Members & Friends

Woohoo, Spring is nearly here and we are looking forward to some warmer weather as we undertake further re-development work and finalise preparations for the Summer Bowls Season.

Throughout Winter we have managed to play Social Bowls most weeks despite the green flooding a few times during heavy rain events. We also managed to complete Stage 2 of our Green Surround replacement project.

Wellington Shire Council Grant

With the great support of WSC, through their Quick Response Grant Program, we will be able to complete the third and final stage of our Green Surround Replacement Project during September to early October.

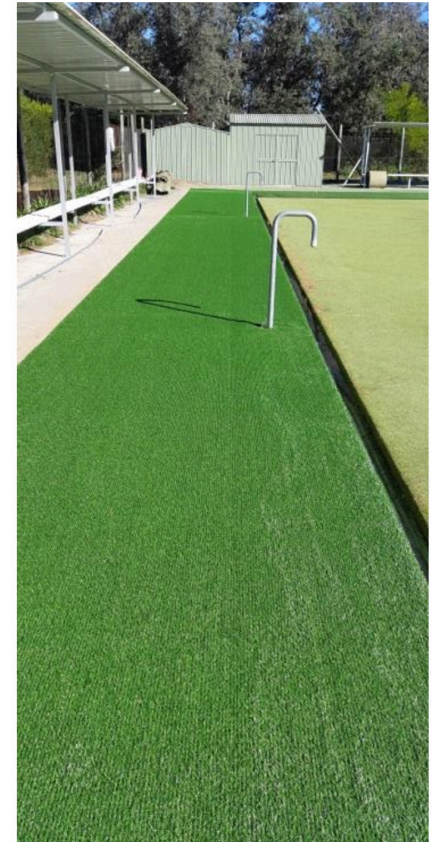

The \$2,500 grant, together with the Club's own funds, will enable us to complete this near \$6,000 project in time for the Summer Bowls Season which commences at the end of the second week of October.

Having this financial assistance is critical to growing the club over the coming years.

Social Bowls

Members, Guests and Visitors are welcome to join us for Social Bowls **every Wednesday and Saturday at 12:45 pm**. Bowls are available for Guests and Visitors who do not have their own and we have experienced bowlers who can help newbies get started. Green Fees are only \$5 for Visitors – yes cheaper than a cup coffee. Some come and join us.

Hi Everyone,

Winter is over and Spring is here. The Monday working Bee Volunteers will have a lot of mowing to do to keep up with the grass growth soon.

Over the past few months, the Golf Club has had a few new additions and upgrades. Our Club House has had a fresh coat of paint and looks amazing. Our introduction board is nearly complete, all that is left to do is the new course map. Out the front is a brand-new sign sponsored by GB Energy.

On a sad note, BJ Griffiths, a long-term member of our club passed away on the 1st of August. BJs family invited all of his friends to the Golf club for a send off in his honor. It was good day with lots of memories shared and stories. He will be missed by all.

1/A GOLDEN BEACH SWIMMING AND LIFE SAVING CLUB

Firstly, let me apologise for not having an article in the last edition of the Letts Beach News. I have been unwell and in hospital. A lot has happened since our last article.

We would like to thank everyone who bought tickets in our “Easter Raffle” which proved very successful and we ended up having 24 prizes. I hope all the winners enjoyed their winnings. Our Easter Egg Hunt proved to be another successful event and each year it gets bigger and bigger. Thank-you to all our helpers who got donations for the raffle, sold raffle tickets and to everyone who helped out on the Easter Sunday.

The club affiliation with Life Saving Victoria has progressed and we have successfully passed all the stages including Level 3. We now formally apply for Affiliation (Probationary) to Life Saving Victoria. We are just awaiting a date to meet with the State Body to discuss this formal application.

Members are reminded that Annual Fees are now due for renewal. \$30 for Single membership and \$50 for Family memberships. Prospective members are always welcome to join our club. We are going to need new members when our Affiliation is approved. Get on board now and join us in the exciting new era of the Surf Club and the Community. For membership enquiries please contact me on either of the email address or mobile phone number which is listed below.

Welcome to Spring,

We have had consistent use of the facilities during winter. Training days for Mental Health Awareness, Chainsaw Safety, and an accredited First Aid course were all held in the main hall. The Coastal Community Recovery Committee held their monthly meetings at the centre.

Community Consultation Sessions have been conducted by: GB Energy, CarbonNet, and Esso all in relation to offshore activities.

St Anne's Church hosted a luncheon after their service to commemorate the 20th anniversary celebrations. The Bowls Club held an indoor session when wet weather was keeping them off the green. Wellington Shire Council presented the Future Wellington workshop.

Halo Care provided 3 pop up vaccination sessions, to provide FREE Covid-19 boosters or flu vax. There was limited interest from the community. In the future we hope to encourage more health related support programs to service the community.

We are accepting bookings for training sessions to be held in September. The centre is well maintained and hirers are very happy with the venue.

Craft & book nook sessions each week have attracted extra people who enjoyed good company in a warm and friendly atmosphere. The WSC Outreach Library is well supported. Visitors to the area popped in for a chat whenever the centre was open.

Great News! Wellington Shire Council have sourced funding to have the main switchboard upgraded and a 33kva generator installed before December. This is part of the recovery and resilience plan for the centre to be a community hub after emergency events.

We are waiting for confirmation that the application for a porch to be built over the double emergency exit door has been approved through the WSC capital works program.

Maintenance is ongoing. More volunteers are very welcome. We had the uneven pavement outside the centre ground down to remove the trip hazard caused by tree roots raising the pavement.

More great news! A Grant from the Reactivating Community Facilities fund is being used to purchase two table tennis tables and equipment to be available in the main hall for casual use by the community whenever the centre is open. This is a free activity and should start in late September to coincide with school holidays. Thanks to Chris from Intersport Sale for great customer service.

Craft Group Through winter the group have produced knitted garments for the missions. Visitors are welcome to join the group for a social afternoon. We would like to thank all the volunteers who have donated wool to support this work. Wool is available for anyone interested in knitting for charity. Call in any Tuesday 2-4pm.

Wellington Outreach library service operates from the meeting room every Thursday 10am – 12 noon. We offer a recycling service for print cartridges, pens, CD's, phones, batteries etc.

Springtime! And the grass needs mowing.....

During Winter our volunteers have been busy with maintenance around the reserve. They have removed excess vegetation from walking tracks and open spaces.

With a permit from WSC we registered controlled burns with CFA headquarters. Spring growth means our great volunteers will be kept busy keeping the grass under control and everything looking good leading up to summer.

Licensed Bar & Bisto Future planning includes changing the name of the bistro to "Causeway Diner". Without your support and a permanent cook we are unable to offer this hospitality service to the community. Re-Opening has been delayed due to some essential maintenance work in the kitchen. Thanks to Wellington Shire Council we are replacing the gas range and doing some minor maintenance before re-opening, possibly at the end of September.
