

OUR PHILOSOPHY

As a ministry of West Gate Baptist Church, Florida Baptist College exists to train young men and women to carry out the Great Commission through a local church ministry. The desire of FBC is to assist Christian young people whose hearts are tender toward the will of God and to train them to be servants of God through solid Bible teaching, academic excellence, and practical ministry experience.

Florida Baptist College's goal is that its graduates will be spiritually and practically equipped to reach the world for Jesus Christ through the ministries of local, Independent, Fundamental, Bible-believing Baptist churches.

Our desire is not to build the ministries of West Gate Baptist Church at the expense of other local churches. Our students study and train during the week on our campus, then when possible, they are encouraged to serve in their local church on the weekend. By following this model, a student's home church will reap immediate fruit in their Sunday school classes, bus routes, and other church ministries from their student's Bible college training. Upon graduation, the home church has the honor and privilege of hiring their students or sending them out for the work of the ministry.

HOW IT WORKS

Our burden is for servants of God to receive quality Bible training and graduate debt free. In order to help financially, we offer students the **Local Church Offering Scholarship (LOCO)**, which was designed to allow local churches the opportunity to assist and invest in their young people who are desiring to obtain a Bible college education.

All students whose home church supports Florida Baptist College for \$200 per month will not be charged tuition fees.

All students whose home church supports Florida Baptist College for \$100 per month will have their tuition fees reduced to half.
