

Date - October 3rd— Villains - The First Villain - Speaker - Billy Holden

Big Idea: Human beings are broken by sin and have the ability to become villains.

**Intro: Everyone Has a backstory. Find out someones else's - #lunchonthepastor**

**1. How do you describe a villain?**

Men in black hats vs men in white hats. But color TV and John Wayne made things more complex.

We are made in God's image and have the ability for love, kindness, altruism, courage, and virtues we would call good. However, human beings are corrupted by sin and also have the capacity for violence, hate, vengeance, and vices we would call evil.

(Genesis 3:1–7) (Romans 3:10–18). (Jeremiah 17:9).

**2. Because of sin, we can become the villains in someone else's story.**

All of Scripture shows GOD'S love for his creation and his plan to destroy sin, evil, and death through the work of Christ.

Rev 20:14 Then death and the grave were thrown into the lake of fire. This lake of fire is the second death

**Closing - Human beings are broken by sin and have the ability to become villains.**

But many of us have made the choice and even you can make this choice today to not become villains toward others but will let our lives be guided and transformed by the Spirit.
