March 2022 Autumn Edition

Hi to our members and the wider community

Heading into 2022 has had its challenges with changing rules applying to Covid restrictions. This has made planning and commitment to various timelines and projects a nightmare.

However, we are now slowly moving forward with clarity and confidence.

We are expecting within the next 2 weeks an outcome to our Town Planning Application for stage one of the Town Centre Revitalisation plan (Art Gallery and Toilet Block).

The landscaping and new seating for the 3x3 Basketball court should also now proceed within the next 6 months.

The site management and court bookings are part of the Association's licence arrangement with Wellington Shire Council. A group booking system will be put in place once the landscaping and seating works have been completed.

EOSSF (End Of Summer Surf Festival)

Hi All

It's been an interesting few months of not being too successful with attempting to organize trips/events due to lack of interest. I know everyone has personal commitments but it would be awesome to support local clubs. We have opened events not only to members, but have invited non-members also. Enough of me ranting.... we did get to squeeze in an event after our successful Christmas lunch.

Christmas lunch held at Lakeside Bar and Bistro was a great day. Buffet style meal with gifts to all who attended and lots of great prizes and vouchers were won. Thank you to those who attended.... looking forward to the next one.

A small group was able to attend Twilight dinner/races at the Sale Greyhounds. Although not everyone wants to gamble....it was a great night to catch up and socialize with everyone there and we did have a couple of winners.... yay!!!

Unfortunately, Rock n Roll classes and Dance have been canceled due to lack of interest. The Dance hopefully will take place soon, Lakeside Rockers will organize some professional dancers to show everyone what they missed out on by not learning how to dance. Who knows....by watching them, we may hold lessons again?

On a higher note...The cruise to Metung for lunch from Lakes Entrance is looking to be a large bus load. The date is March 23rd, not many seats left.... call us and join in the fun.

On April 25th, The Anzac Day Commemorative Service will take place at the carpark in front of the Golden Beach Community Hall. The service will take place at 10.00 with many guest speakers from RAAF, followed by refreshments at the Hall. Those attending may bring a plate to share, no specific food requests will be requested, any food would be greatly appreciated. It will as always, be a sad but fitting service to those who sacrificed their life so we today can have a better one

Consistent rain over summer has really improved the overall look of the reserve. It's not often we have green grass in February. Additional mowing including extensive fire breaks are being maintained as well as the walking tracks and community oval. It is great to see dog owners using the reserve to exercise their pets. The bird life is amazing and the native animals enjoy the habitat.

Maintenance Funding has been received from Wellington Shire Council to upgrade the entry driveway and provide an access road above the recent flood levels. Currently we maintain the fire breaks that were previously funded and maintained by WSC.

VMMR Licensed Bar & Bistro: Thank you to everyone who supports the bistro on Saturday nights. It has been great to see so many new faces each week. The kitchen staff do an amazing job and the volunteers in the bar and check in Marshall are very professional. We do encourage bookings so that we have enough fresh food on hand and enough staff rostered on to prepare the meals.

We need your support to ensure this service to the community continues to offer hospitality. We encourage working together to meet the Covid-Safe Government guidelines to ensure a safe environment for all patrons. The Bistro opens at 5.30pm and the kitchen closes at 8pm. Double vax status is still a requirement. Go to www.facebook.com/vmmrgoldenbeach/ for all the latest news and updates

The committee are looking at having a monthly fundraiser raffle and also discussing loyalty cards. Currently we have two positions vacant on the general committee and encourage anyone who has free time to assist with the maintenance and future planning for the reserve to contact us about volunteering.

Australia Day Surf Fishing Carnival 2022

Thank you to the organisers and volunteers, the weekend competition was a great success. Great weather, lots of fish caught and lots of prizes won by some very happy anglers. The profit from the event will be distributed between the Golden Beach CFA and the VMMR reserve.

Due to circumstances beyond our control the Cent Night Fundraiser was postponed until Saturday 12th March. There are still density limits in place for the community hall but we hope that with your support we will have a successful night. Andrew Camp, the amazing auctioneer is very excited to be able to MC this event for us and raise much needed maintenance funds for the reserve. Please arrive by 7pm for a 7.30 start. Sorry but you will not be able to save seats for friends. Proof of Double Vax status required. BYO drinks and nibbles. Devonshire Tea available about 9pm.

Golden Beach Community Plant Nursery

Wow! It's Autumn already. There are plenty of jobs to do around the garden. There's pruning, mulching, planting your greens like spinach and lettuce. Time for carrots and parsnips, brussels sprouts and cauliflower too. As you're pruning, taking cuttings for propagation is something to keep in mind.

But we shouldn't forget the bees - this irreplaceable, vital component of life on this planet.

Native Bees in Victorian backyards serve a vital & unique purpose, pollinating our unique flora. Some 1600 species of indigenous bee means they come in all shapes, sizes and colours.

From now on and through Winter, all bees' daily lives slow down and flowering plants become fewer, but they still need to feed. Plant Calendula, Begonia, Pansies and any other florals that enjoy our coastal winters. Plant natives like Flowering Gums, Pin Cushion Hakea, Grevillea and Kangaroo Paw which all grow well here. Create bee hotels for your new friends.

While we're here, it's a good time to remove spent Kangaroo Paw flowers by cutting them off at ground level, along with any blackened foliage. It's also a great time to plant or propagate Grevillea. The Golden Beach Community Nursery has a wide range of ground cover and upright growing Grevillea.

Our nursery and garden are a grand community effort, maintained by a small team of local volunteers. Ray for instance, is the Team Leader managing the community garden these days, he propagates and donates so many fabulous plants for resale in the nursery. Cheerful new hands and hearts are always welcome. No matter whether you have a lifetime's experience or you're a gormless beginner who enjoys pitching in and learning, you will enjoy sharing the gentle art of gardening by the sea with us.

Volunteering here also provides the opportunity to meet our generous customers. You lovely people from Seaspray, Loch Sport Longford and Sale who not only buy the plants but donate them and stop to exchange information about growing gardens in this special area are a joy!

Before I go, don't forget - we can re-use all your old pots. Just throw them into the big blue pot at the front gate anytime, or better still, come by on a Saturday between 9.30 and 12.30 and say giddyay as well.

Please note that all active volunteers who work within our designated area's are covered by insurance, to maintain cover you are simply required to join as a member (NO FEE REQUIRED) and sign in each work occasion. We have now established a free small personal tool kit that we issue you approx. 4 weeks after joining. *(Newsletter article compiled by Veronica Petelin)*

Good day to all

Golden Paradise Beach Men's shed held a first aid course on January 15, which we opened to the community to attend. The course was provided with the assistance of a grant from National Shed Development Program, 16 participants attended the course all of whom gained valuable new knowledge or to clarify prior knowledge. The St Johns Trainer was clear and easy to understand and added his own stories to compliment the information he provided and provide real life scenarios.

In Jan we held a stall at the Golden Beach Australia Day Market at the community oval. Not only was the market a success for all involved and a great day out, the Men's Shed had a rewarding day with lots of positive feedback and sales of our handmade items such as platters, charcuterie boards, wine glass holders and our beautiful picnic table and bench sets.

Since the market our picnic table and bench sets have garnered a lot of interest. These solid cypress tables at \$650 have been adapted to accommodate wheel chair, walkers and the elderly and as a result we currently have orders from individual customers and potential orders from various other community groups. They look terrific and would fit in well anywhere, a fantastic addition to your home or holiday house. For any further details please call us on 0401 441 969 or visit our Facebook page to see a photo of our work facebook.com/gpbmensshed

Our Vice President Daniel Oxford has been busy updating our governance paperwork. There have been changes in our processes that were required including new membership forms, induction forms and safety procedures. Daniel has done a great job and we are slowly working through the new documents and requirements.

We would also like to take this opportunity to thank Sue Parratt for the role she has played in the development and growth of the Golden Paradise Beach Men's Shed. Sue took on the role as Secretary in 2017 and more recently to assist. Sue is now moving on and we would like to thank her for her continued support, ongoing participation and unflagging determination. Good Luck Sue!

The Shed is open every Mon, Wed, Frid and Saturday and we will be open over the Easter weekend so come down and visit us. We would also like to take this opportunity to invite new members to join the Shed, you can live locally, in surrounding areas or be a non-permanent resident, so if you're interested in joining a friendly community group, learning new skills or supporting the community pop in or call us for a chat about our membership.
