GREETINGS

We are sincerely and deeply grateful to our Founder Members and to each and everyone of our Life-time Members who have enlightened us with their wonderful zeal and who helped us preserve the principles, ideals and traditions amongst our people.

We therefore pledge ourselves to continue with your inspiration, progress and achievements for the benefit of our people and our communities. We wish all of your everlasting joy and happiness.

To those members and friends who have so generously contributed to make this occasion successful by advertising in this journal and to Rev. Vasilescu and Mr. Louis Cipu who have exerted such continued effort, may we express our warmest thanks and gratitude for a job well done.

May we suggest that you take this book home for future reference and as a directory of our friends.
