## Local Rapper and Talk Show Host Publishes Newspaper

Samuel LaRay, known by many as King General has been living in the Orlando area for about 4 years now. King has been traveling from state to state creating Inspirational Hip Hop and sharing his Messianic faith through preaching and teaching in the streets. King has made a lot of music over the years and has survived for over the last 10 years from the CD sales in the cities where he has made music. Since living in Orlando, he has sold over 10,000 copies of His Mixtape "I'll Be Resurrected" and his current EP "What I Believe". While hitting the streets with his music, thousands of people have supported King through contributing donations making it possible for him to start "The King General Show", a radio talk show where King discusses topics on faith, the truth of the Bible, and African American History. The Show airs *LIVE every Monday at 11:30 am on WOKB 1680am, and will return to the air in January 2018.*

With a desire to serve his people and help build healthy families King has now published a newspaper "The King General Times" that will be sent directly to thousands of homes each month in the City of Orlando. The "KGTimes" will include information that serves the needs of the family and household from the plumber in the area to financial assistance, work opportunities, and much more. "The KGTimes" will also include current news and events in the City, entertainment, trending topics, politics, and in King's own words "All Around Kingdom Business" indicating the spreading of sound faith and love for others.

**The KING GENERAL Times TO ADVERTISE YOUR BUSINESS TODAY CALL 1-833-KG-TIMES**

The first Issue and Volume of The King General Times was released and published this past month of November (2017), and it has already made an impact in areas such as Parramore, Ivey Lane, Mercy Drive, and the Lake Eola area. With several services for youth and community resources "The KG Times" was also the top promoter and lead marketer for the Jibreel Ali Campaign in the political race for Orange County Commissioner of District 5 in Orlando. After the votes were in on November 7th, the victory went to Commissioner Regina Hill who was "RE-Elected" to "Continue The Work", winning with 1,146 votes out of 2,291. Second in the race was Erica Dunlap with an "Outstanding" 24.7% of votes, followed by Sarah Elbadri & Cynthia Harris who was tied at with 7.3%; Jibreel Ali with 6.7%; Betty Gelzer with 3.5%; and Ondria James with less than 1%. Since the Election, Ali plans to continue to serve his community and Re-Launch his youth organization "1Community1Orlando" in 2018 and gives a special thanks to his campaign, voters, and the District 5 community.

Since taking his break from radio this past September (2017), King General has stayed focused on what matters to him most, *Serving!* But not everyone is pleased with his service. Around 3 weeks after the release of "The KG Times", it was reported to him by workers at Rainbow Laundry, (4558 South OBT), that Job Finders USA had removed his newspaper, replacing it with theirs, and throwing his in the trash, which the worker then replaced back on the shelves after taking them out of the trash can herself. King states, that this has not discouraged him but has encouraged him all the more, knowing that after two-decades of being published, the company would rather compete than to try working together to serve the people of Orlando as he thinks they should. He also encourages anyone who is a witness to these suspicious activities to contact his company King General Inc with any information, questions, or concerns, and would like to thank Orlando for allowing him to serve the community with honor.

Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfill. For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.-Matthew 5:17-18

SERVES YOU

Since the last week of 2016 when *Kendra Lewis*, a young mother of 2, was an innocent bystander and victim at a Citgo gas station in Pine Hills where a shooting took place, "Let Your Voice Be Heard, Inc." has stepped up our efforts to perform outreach to the youth in several ways. We have partnered up with certain schools such as Jones High School, Evans High School and Robinswood Middle School to conduct workshops during the school day with the students and teach them lessons on crime prevention, anti-bullying, political awareness, social justice and more. We've also launched an after-school outreach process in which we could reach out to the youth after school on Wednesdays, Thursdays and Fridays and greet them with snacks and drinks while providing handouts with information for after school programs, mentoring, community service, social and health services for families and more.

This effort has shown to decrease the violence and crime occurrences that usually take place in the areas where we perform outreach. This is a calculated measure done to help decrease the likeliness of horrific events occurring after school with the presence of adults and also perform outreach to the youth by providing them with key information that can bring opportunities for young students. This helps the families alleviate the stresses of life with assistance and the services available to create a better home environment for our youth. We invite others to join us in this effort as we talk to approximately 600-800 kids weekly and sometimes more.

COME JOIN US AS WE GREET APPROXIMATELY 600-800 YOUTH PER WEEK AT OUR YOUTH AFTER SCHOOL OUTREACH AND SPEAK WITH THEM IN AN EFFORT TO DECREASE VIOLENCE AND RAISE AWARENESS OF GREAT OPPORTUNITIES. WE WILL PASS OUT:

Saving Our Daughters Corp (SODC) is an Orlando-based 501(c) (3) organization that has been established and operating since 2012. Our Founder/ CEO Magdaline Cangar had a vision to create an organization that would mentor and assist young women who struggled with many difficulties in life. With her vision she created a mission which is to empower girls and women to realize their greatest potential as we guide them to becoming influential leaders with a desire to impact their community.

We advocate for today's under-served youth by providing mentorship, resources, skills training, etc.

Our mission doesn't stop there, we have served as great leaders and mentors to the Orlando community by giving back in many ways such as feeding the less fortunate, collecting educational tools for children pre-k to high school, and hosting annual seminars on health education, and partnering with other non-profit organizations to host community events.

Saving Our Daughters caters to young girls from ages 8- 19 years old. Our main focuses with SODC are education, community giving, and training life skills courses. As the program continues to grow we find new and greater opportunities to inspire and empower.
