Southwest Florida International Airport

About RSW

Southwest Florida International Airport (RSW), operated by the Lee County Port Authority (LCPA), was certified for operation in May 1983 and is one of the newest airports in the nation. Focused on convenience and comfort in a beautiful setting, RSW is committed to providing the region's commercial air service while offering an exceptional travel experience to the millions of passengers who use the airport each year.

Nonstop service is offered throughout the U.S., as well as international service to Canada and Germany. With flights to major gateways like Atlanta, Chicago, New York and more, travelers have access to convenient connections worldwide.

Located in Fort Myers, the airport is perfectly positioned to serve the greater Southwest Florida area as well as other points along Florida's Gulf Coast. With quick access to Interstate 75 and U.S. 41, travelers will find the airport's location puts all the attractions of the region within easy driving distance.

We are committed to making your time at our airports an easy, enjoyable experience, while keeping your safety, security and well-being a top priority.

Facts & Figures

Passengers

More than 11 million annual passengers (2024). RSW ranks among the top 50 airports for passenger traffic in the United States.

Economic Impact

The Florida Department of Transportation 2022 Economic Impact Study shows the total contribution from airport operations to the region's economy through direct and indirect sources is \$8.3 billion annually.

Runway

Runway 6/24: 12,000 x 150 feet (3,658 x 46 meters) with asphalt surface, which can accommodate wide-body international aircraft. A 9,100-foot parallel runway is planned for the future.

Operating Budget

\$212.7 million for fiscal year 2024-25. LCPA operates as an enterprise fund with revenue generated from airport operations. No ad valorem (property) tax dollars support airport operations or construction.

Terminal Expansion

Construction for the Terminal Expansion Projects are underway to improve the airport's efficiency by consolidating the security checkpoints, adding concession space, providing passengers more amenities and adding a new Concourse E.

Facilities & Amenities

- Three passenger concourses with 28 gates
- International arrivals facility with two gates and customs/immigration services
- International transit lounge
- Skyplex, a site located north of the runway, offers more than 1,100 acres for commercial development, including 75 acres of prime ramp access.
- More than 30 food, beverage and retail establishments
- Free Wi-Fi (RSWiFly) throughout the terminal
- Convenient cell phone lots, an on-airport gas station and convenience store
- On-site rental car facility, just steps away from bag claim
- Visitor services booths, water refill stations, nursing stations, outside dog walk areas, electric charging locations and more.
