be key to working at DEN.

**iFOAM - Greater North Denver
Kukis Moran
Owner & General Manager**

I strongly recommend applying for the BDTA. Not only are you learning from the presenters but from peer students and their experiences.

**Applied Property Services
Johan Hernandez
Owner**

The BDTA program gives a great overview on how to work with DEN. I have learned some of the inner workings of this great organization as well as meeting some of the stakeholders.

**ASquared Promotions
Arlene Alvarez
Owner**

The opportunity we have been given for great discussions with DEN PMs, risk management, auditors, and connect directly with DSBO cannot be matched.

**Athena Construction
Jennifer Hounshell
Owner**

Our firm has attempted to respond to RFPs in our field but have not been successful. Thanks to the information from BDTA, we feel better prepared to confidently pursue business with DEN.

**BCM Global Technologies Consultants, Inc.
Shawn Buchanan
President**

There are so many nuances to working at DEN, and taking these courses is the best way to prepare to be successful working at DEN.

**Beecher Development Services
Matthew Beecher
President**

The RFP process at DEN seems like an insurmountable hill of problem solving and obstacles to entertain and overcome. Having DEN leaders and the BDTA to ask any questions you may have is priceless.

**National Essentials
Kara Dar
Owner & Operator**

There's so much that is required to work at DEN, however, understanding the how and why, can help navigate doing business with DEN.

**Chom Trucking, Inc.
Irasema Moreno
Operations Manager**

The BDTA gave us exposure to DEN processes and procedures and prepared us for future work at DEN.

**Citrine
Linda Andrews
Sr. Counsel & Director of Business Affairs**

The BDTA offers an unparalleled roadmap, equipping businesses with essential knowledge, tools, and insights to navigate the complexities of DEN effectively.

Civil Technology, Inc.
Conrad Dawes
Chief Operating Officer

The BDTA highlighted several areas for us to focus on. I now understand the Yellow Book and how to strategically position ourselves to be attractive to prime contractors.

Clearly Clean Janitorial Service
Cornelius Smith
President

BDTA will provide you with the knowledge you will need to navigate DEN's systems from procurement to contracts to payment to getting a loan for your business.

DQP Enterprises, Inc.
Trish Holper
President

BDTA was the part we needed to feel 100% solid and confident when that opportunity comes, and it will, because we will be searching for it.

If you're a small business owner looking to break into the airport business, applying for the BDTA program is a game-changer.

Little Sister & Co LLC DBA Playground Eats
Kim Le
Owner

BDTA is for small businesses aspiring to support DEN's growing infrastructure. It taps into a multitude of disciplines to equip businesses with an exclusive understanding of how to work at DEN.

Walker Solutions
Nathan Walker
Owner and Project Manager

Presenters are insightful and, most importantly, approachable. What has been especially helpful to me is meeting other cohort colleagues and understanding their experience and vision.

TLH Fire
Tami Holley
Owner

BDTA is a flight map to doing business at DEN. The class is a great balance between the risks and rewards of an incredible opportunity

Concourse 200 is great to go more in depth with all the requirements to do business with DEN.

Ellipsis Construction
Yvette Roman
Principal, Owner, and Founder

If you want to learn, build connections, and foster relationships that encourage work at DEN, you can't pass up the BDTA program!

King Systems LLC
David King
President

BDTA is a fantastic opportunity to get some visibility on what relationships, skillsets, and knowledge you need to gain to begin navigating work at DEN.

Kilduff Underground Engineering
Andrew Bock
Senior Consultant

BDTA Concessions 101 can open doors to funding opportunities, expert mentorship, and networking with other entrepreneurs, which can significantly boost their competitive edge in the market.

STSR Investments LP, Dba Sugarphoria
Vivek Patel
COO, CTO

BDTA Concourse 200 provides a comprehensive insight into key strategies and practical tools essential for success in mastering the RFP and winning jobs at the airport.

**B&R Project Management
Yvonne Donaldson-Banks
Business Development Manager**

I would encourage small businesses to be vulnerable and challenge themselves to explore possibilities. Be open to grow their businesses in a new market and build new relationships.

**B&M Construction, Inc.
Barbara Myrick
President**

BDTA was simply the best! The curriculum, advisors, and DEN staff covered all things concessions. You leave the program very knowledgeable about concessions and how to better operate.

**Tyler Communications Inc.
Tony Tyler
CEO**

In order to get the full experience, I highly encourage that those in the future go in person. You won't get the same amazing experience from the comfort of your home!

**Terrazzo USA + Associates Inc.
Dewayne Hill
Senior Project Manager**

The BDTA has helped me immensely with understanding the entire process of contracting with DEN and with creating powerful partnerships with other small businesses.

Rachelle Moschetti
HCL Engineering

If you want to take your business to the next level, learn how to do business with DEN, make connections and resources; take the BDTA program.

Cimbra Inc.
Miriam Rodriguez
CEO & Owner

If you want to learn about how concessions work at DEN, BDTA is the class for you. I learned so much from my classmates too, who are all accomplished small business owners.

Rubio Enterprises, LLC
Laura Rubio
President

The BDTA program is a fantastic training that will introduce small businesses to the processes of working with DEN. The connections that are made through this program are incredibly valuable.

Best Engineering Solutions & Technology
Lisa Best and Matthew Best
Owners
