Welcome Back from Mr. Barrett

By: Samuel Smith

In a riveting interview conducted with Assistant Principal, Mr. Barrett, he gave an interesting insight into the current status of the school year.

When asked about how he felt about the school year currently, he responded that he is currently impressed with how well the students are behaving, stating on how the student's engagement and maturity has blown the staff away. He also touched base with how students are transitioning from elementary to middle school. In his opinion, the main problem with bad student behavior was due to the fact that students didn't fully grasp the expectations of the teachers at the middle school. The high school Leadership group from last year helped try to combat this type of transition by handing out the book *How to Survive Middle School* to ease the students into a new environment and be successful.

Mr. Barrett addressed changing the fundamental school system into a totally separate middle and high school, but states that this wish can currently not be fulfilled due to "budget cuts and decreasing enrollment."

While some students may not realize it entirely, there is always a consistent amount of action going on with the teachers behind that scenes to make students and the school better for everyone.

Retirement Notice!!

Mr. Leroy Carroll, who is Margaretta's Support Services Director, is retiring at the end of October after 30 years at MHS!

Mr. Carroll started his career here in June of 1990 as a groundskeeper and maintenance person. He was then promoted to transportation supervisor in 1997, and in 2013, he was promoted to his current position.

Some of the duties he is responsible for include: maintain the grounds and buildings, transportation, check the roads during bad weather and answer all alarm calls.

Mr. Grahl will be taking over the duties of maintenance, Mr. Keller will be in charge of grounds, and Ms. Parr will be in charge of transportation.

Mr. Carroll's plans for retirement are to look for another job and stay active.

You will be missed around MHS, but enjoy your well deserved retirement!!

Supporting Our Own!

Recently, SADD presented MHS Social Studies teacher, Mr. Tom Pope, with a check for \$1,914.00 to help cover expenses he's incurred since he hasn't been able to work for over two years. SADD collected the money by selling yogurt at football and basketball games and selling t-shirts at track meets.

Mr. Pope suffered a brain aneurysm almost two years ago and the effects of the aneurysm have left him unable to return to teaching full-time.

Recently, the board of education has allowed Margaretta teachers to donate sick days to Mr. Pope to help him gather enough days to maintain his health insurance.

Mr. Pope is a well-like and respected teacher in the district and appreciates all of the support and generosity he's received from the community. According to the *Sandusky Register*, "It shows what kind of community this is. They've been very helpful and thoughtful. I appreciate everything everyone has done for me. There's a lot of people who stepped up, even people I don't know. It's incredible what people can do."

Cross Country

By: Skylar Bedee

Upcoming events

The cross country team has completed all their meets as well as the SBC's. The runners will compete in the District Meet at Galion on October 19.

Season So far

Congratulations to the girls Cross Country team for their runner-up finish in the SBC Championships! The following runners earned 2nd-Team All-League Honors: Shyanne Phillips-9th place, Miranda Cruz-12th place, Miranda Billman-13th place, Breanna Pullano-14th place and Emily Pullano-16th place.

Seven of the nine runners had their personal best time at the meet.

Congratulations also to Spencer Flick as he placed 9th and earned 2nd Team All-League Honors. Spencer ran his career best at this meet.

Good Luck to all runners and the District Meet!

Polar Bear Golf

Match Results

The Lady Bears got 4th place over all at the SBC Bay Tournament with a score of 395 on September 17th. The top three scores from the ladies were with an amazing run.

The Lady Bears competed in the Sectional Tournament as a team and had an amazing outcome. The team shot a 370 to break the school record for best 18 hole team score which qualified them for the District Tournament.

At District Tournament, the Lady Bears did not score well enough to advance to the state tournament.

Their coach, Mrs. Smith, provided some insight of the teams overall success and what she hopes for their future. Smith stated, "I have a great group of girls who are fun and committed to their golf game. Have fun, stay focused and level headed. Even though golf is recorded through individual scores, we still need to work to keep each other motivated and encourage each other, on and off the course. Improved attitude and desire to do well has been a plus for us thus far."

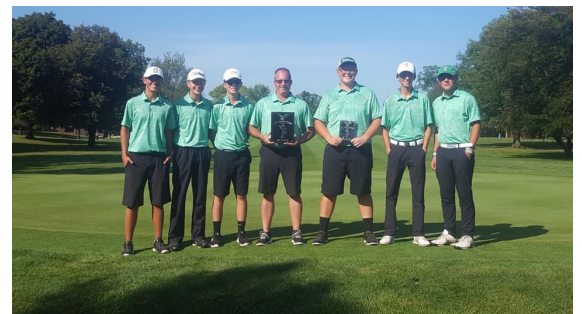

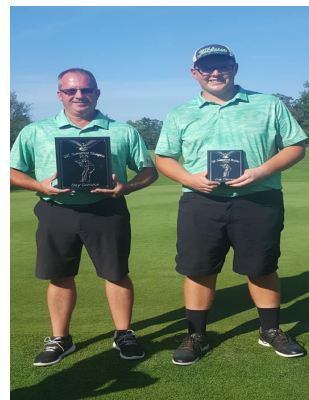

Great season Lady Bears!!

Congratulations to the boys golf team as they won the SBC Bay Division Golf Tournament as well as the SBC Bay Division Golf regular season title!! This is the first ever golf league championship for MHS and the first SBC team championship since 2004.

Mike Wadsworth led Margareta in the tournament as he shot a 77 that earned him Tournament Medalist. Other scores for the Polar Bears included: Carson Kennedy-83, Nathan Schaefer-94, and Hayden Tinnel-96.

At the Sectional Tournament, Carson Kennedy shot a 76 to claim medalist honors. The team finished 2nd overall and advanced to the District Tournament.
