GOLDEN PARADISE BEACH RATEPAYERS & RESIDENTS ASSOCIATION Inc

Hi to all our members and the wider community Date 01/03/2025

It seems just like yesterday that we were getting ready for Christmas and here we are rapidly heading towards Easter even though it is in late April.

Much has been done in the last 2 months, the Art Gallery has received its new storage facility and it is in place and ready for use.

This now allows us to connect the new Art Gallery water tank to the Nursery and Open Garden water grid, the work is programmed for immediate start.

The first stage (Information centre office Area) painting of the Art Gallery interior is currently being prepped and will commence shortly. The information internal screen is now installed with information data being loaded. This area should be operational soon subject to some minor tech installations.

The Community Plant Nursery is now undertaking the expansion of the undercover/shaded plant areas thanks to our sponsor **Dahlsens Timber Sale**. This will help expand the tube stock holdings and varieties.

We are also evaluating workplace tools such as wheelbarrows/workbenches to make volunteering more comfortable and accessible in the Nursery area.

The Open Garden area after the Easter Market Event will be closed for short periods while some structural changes and improvements are made, we apologise in advance for some action that may be at short notice.

XMAS 2024 DECORATIONS
We have received encouraging comments about the Centre Road Surf Edge Drive new Christmas Tree decorations and as such the Association will continue to provide and expand it this year. Wellington Shire Council has now placed Golden Beach on the small list of towns approved to have street decorations at Christmas.

This is part of the Associations planning to support the town centre business district to ensure existing businesses can survive and grow. The town centre is critical to the outer tourist business area such as accommodation, without facilities for tourists there are no tourists without tourists there are no businesses.

EOSSF

The End Of Summer Surf Festival is on again in April featuring a Market Day and 2 Day Fishing Competition.

Please support the event by buying a raffle ticket, buying a coffee checking out the market stalls and or buying a plant from the Nursery.

Have A Happy Easter and stay safe.

Kind Regards to all

Seniors Christmas lunch

Stefan Bradley

GOLDEN Paradise Beach Senior Citizens Club recently had their Christmas lunch at Shirley's Cafe & Bar in Sale.

Brought there thanks to Sale Bus Lines, they put on their festive outfits forward for an enjoyable lunch and meeting - a great way to round out the year.

The club is a community space where older adults come together to participate in social, physical, cultural, and intellectual activities.

"This year, they've taken part in a trip to Bairnsdale Market, a barbecue at Bairnsdale Golf Club, a mystery trip, Christmas in July – we sold raffle tickets for a Christmas hamper.

"Big thanks you to our vice-president and our sub-committee members and the wonderful members who volunteered," club president Marion Veksins said.

"We have a lot of plans coming up for 2025."

The current committee started in August this year and are in the middle of organising trips to Eaglehawk and Warrnambool. Other ideas for the year include a mystery trip, a Mother's Day luncheon, and op shopping.

Their first meeting as a club in 2025 will be in February.

Golden Beach Fire Brigade

Protecting Life and Property

What a crazy Summer we have experienced – Flooding rain, some unusual snow earlier on, thunder Storms with dry Lightning and heat wave conditions. Our fire calls have been few and far between and I believe this is, in part, attributed to our Community abiding by the Fire Danger Period regulations… THANK YOU.
In saying that, Summer is not over and your vigilance is still required and very much appreciated.

Please remember – you may have a fire for cooking or warmth only and must obtain a Permit to conduct a Burnoff 24/7, 365 days of the year.

I have been informed of a Burn Plan for the area bordered by Cooper St., Lakeline Dr., Fairway Ave. and Surf Edge Dr. Golden Beach. I believe this will take place in March/April this year and be conducted with the assistance of CFA Vegetation Management, FFMV, Parks Vic. and our amazing, neighbouring CFA Brigades. Heaps more information will be distributed as this comes to hand.

Thank you to everyone who participated or helped out for this year's Australia Day Fishing Comp. The Brigade will purchase a Thermal Imaging Camera with the proceeds from both the Fishing Competition and the Market held on Saturday. We still have Captain Koala Teddies for sale at $20 each if anyone is interested.

Our Christmas Eve run, by and large, went really well but, some streets were missed and children disappointed. The Brigade has now decided to conduct future Santa Lolly Runs earlier in December, from a static location, possibly the Beach front Park. Presents will no longer be delivered by Santa from the Fire Truck; there are a number of contributing factors in this decision.. Christmas Eve is a time for our Volunteers to enjoy family and friends too and they should be with them; some children did not receive presents but could see others receiving them (it wasn't a nice feeling seeing this) and the safety of all Adults and Children is paramount, this is hard to do with a constantly moving Tanker. I am more than happy to discuss the Brigade decision with anyone who would like their opinion heard.

Take care.

Paula – Captain

CFA GOLDEN BEACH FIRE BRIGADE

Leaving Early

Bushfire Survival Planning Template

Fill out this Template and take it with you when you leave.

WHAT IS YOUR TRIGGER TO LEAVE?		
Your trigger to leave is what prompts you to act. You should use the Fire Danger Rating to determine your trigger. On **Extreme** or **Catastrophic** days you should not be in a bush fire risk area.	Your trigger to leave is: ☐ **Extreme** ☐ **Catastrophic**	
When will you leave?	☐ The night before	☐ Early in the morning

BEFORE YOU LEAVE	DONE
Add final items to your Emergency Kit such as medications, prescriptions, mobile phone chargers, pet food and water for everyone.	☐
Pack the car, remembering your most important items such as wallet, cards, keys, banking, medical and insurance documents (these should be easily accessible on a USB stick or in an expanding file).	☐
Turn off the gas supply.	☐
Block the downpipes and partially fill the gutters with water, if time permits.	☐
Make sure everyone is wearing protective clothing – long pants, long-sleeved shirts and sturdy shoes such as leather boots. Clothes should be loose fitting and made from natural fibres such as pure wool, heavy cotton drill or denim. Do not wear synthetics.	☐
Tell people you are leaving.	☐
Close all doors and windows and lock doors.	☐
Leave the front or access gate unlocked.	☐
Decide on your **primary** destination	☐
Decide on your **back-up** destination	☐

GETTING READY TO GO	DONE
Stay updated on fire information so you will know if a fire has started near you.	☐
Move livestock to a large, safely fenced area and put your pets in a safe place ready for loading in the car.	☐
Pack personal items such as a change of clothing for each person and toys for children and pets and put them in the car.	☐
If your car is behind an electric garage door, take it out of the garage and position it in the driveway facing out or on the side of the road.	☐
Remove any material that could burn easily from around your house, on decks, verandahs and pergola areas. This includes mats and outdoor furniture.	☐

CAUTION

Leaving early is you taking action to protect your life and the lives of your family members. In some conditions, any fire that starts is likely to be uncontrollable.

Leaving early does not mean waiting for a warning or a siren. It does not mean waiting to see or smell smoke. And it certainly does not mean waiting for a knock on the door.

We acknowledge the Gunaikurnai people as the Custodians of the lands and waters on which we live and work and we pay our respects to their Elders past and present

In late 2024, a group of residents formed the Golden and Paradise Beach Community Development Fund (GPBCDF) to ensure that our local community is properly represented, fully consulted, and can directly manage any community benefits that may be available from the many large-scale infrastructure projects planned along our section of Ninety Mile Beach.

The Fund is apolitical and does not advocate either for or against these developments, as we believe change is an inevitable part of life and that communities should have an active voice in how this change happens, while sharing in any benefits that may be available.

Our goal is to engage the communities of Golden Beach and Paradise Beach in developing a shared vision for our future, building partnerships with large-scale infrastructure projects, and making sure the benefits from these projects reach the entire community in the way we all want them to.

To achieve this, we need to design and implement a community engagement program enabling renters, property owners and businesses to contribute towards creating a Community Development Plan (CDP), so that we have a collective voice that ensures positive outcomes for our community.

The Plan needs to lay strong foundations to protect our unique built, social, and natural environments as well as focusing on short, medium and long-term goals. As we plan for the future, we need to build strong and lasting relationships with project developers to ensure we leave a lasting legacy for those who come after us.

Since we formed the Fund, we've spoken to many people, groups and organisations across Gippsland to understand how these large-scale infrastructure projects will impact our community. These discussions include political representatives from all levels of government, State and Federal government departments, Wellington Shire Council, various regional community foundations and representatives from the infrastructure projects.

The Fund will be at the Golden Beach Offshore Wind Day on Thursday, March 13th, from 4 pm to 6 pm at the Community Centre. If you're interested in meeting the team or chatting about anything Fund related, feel free to swing by and say hello!
