TRAVELING THIS SPRING BREAK? ARRIVE EARLY AND PACK SOME PATIENCE

The Lee County Port Authority would like to remind your readers and viewers about the following information for traveling out of Southwest Florida International Airport (RSW) this Spring Break:

- **TSA:** We expect a busy Spring Break in Southwest Florida this year and want travelers to plan ahead. Please be in line at your security checkpoint a minimum of 2 hours prior to your flight departure.
- **PARKING:** Parking lots may fill up more quickly. Please give yourself extra time to find parking and consider alternative ways to get to RSW. If necessary, we will post parking updates on the airport's [website](#) and [Facebook](#) to keep travelers informed on availability.
- **PEDESTRIAN BRIDGE/CROSSWALK CHANGES:** The ONLY crosswalks between the terminal and Short-term Parking Garage, Car Rental Facility and all ground transportation options, including shuttles to the Long-term Parking Lot, will be Crosswalk 2 on the upper level and Crosswalks 2 and 6 on the lower level. [See map](#). It may take extra time to navigate to and from the terminal.
- **ROADS:** Local roads are extremely busy, so please allow extra time to get to the airport. To avoid congestion, use the I-75 Direct Connect to get to and from RSW. Airport roadways are busy as well, due to high volume and road construction near the terminal. Please factor in additional travel time.
