GOLDEN PARADISE BEACH RATEPAYERS & RESIDENTS ASSOCIATION Inc
An Incorporated Member Volunteer Organization

Hi to all our members and the broader community.

Covid-19 has kept us on our toes for the last few months and continues to be a threat to a normalised life.

Event management continues to be frustrated by additional requirements to ensure public safety.

The Association has had to make some careful decisions concerning the End Of Summer Surf Festival 2021, particularly the major drawcard, the Golden Beach Surf Fishing Competition.

As an alternative to not proceeding with **EOSSF** event again this year, the Committee Of Management has decided to opt for a streamlined event that was manageable under any possible Covid-19 condition that may eventuate.

Whilst we financially survived a total shutdown of last years event, planning as if nothing could happen this year would have been nothing short of being reckless. We also recognise that sections of the Golden Beach Community rely on some activity to stimulate their business or group at this time of the year.

In recognition of Bill Hammer's contribution to the community, the Association has named this year's Fishing Competition:

The Bill Hammer Ninety Mile Beach Surf Fishing Competition.

It is planned that this year's competition's new form will grow to be the largest single-day (EOSSF) event on Easter Saturday.

The stripped-down version will be a secret weight and winner take all cash prize.

Easter Saturday 2021

This year we have moved the MARKET DAY into the sealed area of the RV Site. A variety of 20 stallholders have booked sites that are 6 m x 3 m and provided free. During the day between 10 am and 2 pm, musician Ryan Lestrage will provide patrons with a mixture of his songs' repertoire.

Ryan will join us again between 5 pm and 7 pm in the open garden, where we invite all to come along partake in the fundraiser BBQ provided by the GB Surf Club, bring a chair and enjoy a relaxing evening.

The Monster Easter Raffle will be drawn at 7 pm along with the announcement of the fishing Competition winner.

GOLDEN BEACH TOWN CENTRE REVITALISATION PLAN.

On the 24th, December 2020, the Association received a formal response from the WSC relating to submissions submitted via the Golden Beach Town Centre Revitalisation Plan Collaboration Group.

“In general, Council does not have an objection to the proposals in the Golden Beach Town Centre Revitalisation Plan, provided appropriate legislative, planning and compliance requirements are met”

“The Revitalisation Plan you presented had the following key areas:

1. New combined Information Centre and Art Gallery
2. Addition of showers, toilets, and laundry in an RV park amenities block
3. Increase the allocated RV visitor stay spots to 25 places
4. Rezoning proposal
5. Improved town signage
6. Beach access.”

The planning and compliance requirements are quite complex and will take some time to work thru; however, we have now commenced working on both the planning and compliance requirements.

New Residential Tenancies Act requirements have meant the Association was required to make some changes for the existing RV SITE to comply.

We have now made those changes to satisfy WSC re compliance with the current use and in preparation for registration as a Caravan Park under the Residential Tenancies Act. The existing RV Site, Nursery, Basketball court and future upgrades and additions will now become known as the **Golden Paradise Beach Community Tourist Park.**

GOLDEN PARADISE BEACH COMMUNITY TOURIST PARK

The Heart Of Victoria's Ninety Mile Beach

The current strategic changes will now allow us to merge the new planning into existing operations seamlessly.

We are also preparing a Town Planning Application for the new Tourist Park Office Visitor Centre and Art Gallery.

ASSOCIATION PROJECTS PROGRESS REPORT

The Golden Beach Community Plant Nursery & Drinking Water Dispenser

1 SHADE SHELTER

The Golden Beach Community Plant Nursery new shade shelter was completed the day before Christmas and now provides volunteers with significant sun, wind and rain protection. The project cost was \$10k, supported by a WSC Community Assistance Grant of \$5k.

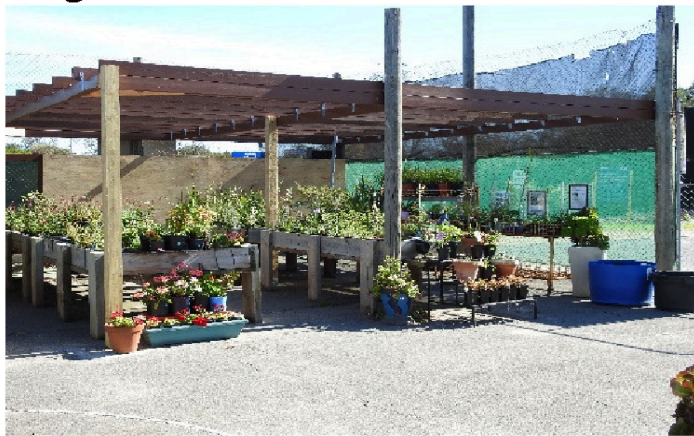

2 PLANT SPRAY SYSTEM

A new plant shade structure has been completed and will after Easter, be fitted with an automatic spray system to reduce the watering time for volunteers.

New first stage power installed at the cost of \$1900 to the Plant Nursery site allows for an independent pump to operate and service the spray system. A daily timer operation will mean volunteers will not have to provide the watering to plants on those hot summer days.

This project was made possible by a very generous donation by *the late Yvonne Harding Collis*.

3 OFFICIAL OPENING

The Golden Beach Community Plant Nursery new shade shelter was officially opened by Wellington Shire Council Mayor, Councillor Garry Stephens on the 20th Of March 2021

We want to thank the Mayor and his wife for taking the time to attend and officially open the Golden Beach Community Plant Nursery Shade Shelter.

4 WATER DISPENSER

The Water Dispensing unit is now up and operating at the Plant Nursery White Wall. A new water pump and digital card payment system automatically dispensers 10 litres of water on payment by card.

There has been some criticism about the time it took to replace the old system, so we make special note:

The new unit and drinking water supplied is now provided under licence by the WSC health services (certificate for a Food Premises under the *Food Act 1984*.) Additionally, the design and system install meet electrical standards with a new power board and safety switches.

The card payment terminals and the operating panel are not an off the shelf item and were made to order and required testing and approval; we also merged a new digital site donation payment by the card system into the panel.

The complete replacement change over, including the 2nd stage, extended power installation to the white wall, cost \$3.5k and fully funded by the Association.

Our thanks to **AMEC INDUSTRIES** for assisting the Association with design and compliance issues plus providing electrical installation on time with a minimum of fuss.

GPBR&RA 2020 AGM

Due to Covid -19, the Associations 2020 AGM was held over until the 3rd of March 2021.

The annual financial report was presented to the meeting and accepted.
Robyn Dewar from WSC assisted with the election of office-bearers.
The following nominated members were declared elected for 2020-2021,

PRESIDENT	Ken Dyster
VICE PRESIDENT	Chantel Drew
SECRETARY	Andrew O'Rorke

We started the year with a General Meeting at the Golden Beach Hall, with Lisa Mylne from Latrobe Community Health Service as a guest speaker, letting us know services that may be available to our members through the Commonwealth Home Support and Home Care Packages.

This was followed by our usual meeting, and then a great afternoon tea - thanks to everyone who brought something yummy to eat.

A Sunday Night Tea was also held in February, this time at the Maffra Sporting Club. Most members were happy with their meals and experience.

After 2 delays due to Covid-19, we were finally off to Cobram to stay at the RACV Resort, which we can all recommend as a great place to go and spend some time relaxing.

A wonderful time was had by all, and a full report will be in the next issue of Letts Beach News.

The whole week was a fantastic adventure enjoyed by everyone who went.

On Sunday 11th April we're having a General Meeting at the Golden Beach Golf Club, and your RSVP to Neva or Chris is needed by Wednesday 7th April, straight after Easter. Please join us at 12noon, and a plate to share for sweets would be great.

With 2 false starts, our long awaited trip to **Walhalla is on Wednesday 21st April**, with the Golden Beach pick up at 7.30am, and The Sale pick up at 8am from the Woolworths Petrol Station carpark. After morning tea on the road, we're having a trip on the Walhalla Goldfields Railway, lunch at the Walhalla Pub, a tour of the Long Tunnel Gold Mine, and a chance to check out the range of shops in town.

Sunday 25th April is Anzac Day, and as in previous years, there will be a service held in Golden Beach. We hope to have staff from the RAAF at East Sale, our local CFA and other community groups present and involved in the service, which will start at 10am sharp. Afterwards, refreshments will be served in the Hall, and we'd love you to join us on this day, and bring a plate to share if you can.

We were extremely grateful to the Wellington Shire Council for approving our submission for a grant for a new flagpole. This means that we can fly the Australian, New Zealand, Indigenous and Torres Strait Island flags on days of special significance, such as Anzac Day and Remembrance Day.

Are you burning-off safely?

CFA GOLDEN BEACH 3851
Community Information Guide
Scan the QR Code

For many people, burning-off vegetation is an effective way to prepare and maintain properties. Unfortunately each year CFA crews are called out to help people who lost control of their burn-off.

Here is some simple advice to stay safe when burning-off.

FIRE DANGER PERIOD

You can only burn-off if you have a written permit issued by the Municipal Fire Prevention Officer or the CFA District Office.

TOTAL FIRE BAN DAYS

All fires in the open air are banned during Total Fire Ban days.

Any permits are suspended for the duration of any Total Fire Ban days.

Have you checked your council's local law regarding when and where you can burn off?

You need to check your council's website for local laws to ensure you're allowed to burn off. Your council may have regulations and certain days that you can burn.

If CFA has declared the Fire Danger Period for your municipality, open air burning is prohibited unless a specific permit is obtained. Fines for burning off during this time without a permit can be up to 120 penalty units and/or up to 12 months' jail.

Have you checked the weather?

Check weather forecasts for the day of your burn-off and a few days afterwards. If more than light winds you should postpone your burn-off.

Also check it won't be too windy on following days, as the wind can reignite your burn.

Do you have an adequate water supply?

You need to have enough water to extinguish a possible outbreak. For small fires, it's recommended you either have access to a hose or at least 10 litres of water. For larger fires appropriate firefighting equipment and/or machinery may be required.

Clean up around your burn site.

Create a 3-metre clearance of all flammable material around your whole burn-off site.

Have you registered your burn-off?

Register your burn-off by calling **1800 668 511**. This will ensure CFA won't be called out unnecessarily to your burn-off.

Have you notified your neighbours?

Ensure you are considerate of your neighbours when burning off. Notify them if you are in close proximity and the smoke may affect them. Also burning items that are wet or green may cause excessive smoke.

Have you put it out properly?

Make sure there are enough people to monitor, contain and extinguish your burn-off safely and effectively. Ensure that your burn-off is completely extinguished before you leave it.

Good day to all

We recently received a donation of a lathe from Ian and Anne Miller of Sale. There were two available, we chose the one most suitable for us and were also given a box of Chisels both of which will be a great addition to the Shed. We were most appreciative and gave them a lovely bunch of flowers and a thank you letter.

Our Defibrillator has finally arrived, and has been mounted on the wall near the First Aid cupboard. This was a donation from Cardiac Science Group and was offered to all Men's Sheds.

The Office is now usable, although it still needs some finishing touches. Many thanks to John, Ted and Harry for their hard work. Thanks also to Lorraine for her donation towards the plaster for the Office. Secretary Christine Nunan now has somewhere to work and spread out all her paperwork

John and Ted travelled to Dandenong recently to pick up two dust extractors and some Dexion Beams from Mentone, another wonderful donation.

Two new Roller Door motors are due to be fitted shortly

A number of bird boxes have been made for Heather from "Finders Keepers"
Second-hand furniture donated recently has been sold or used in the Shed

John and Ted visited Traralgon Men's Shed recently, to collect some second-hand wood working machines which are in good order.

We have had all of our electrical machinery tested and tagged by Frank Loney, thanks very much for that Frank, much appreciated

Many thanks to all who have continued to supported us, great to have some new members with new ideas and skill sets, and good to hear that we have some interested ladies.

Cheers, John Cassidy

Members & Friends

Our Summer season of bowls went very well with everyone out on the green within the social distancing guidelines. Despite restrictions we have been able to have a few social functions celebrating birthdays and other events.

Welcome to new members Jan, Albie and Daryl who have joined the club and are enjoying being out on the green and the social activities at the club.

President's Invitation 4's

On the 3rd of March we hosted the annual President's Invitation 4's day with teams from local clubs competing. Congratulations to the winning team, our neighbours Loch Sport Bowls Club. Once again our thanks go to Sale Mazda Mitsubishi and the VMMR for their support of this event.

Congratulations to Arthur Baudinette on receiving Life Membership of the club at the recent AGM.

The award was presented in recognition of his leadership as a past President and as a dedicated volunteer and supporter. Pic: Arthur received his LM badge from President John Hayes. Arthur joins Christine Hawker and Robert Hudson on our Life Member honour roll.

Happy Easter Thanks to Lee we have been able to sell tickets at the general store on Saturday mornings for our Easter Raffle. 1st & 2nd Prize is a basket of Easter Eggs and Chocolates. The raffle will be drawn on the 31st of March and the lucky winners will be notified by phone and on the Bowls Facebook page.

Maintenance Thank you to the volunteers who continue to maintain the green and garden surrounds. Thank you to the work crew who did a great job removing and treating the rust on the shade shelters. We appreciate the efforts by everyone to keep our green and surrounds well maintained.

Social Bowls Wednesdays and Saturdays from 1pm will continue until the end of May. Visitors are always welcome. Green Fees apply. Sign in via the QR code at the club. We hope to see you on the green sometime soon.

Welcome to Autumn!

During Covid-19 restrictions and with limited activities being held at the centre we have taken the opportunity to do quite a few maintenance and repair jobs. The rusty roller door on the storeroom has been replaced and all the windows and solar panels cleaned. Rusty balustrade has been replaced and painted. The painter is now busy on the external doors and surrounds. We have used local tradies where possible and appreciate their help. Wellington Shire Council, as owner of the building, contracted Laser Plumbing for the roof repairs that were finalised in February.

Art Show Local artists Julie Ward and Margaret O'Brien held a very successful art show in the hall from 5th to 8th of March. There was a great response from the community and Julie and Margaret were very happy some of their artwork is now displayed in local homes.

Wedding On the 13th of March Hyeonji and Paul Wembridge celebrated their wedding with an informal service on the beach and refreshments in the hall after the service. It was a very special day for the couple who originally planned the event for 2020.....

Coming events & activities – All activities are subject to Covid restrictions at the time of the event. A sign in process for all activities is required via the QR code on the door or the book in the entry foyer.

Book Nook every Tuesday 2-4pm in the meeting room. Call in and browse the great books.

Craft Group meet every Wednesday morning 10-12 in the meeting room. Bring your own project, knit for charity or just come for a friendly chat.

WSC Outreach Library Service is held in the meeting room every Thursday 10am-12noon. Books ordered online can be picked up at the centre.

Anzac Day 25th April The 10am service will be held at the Returned Services Memorial and morning tea will be served in the hall after the service.

Recycling We continue to offer a recycling service for used batteries, including hearing aids, (excluding car batteries), old mobile phones, print cartridges, ballpoint pens, highlighters, marker pens, and also prescription glasses. Just drop them in the box at the front door of the centre and we will do the rest.

How to Hire the community centre Application for Hire forms are available at the centre for anyone wishing to hire the facilities for group activities, meetings or family celebrations such as birthdays, christenings, weddings etc, at reasonable rates. Just contact Chris Young on M: 0419113158 for more information on hiring the centre or send us an email.

Many Thanks

Thank You to all the amazing people who have help us get our disability toilet up and running.

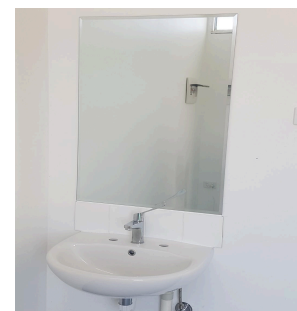

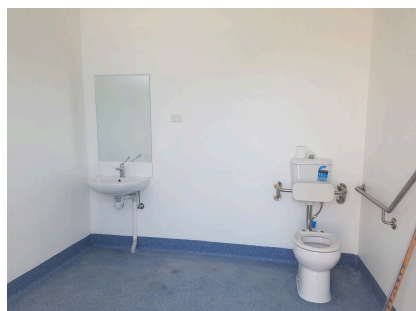

Thanks to Johnno for all the planning and setting up and Greg Lock for the framing. Many thanks to Bunnings Sale for the sink and bits and pieces and Highgrove Bathrooms (now open in Sale) for our amazing Toilet and handrail and not forgetting Weir Flooring for fitting out the floors.

Brett from AMEC INDUSTRIES has connected the power and the outside security lighting.

Our amazing plumber Luke has fitted everything out.

Our fantastic members Peter and Ian have done all the plastering and painting and lots of other bits and pieces.

To the committee many thanks for all the work you have put in to make this happen. Thank You x

Thanks to the Wellington Shire Council for our grant to install the flooring.

NOW WE NEED YOU
