### **AIRPORT ROAD ALERT FOR INBOUND/OUTBOUND TERMINAL ACCESS ROAD**

Starting the night of Sunday, June 22, the Lee County Port Authority will temporarily close the inner lanes closest to the median, both inbound and outbound, on Terminal Access Road at Southwest Florida International Airport (RSW). The closures will occur nightly from 10 p.m. to 5 a.m. from Sunday, June 22 through Sunday, June 29, 2025, to allow for plant removal and pressure washing.

Drivers traveling from the I-75 Airport Direct Connect, Ben Hill Griffin Pkwy. or Treeline Ave. onto the airport's entrance road, as well as those exiting the airport will see these lane closures, signage and workers. Please slow down and proceed with caution.
