THE DEN 78 - 3131 W. CENTRAL BLVD. ORLANDO FLORIDA - APRIL 15TH 12NOON-5PM

The Kingdom Of Judah and The TRUE JEWS

The Atlantic slave trade or transatlantic slave trade took place across the Atlantic Ocean from the 16th through to the 19th centuries. The vast majority of slaves transported to the New World according to written history were NOT NATIVE AFRICANS from Central and Western and Eastern parts of the continent, in fact these people have been historically proven to be descendants of EARLY HEBREWS THAT HAD MIGRATED FROM ARABIA AND EGYPT, ISRAEL AND ETHIOPIA into West Africa. These people were attacked and sold by NATIVE AFRICAN TRIBES and Muslims to European slave traders who then transported them to North and South and Central America. this statement is further proven through written historical records from Arab and Muslim writers and also medieval African maps written in the 17th century by the conquering Europeans. In the map that is shown geographical locations of Hebrew cities and Kingdoms that were later taken into Slavery.

The First medieval African Map was Performed by the Sr. Danville Under the Patronage of the Duke of Orleans." Revised and Improved by Mr. Bolton(1766)

And another medieval African Map called Negroland and the adjacent countries also UPPER GUINEA showing the principal European Settlements and Distinguishing by Eman Bowen 1747 West Africa

The Black Star Line (1919–1922) was a shipping line incorporated by Marcus Garvey, the organizer of the Universal Negro Improvement Association (UNIA), and other members of the UNIA. The shipping line was created to facilitate the transportation of goods and eventually African Americans throughout the African global economy. It derived its name from the White Star Line, a line whose success Garvey felt he could duplicate.[1] Black Star Line became a key part of Garvey's contribution to the Back-to-Africa movement. It was one among many businesses which the UNIA originated, such as the Universal Printing House, Negro Factories Corporation, and the widely distributed and highly successful Negro World weekly newspaper. The Black Star Line and its successor, the Black Cross Navigation and Trading Company, operated between 1919 and 1922. It stands today as a major symbol for Garvey followers and African Americans in search of a way to get back to their homeland.

The Black Star Line was incorporated as a Delaware corporation on June 27, 1919

Liberty Hall, a.k.a. Black Star Line Building in Limón, Costa Rica. The original building was erected in 1922,[8] and then used as UNIA and Black Star Line offices in Costa Rica.[9] It was damaged beyond repair by an earthquake on April 22nd, 1991; and subsequently reconstructed based on the original plans. On April 29, 2016, a fire destroyed the building completely.[10] After the fire it was confirmed that the building will be rebuilt with aid from organizations and civilian donations.[11]
