Making Change.
Less Is More
Speaker - Billy Holden

Big Idea: Do your finances bring you fear or freedom? Whether you're digging out of debt or planning for your future, now's the time to build a foundation that endures. Investing in a brighter tomorrow starts by *Making Change* today.

Intro: Less Is More

One of the largest lessons that you can learn when it comes to money is good financial stewardship. It is better to have little and be in the presence of God than to have much but be filled with strife and trouble.

One is good, sometimes two isn't better.

Better one handful with tranquility than two handfuls with toil and chasing after the wind. Ecclesiastes 4:6

1. Define What Matters: What matters when you only have 3 months to live.

DEFINE WHAT DOES MATTER:

1. _____
2. _____
3. _____

2. Less is More Living

- **CUT BACK!**

"Your life does not consist in the abundance of your possessions." - JESUS

- **CLEAR OUT!**

"Your life does not consist in the abundance of your possessions." - JESUS

- **PAY OFF!**

"Man, my debt helps me feel so much peace. I am so thankful for high interest rate credit cards. I feel so close to God every time I see how much I'm paying in interest. I feel so much better. My debt brings me joy." - NOBODY EVER

Closing - Your life is too valuable, your calling is too great, and your God is too good to waste your life on meaningless things.

I just wanted to get you one last invite to the couples dinner and remind you of why do we do this?

1. To get a night out with our spouse every year. For some it's the only time.
2. To get to help teens raise funds to go towards their Summer Camp experiences.
3. To continue to make steps in the right direction and make our marriage even 1% better.

This night won't turn everything around, this won't make you spouse the best spouse in the world, this won't fix everything that's wrong with them but it will be a time where we hear from others about time tested advise that we can immediately put into practice in our own relationships.

We sure hope that you can join us This Saturday at 6:30PM - This year the food is catered by RTB and we will be gathering to watch a simulcast with Conway & Jada Edwards as they discuss the demonstration of a continual growth in love for our spouse and then Matt & Lauren Chandler share very candidly about their frustrations and bitterness in their marriage that was driving them apart.

If you can let us know if you are coming by registering here. <https://innovationchurch.cc/2021-couples-dinner/> and PLEASE if there are financial issues know that we have had a couple sponsors sponsor others if they are unable to make it due to finances. Lastly you may be saying "but I don't have a sitter" well not only will the teens be serving the food but they will also be watching the kiddos under the supervision of our very own Susie Burden so don't worry they are in good hands.

Hopefully we will see you Saturday!
