~ Mr. Chris Miller

Class of 2021,

I would like to congratulate you for reaching this very important milestone. We weathered a very tough period during your last two years of high school. Moving forward, you will be forced to endure many more challenges.

How you react to those challenges will be important. Do not let others or tough circumstances determine who you become. Make your own way in this world!

I wish you the very best of luck!

~Mr. Mike Yantz

Seniors,

Your future is what you make of it. Do good things, be kind, and stay true to your path. I am reminded of a favorite quote that I try to live each day..."I am only one, but I am one. I can't do everything, but I can do something. The something I ought to do, I can do, and I will do" (Paraphrased from Edward Everett Hale)

Now go out and live a good life. Good luck to you all as you enter a new chapter of your life.

Sincerely,

Mr. Schwan

Seniors,

Travel if you are able. See the world. Develop an understanding and awareness of other cultures.

~Mrs. Sara Weller

Well Wishes from MHS Staff

Senior leadership has never been more challenged. You have persevered as a class. Remember to never take things for granted and always look at the positives. Looking at negatives is too easy and is not healthy. Trust that there is a reason for everything and follow your path. CONGRATULATIONS CLASS OF 2021!!
~Mr. Rod Smith

Congratulations on your graduation and best **wishes** for your next adventure!!
~Mrs. Smith

Seniors,

Good luck on all of your endeavors, be the best you can be, strive for success.....and all the other cliché well wishes.

As I sit here and contemplate what to say to a class that has had to endure so much, I am finding myself with no new advice. All year long you've been told that these are unprecedented times, that you're dealing with so many unknowns, blah, blah, blah. It has most definitely been a unique 15 months and I think if nothing else, you've learned to make the most out of your situation.

So...Class of 2021, as you graduate, I say congratulations! You have persevered through a global pandemic, you have endured remote and hybrid learning and you have dealt with missing out on some of the rites of passage of your senior year! As you move onto the next phase of your life, make sure you always work hard, have fun, strive for success and continue to make the most of every situation. Now go out there and be GREAT!!
