### **RSW TERMINAL EXPANSION PROJECTS ADVISORY #6: TEMPORARY CROSSWALK DETOUR**

As part of the work for the Concourse E Project at Southwest Florida International Airport (RSW), there will be a temporary detour on Crosswalk 5 on the lower level starting the **morning of Wednesday, Aug. 20, 2025**. There will be a closed area near the west-side entrance of the Rental Car facility and Crosswalk 5 and pedestrians will be directed to take the detour for access to the parking garage, ground transportation, shuttles, Rental Car facility, etc. Signage will be in place to help direct passengers. This brief detour may remain in effect through Friday, Aug. 29, 2025.

The upper/second level of Crosswalk 5 will remain open, providing direct access between the parking garage and terminal.

The Lee County Port Authority will continue to post updates on the airport's [website](#) and [Facebook](#) to help travelers and airport users become aware of changes due to construction. We appreciate your understanding as we increase capacity, airport efficiency and provide passengers with more amenities and options at Southwest Florida International Airport.

**AUG. 19, 2025**
