MT Sobek has a passion for nature and wildlife in its native habitat. Powerful moments with gorillas in Uganda, giant tortoises in the Galapagos, orangutans in Borneo, and bears in Alaska are among our most magical experiences as adventure travelers. For 50 years we have treasured astonishing animal encounters across the globe and continue to support wildlife preservation. For 2020, check out our new Rwanda Primate Adventure that takes you through a world of gorillas and rare golden monkeys.

Pure Experience
Elevate your safari by getting in touch with nature on a deeper level—sleep under canvas, spend evenings around the campfire, walk in the wild, even cycle! Adventure lovers can choose scheduled or customized safaris that blend the elegance of modern-day camps with the pure safari experience of old.

Epic Wildlife
From the awe-inspiring Great Migration to the annual flooding of the Okavango Delta, our safaris get you into the heart of the excitement! We take pride in understanding the seasons and migratory patterns, and choose the best wildlife regions so that you can enjoy the most animal activity.

Special Access
We’ve been building relationships with Africa’s best camps and guides since our first walking safari in 1971. Today, we obtain special walking permits in Tanzania to gain an intimate understanding of African wildlife, and enjoy encounters with local Wadadzabe and Maasai peoples.

The Ultimate Safari
For an authentic and immersive safari experience, we value the serenity found in private parks and concessions, such as Sabi Sands, MalaMala, Mara North, Masai Mara, and Linyanti. We excel at finding remote, wildlife-rich corners of the savannah and working with phenomenal guides to create an active safari adventure—far away from the crowds—and one that positively impacts local communities.

“Our Ultimate Tanzania Safari truly lived up to its billing. This was the Africa of Holden, Houston, and Hemingway—with walled tents and bucket showers, sundowners around an open fire, and lions and hyenas proclaiming themselves masters of the night.”

Delays & Cost Increases

The cost of delays is not included if any trip is delayed due to bad weather, flight cancellations, airline strikes, terrorism, transportation delays, government intervention, sickness, or other contingencies for which MT Sobek or its third-party contractors cannot make provisions. Last-Minute Costs are subject to increase without prior notice, even after you have signed up on the trip.

We often publish our prices more than a year in advance. Between that time and the time of the trip's actual departure, we are occasionally faced with significant cost increases that we cannot absorb (i.e., foreign currency fluctuations, fuel surcharges, or increased cost of services). We regret this situation, and we do everything we can to avoid raising prices, but sometimes it is unavoidable. We will do our best to limit such increases and will notify you before final payment; we will not, however, increase the price after your final payment.

Airlines

The airlines are not to be held responsible for any act, omission, or event during the time passengers are not on board their planes or conveyances. Such conveyances, etc. is subject to the laws of the country involved.

MT Sobek is not liable for incidents involving airline safety, risk, delays, etc., or events that would result in injury, delay, or death. Please read the conditions on the back of your air ticket.

Medical & Health

It is vital that persons with medical problems make them known to us well before departure. The trip leader has the right to disqualify anyone at any time during the trip if he or she feels the trip member is physically or mentally incapable or if a trip member's continued participation will jeopardize the individual involved or the group. Refunds are not issued under such circumstances. Hospital facilities are often unavailable and evacuation can be prolonged, difficult, and expensive. MT Sobek assumes no liability regarding provision or performance of medical care. You will need to provide us with your travel insurance and primary care physician. If you need to change your doctor, please give us a new form prior to your booking. The physician must be fully informed of your medical condition.
