10. BACKGROUND:

Included in the Fiscal Year 2020-21 Page Field Budget were estimates for fuel sales, financial services (credit card fees) and related fuel inventory purchases for Jet A, Av Gas, and Self-Serve fuels for resale to our customers. A total of 1,542,2000 gallons was included in the FY 2020-21 Budget. This year, Page Field is experiencing unpreceded record fuel sales. Through June 2021, total gallons sold were over 2,141,831 gallons, a 66% increase over budget. Based on this tremendous growth in fuel sales, the forecast for this fiscal year is now 2,750,000 gallons. As a result staff recommends a budget amendment to increase fuel revenues and related expenses.
