The Uranus Bathroom Reader

Kids LOVE URANUS

Uranus Missouri on Historic Route 66 has seen a lot of changes over the past couple of years. Based on how busy the Fudge/Candy Factory is with families and folks of all of ages from Babies to 100 years old, these changes have definitely been good for the area.

On the day that this reporter visited, there were at least 10 families with their children running, playing and having fun all around the town.

And to top that off, a tour bus from Wisconsin, headed home from visiting Branson, pulled in the lot and let out 25+ senior citizens

As Uranus Fudge Factory manager Tina Elliott told me *"It has been amazing how many people have visited Uranus this past year, but what surprised me the most is the huge number of Baby Boomers and retirees who have come to visit."*

Yes, the "Uranus" play on words is a little juvenile, but watching the tour group laugh and have fun with the funny t-shirt slogans and getting excited about the large selection of candies, it's obvious that Uranus is fun for kids of all ages.

Not only does the Fudge Factory have a huge assortment of candies and funny t-shirts, it is full of other neat stuff, such a freakshow\circus-sideshow

Fudge Packer of the Quarter

This year the city of Uranus has implemented a new program to recognize an employee for their outstanding achievements or performance each Quarter.

Being the slightly unorthodox company that we are, we call this Award "The Fudge Packer of the Quarter".

We would like to take a moment to recognize this employee for all of her hard work. Congratulations to Tina Elliott for receiving this award!

Tina Elliott - G.M of the Uranus Fudge Factory and General Store

Tina starting working as the General Manager of the Uranus Fudge Factory and General Store since its inception in 2015. She has been instrumental to the

organization and the great customer service you find at the Fudge Factory. Tina gets every task done on time, completed thoroughly and always with her trademark smile. Tina embodies what it means to be a leader as well as a team player.

When asked what her favorite part of working at the Fudge Factory is, her response, " My favorite part about working in Uranus is interacting with the customers. I get to meet people from all over the world and make them laugh."

Keep On Making Them Laugh Tina! We Love You!

MEET THE TEAM

Amanda Woodall

B.O.H. MANAGER-CHICKEN BONES

Hello there! My name is Amanda Woodall, I am fairly new to Uranus Missouri and would love to tell you a little bit about myself and why I love working in Uranus.

Manager at Chicken Bones Party Bar & Grill. I absolutely love working here, I have great supervisors and we have a fun work environment.

I was born and raised here in the Ozarks. I grew up spending time at the river, lake or campgrounds with my family. I have 3 children and I have given the same Ozark experience that I had.

Mayor Big Louie is a Hoot to work for and he makes it easy for us to have fun at work. I personally love the challenge of learning new things that help me to advance and become an important member of the Uranus family.

I have lived in Kansas and Washington State when my husband was Active Duty Army. I finally came home to the Fort Leonard Wood area to be close to my family. My family has deep roots in the community, they founded Zeigenbein Sanitation in 1958 serving the local community.

June of 2016 I came to work in Uranus Missouri where I a

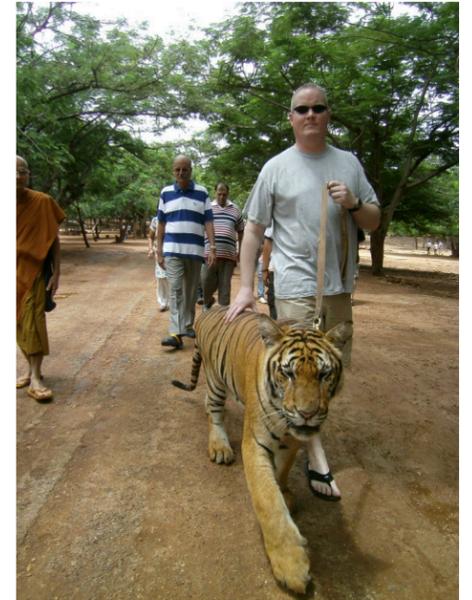

Brian Garbinski

CO-OWNER-MISSION OUTPOST OUTDOOR OUTFITTERS

Brian Garbinski or “Garbo” as he is often referred to, is part owner of Mission Outpost Outdoor Outfitters. Brian has dedicated his life to public service both as a member of the United States Army and as civilian police officer with over 28 years of combined service. He retired as a Battalion Command Sergeant Major and is a highly decorated veteran with deployments to Panama (1989), GITMO (2003), Iraq (2007) and Afghanistan (2011). Brian has received many military awards including the Legion of Merit, Bronze Star, Joint Service Commendation Medal and Navy Commendation Medal.

Outfitters here in Uranus. He continues to dedicate his time to serving his community as an active member of the American legion, Veterans of Foreign War (VFW) and the Association of United States Army. He is divorced and loves to travel

Brian now spends most of his time teaching classes at the Mission Outpost Outdoor

MEET THE TEAM

David Day

DIRECTOR GOVERNMENTAL AFFAIRS-CITY OF URANUS

Why I like Working at Uranus

Being the “New Kid on the Block” in Uranus, and the new Director of Governmental Affairs, I am still trying to get my brain wrapped around everything they have going on here. It’s really is amazing.

There is the Fudge Factory, General Store, the Missouri Outfitters Store (that has a ton of guns, bows, and rods & reels along with anything else you could need for hunting and fishing), and of course, Chicken Bones, some of the best wings I have ever eaten (and trust me, I have eaten more than my share).

So what do I like best about working in Uranus...that is a difficult question to answer, because there is so much I like about Uranus. Probably the first thing that comes to mind is the people I work with. They are all very professional from the top down, knowledgeable in their jobs, dedicated to what they do, and as friendly as they get.

Another thing I really love is the “family atmosphere”, not just within the employees, but also in how they greet and treat customers. Be it a family pulling up in their car or one of the many tourist busses that stops by every week, everyone is greeted with a smile and honest to goodness friendly help. That seems pretty rare anymore, but not in Uranus.

Also, it’s fun seeing the kids eyes light up when they go in the General Store, see all the candy they have to offer, it can’t help but put a smile on

your face... or maybe it’s when you see them getting their picture taken with the dinosaurs, or playing on the playground.

Basically, no matter what your age is, what your interest is, Uranus has something to offer you. So to answer the question of what I like best about working in Uranus, I don’t have an answer. There are too many things there to narrow it down to just one.

David has served in the U.S. Army, managed a cow/calf operation in the Dixon area, served on the Board of Directors for Missouri Farm Bureau, and served 8 years in the Missouri House of Representatives.

Trunk or Treat

Kids Love Uranus...continued

display of two-headed animals, a unicorn skull and several more strange and unique pieces, including my favorite, the Gar-bon.

A Gar-bon is (at least according to Uranus Legend) a cross between a Baboon and a Gar (which is a type of fish with a long snout and razor sharp teeth). This creature was developed on Fort Leonard Wood as a secret weapon during World War 2 and somehow escaped

The kids can go play on the playground, eat snow cones or popcorn, get a hot dog and even see a full scale "DaVinci Flying Machine", aka Ornithopter, flying overhead in the Fudge Factory.

Owner and self proclaimed Mayor, Big Louie mentioned to me that his

hope is that over the next couple of years, Uranus becomes a major tourist destination that brings families in from all over the world.

If it continues to grow like it has the last year, Uranus is destined to be HUGE attraction! That is good for the local area and that is very important!

Mayor Pledges to Protect Uranus!

URANUS News Report— In preparation for the huge events to be held in Uranus over the next few months Mayor Keen has accepted delivery of a state-of-the-art police cruiser for the Uranus Police Dept.

A dedication ceremony is set for Saturday when Mayor Keen, along with Deputy Mayor Garbinski and Chief Marshal Dugger will be present to accept donations, in either cash or beer, to help defray the cost of patrolling Uranus on a regular basis.

Marshal Dugger was quoted as saying "I love to cruise around Uranus and this new police car will make it easier to get in and out real quick". Later, he retraced those comments in favor of a tweet which read "I love Uranus and all I want to do is Serve & Protect it".

Pastor Gas, of The Little Brown Church in Uranus, will be on hand to give the opening invocation and Deputy Mayor Garbinski will be on hand to run **The Uranus Hot Dog Hut**.

When this reporter caught up with the Deputy Mayor, he told me "There are going to be a lot of Wieners served in Uranus this weekend and I have to personally check each one for size and quality".

Mayor Keen added, "I hope you all come out to see these events, It's not often that there are this many things happening in Uranus in such a short period of time".

Local resident, Seymour Butz was ecstatic to see the new addition to the local security force. As he pointed out "People are coming in and out of Uranus all day and night. We need a way to make sure that nothing bad happens in Uranus and I don't want to have to build a wall unless Mexico pays for it".

According to the Minutes of the last Uranus City Council meeting, Uranus is also applying for a grant to receive a new M1 Abrams Tank and a squadron of F-18s.

Meet Mike Liebig

Mike Liebig, who has been the Chief Financial Officer with Uranus,inc for over 12 years, came from the banking field after 25 years of experience.

Mike is a life-long resident of Pulaski County and currently resides in Dixon, MO with his wife Debbie.

He has been very active in his community for many years and has served on numerous committees and organizations including past Director for the Waynesville-Saint Robert Chamber Of Commerce, Past President of Fort Leonard Wood Mid-Missouri Chapter of the A.U.S.A, Pulaski Co. Shelter Workshops, Senate Bill 40 Member, Chairman for CLERF (County Law Enforcement Restitution Fund), Past Chairman and current member of Pulaski Co. E-911 Board and is also currently serving on the Dixon Ambulance Board.

He also spends time serving the citizens of Pulaski Co. as a paramedic with Pulaski County Ambulance District for over 21 years.

Meet Lisa Razer

Hi my name is Lisa Razer, I a native St. Louisan. There is so much to love about St. Louis, we are known for loving our Sports teams and great local Italian food and BBQ! I am an Air Force Veteran and have been in the restaurant industry for over 37 years. I have worked as a District Manager or Director of Operations for many top Quick Service Brands including McDonalds, Taco Bell, Long John Silvers and Jack in the Box. I moved to the Fort Leonard Wood area 5 years ago when I married. My husband has 20 plus years in the military and is a DOD employee on the Fort. I am the mother of two boys and I recently became a grandma and I absolutely love it!

WHAT I LOVE ABOUT WORKING IN URANUS is the people! I am the new Director of Operations and proud to be a part of such a great bunch of people who work here and of course all of our GUESTS! We have our Yummy Fudge Factory where we get people from all over the United States who are traveling and they bring their families in and love not only our fudge but our great sense of humor with our town name. I also love our gun range at Mission Outpost Outdoor Outfitters, as a women who loves to shoot I get tons of practice now. I can't help but mention that at our Chicken Bones Party Bar and Grill we have the best Wings & burgers in town! Working in Uranus has truly been refreshing change for me and I love every minute of it!

UFC 204- October 8th

with SPECIAL GUEST MMA Superstar
DONALD "COWBOY" CERRONE

Prelims start 7:00p.m.
Main Card 9:00p.m.

Cowboy Cerrone will be available for Autographs and Photos
6pm to 9pm

Donald "Cowboy" Cerrone is coming to Chicken Bones Party Bar & Grill

American professional Mixed martial artist Donald "Cowboy" Cerrone and former professional kickboxer who is currently competing in the Lightweight and Welterweight divisions will be enjoying UFC 204 at Chicken Bones Party Bar and Grill on Saturday October 8th 2016.

Cowboy Cerrone is currently #6 in the official Lightweight rankings and #7 in the Welterweight division. In his most recent fight Cerrone faced Rick Story on August 20, 2016 and was awarded a Performance of the Night bonus being the first man ever to defeat Rick Story by TKO.

Cerrone will be looking to improve his current 31 win, 7 loss mixed martial arts record, and seeing as he has signed a new, eight-fight contract, there will be a lot more seen from Cowboy in the octagon.

Cowboy will be available for autographs and photos starting at 6pm. Tickets are first come, first serve.

Chicken Bones Party bar and grill cannot be held responsible if Donald Cerrone doesn't attend due to other contractual commitments. However, we do have him under contract to appear on this date. Please check our facebook for any schedule changes
