GOLDEN PARADISE BEACH RATEPAYERS & RESIDENTS ASSOCIATION Inc
An Incorporated Member Volunteer Organization

Hi to our members and the broader community.

Looking Forward

It feels like an eternity but we are finally here ~~NORMALITY~~ sharing Christmas at last with friends and family.

On Saturday, December 4th the Association will host its end of year Community Celebration and yes Santa will be coming thanks to GB CFA volunteering to provide transport on the night.

Free sausage sizzle with music by Ryan Lestrangle and Carols courtesy of St Annes Church Golden Beach will provide a lay back evening for all.

We also give thanks to our sponsors Wellington Shire Council and Golden Beach General Store for at short notice assisting to get the event on track.

Looking Back

Its been a punishing 12months for all-volunteer community groups who have endured many ups and downs with committee's having to make tough decisions on behalf of the majority of members.

Whilst Covid-19 has taken many of our friends in one way or another It also stole our ability to fare well in our own way those we have worked, lived and played with. When reflecting on the time gone by I am saddened by the statistic that we also lost 3 contributing lady members of the GB Plant Nursery to another insidious disease cancer.

The Association have now formalised small memorial plaques that will be situated in the GB Community Nursery to commemorate their contribution to the community as volunteers. May They Rest In Peace.

Town Planning Application

The Town Planning Application for stage one of the Town Centre Revitalisation Plan has been lodged with Wellington Shire Council and is currently being processed. We believe we have ticked all the boxes however we will have to wait and see.

My thanks to our Secretary the Committee of management team and our hard-working volunteers who have been very progressive and understanding of the projects currently in play.

On behalf of the Associations Committee of Management, I wish you all a very Merry Christmas and a Happy New Year

Golden Beach Fire Brigade

It seems forever since the Brigade has put anything, other than Information Flyers (thank you, Ken) in the Letts Beach News...so let's see how we go.

CFA has very strict protocols surrounding Covid 19 and the Brigade has kept a low profile to better be able to carry out the work we do in our Community and those of our Neighbours. We have now resumed monthly meetings and weekly Training; it feels good to connect with each other in person and not in the Virtual world!

A lot of property has changed hands over the past year or so and I believe the following information will help our newest members of the Golden/Paradise Beach Community prepare for the Fire Danger Period.(FDP)

If you have made the decision to burn off your garden refuse, please take some simple steps beforehand – you may incur a substantial fine if the Brigade is called out.

Most of Golden/Paradise Beach requires a "Permit to Burn". Check with **Wellington Shire** on **1300 366 244**. If you are successful in your application, a permit will be issued within 10 working days. (You cannot ring Friday and hope to get a Permit for that weekend)

Once you obtain a Permit, **Register your burn**, no matter how small with the **CFA Burnoff Notification Line – 1800 668 511**. The Brigade may be called if you do not register. Volunteers regularly stop what they are doing to turn out to unregistered burns.

Always monitor weather conditions – what is the forecast for Today, Tomorrow and the next day – is it safe for this whole period?

Have you cleared a **3-meter perimeter** around your intended burn?

Do you have a plentiful, easily accessible **water supply**?

Do you have the means to control the burn? – **Man power, rakes, shovels, buckets etc?**

Do you have a **phone available**, with reception, to call **000** should you need to?

If you have answered **NO** to any of the above, **DO NOT BURN OFF**.. consider other means of removal.

If you have answered **YES**, then the following must also be adhered to:

A **competent adult** must be in attendance **at all times** – also applies to fires for cooking and warmth.

Make sure the burn is **100% extinguished** with **water**.. MOTTO is **WET IT, DIG IT, WET IT** ... repeat as many times as it takes to make sure the burn is fully out.

DO NOT COVER WITH DIRT – wind may cause embers to be exposed.

If further information is required, please contact us on the phone numbers below.

Last year our Xmas Santa Run was cancelled due to Covid but the Big Fella is making a comeback and will be making his way around the Community on Xmas Eve with lollies and Balloons for the kids. If you would like us to deliver a small present to your little (or Adult) Kidlets, please securely wrap your gift and label with full name and address (our Santa forgets who lives where). These can either be dropped off before 5pm on the 24th of December at Golden Beach General Store or between 4 & 5pm at the Station.

On behalf of Golden Beach Fire Brigade.... **MERRY CHRISTMAS !!** Be happy, be kind and take care of you and yours.

PREPARE – ACT – SURVIVE... It's vital you have a Fire Plan when you need it – If you already have a Fire Plan, please take the time to Review it, Practice it and make changes if necessary.

Hi everyone

A huge thank you to the previous committee and all members who have supported the seniors club throughout the years.

Apparently our members are from 7 local towns, so we want to encourage those wishing to join, what are you waiting for? Do It!!!!

The new committee will endeavour to support local towns when we select events, trips and eateries.

Although Covid-19 took over our lives and restricted our outings, we now can look to a bright and fun-filled future.

Our membership will increase to \$20 as of 1st June 2022, please ensure to pay by 30th June each year, along with a new membership form if any personal details have changed. The fees were increased to reflect the cost of living, which includes venues and excursions.

Our upcoming Christmas lunch on 1st December 2021, will prove to be an affordable, fun and enjoyable day. Not only do we have door prizes, all members attending will receive a gift for the festive season.

The venue is Lakeview Bar and Bistro at Loch Sport.

A bus picks up in Sale at 11.00am and Golden Beach pick up at 11.30am. Three-course lunch \$45.00 per person, so please book and pay as soon as possible, not only for catering reasons but we don't want you to miss out.

In the New Year, the club will be organizing some weekend classes to assist those needing help adjusting to the technical world we now live in. We ask you to bring along your phone or tablet and any questions you may have and we will try to help wherever possible.

The new committee is excited for the year ahead...Rock n Roll Classes/Dance, Burlesque show, Lakes Entrance boat trip and many more.....

We all have different ideas on what excursions to go on or where to have lunch/dinner...let us know your ideas and we can try and accommodate everyone's wishes if possible.

A couple of dates to keep aside in the New Year: 16th January 2022 – Twilight dinner/races at the Sale Greyhounds approx. 5pm.

The second date is 12th February 2022 – Bingo at Golden Beach Golf Club approx. 3.00pm...bring along nibbles, drinks at bar prices...and don't forget daubers...hopefully we have spares...details of the above events will be confirmed as soon as possible.

AGM

Congratulations to John Hayes who was voted Chairman at the recent AGM. John lives in Golden Beach & has been a volunteer for other community organisations. We welcome some new faces, Wayne & Arthur to the committee and their commitment to elevating the VMMR to become a central place for the community to be active outdoors as well as enjoy social activities in the community clubrooms.

VMMR Licensed Bar & Bistro:

Due to both Covid-19 restrictions since March 2020, flooding May-Sept, storm damage in October and more flooding in November, the planned "Re-Opening" of the Bar & Bistro has been delayed. Despite these obstacles the committee have been active and plan to re-open with bookings only policy in late November.

As a Council owned building we can only accept bookings from people who have double vaccination status. We'd encourage all patrons to assist our Check in Marshall and work together to meet the Covid-Safe Government guidelines to ensure a safe environment for all patrons. Go to <https://www.facebook.com/vmmrgoldenbeach/> for all the latest updates.

Maintenance Funding

We'd like to make a special mention of the support from Wellington Shire Council through the flooding May- Sept. WSC assisted the committee with funding to install crushed rock for the temporary driveway. Thanks to Craig & Norm for stepping in quickly to help out. We are hopeful this short-term assistance will provide us the means to re-open & continue to keep other social activities operational.

Australia Day Surf Fishing Carnival 2022

The carnival will be held between 21st - 23rd January 2022. THIS IS OUR 10 YEAR ANNIVERSARY – All funds raised will support the local CFA & VMMR. Welcome to Summer

The good news is.... The restrictions have eased and we can start having more activities at the Community Centre. As a Council owned facility we are governed by the guidelines and Covid restrictions Wellington Shire Council provide to the committee.

Thank You to Wellington Shire Council

We gratefully acknowledge Wellington Shire Council's support in funding the new business identity sign on the Community Centre wall facing Surf Edge Drive. We need to make better use of the facilities now restrictions have eased, and are looking forward to having more social activities at the centre in the coming months. So, if you have something you would like to celebrate and need a large space, call us.

At the AGM held in October we welcomed two new volunteers with Lorraine and Marion joining the committee of management. During October the committee hosted a community afternoon tea with a display of memorabilia dating back to the 1960's. It was an opportunity to celebrate the wonderful contribution volunteers make to our community. The original fundraising group raised money for the first fire truck and the community hall. The afternoon tea was also an opportunity to make use of our new table arrangements and covered seating.

In November we hosted an afternoon tea to farewell our Treasurer Chris Young, who is relocating to be nearer to her family. Chris has been volunteering at Golden Beach since she arrived in June 2012. Chris was presented with flowers and a gift in recognition of the contribution she has made volunteering and supporting various community groups.

Golden Beach Community Plant Nursery

Our community nursery is blooming and buzzing with activities. Currently flourishing where volunteers are actively contributing their skills and time cultivating in our nursery to benefit our community. Activities are - but not confined to, the planning of new and ergonomic potting tables; improving our potting soil; windproofing barriers surrounding the nursery whilst acknowledging our sponsors; installation of a watering system

Native plants.

A recent delivery of native plants, crucial to our nursery and our lifestyle plus re-vegetation projects, renewal and maintenance of habitat that can benefit and entice our fauna not only at your property but also at our nursery and community garden.

Your garden can be your versatile haven. Supporting mental well-being and cultivating your ecosystem into a space of leisure. Benefits to your garden encompass energy-saving from canopy shade; strengthening property values through aesthetics; enticing our birds and the bees which can assist with pollination, fertilisation, and development.

Thanks to past and present volunteers who have contributed this year by donating: their time; their passion; whilst passing on an abundance of knowledge and diversity of skills contributing to the thriving nursery it has become today.

Pop in, have a cuppa and enjoy a leisurely stroll through the nursery. You may have followed the nurseries progression; you may have the knowledge or desire to contribute to the community nurseries development. Volunteers are a necessity and warmly welcomed to support the advancement of our nursery.

Monday, Wednesday, and Fridays from 11 a.m. to 1 p.m. are times volunteers support and aid with watering, propagating, attempting some maintenance, general preparation for Saturdays Nursery opening etc and more. Also, Saturdays between 9 am to 12.30 pm.

Vic State directives and Wellington Shire Council require visitors to and volunteers that work in our facility to comply with Covid Safe restrictions.

Members & Friends

Despite ongoing restrictions we have been able to get out on the green for social bowls during Spring. Our Summer season of bowls started slowly with Covid restrictions, storms and flooding on the reserve again in November. We are now happy to report that the easing of restrictions we can continue our social bowls program of Wednesdays and Saturdays from 1pm.

Thank you to the volunteers who continue to maintain the green and garden surrounds. It's been a tough few months with the green flooding several times during heavy rain events. The most recent heavy rains flooded the carpark and access track. We appreciate the efforts by everyone who helps keep the green in good playing condition and the surrounds well maintained.

Will from Golden Beach Real Estate makes the presentation to Bowls Club President John Hayes

Thank you to Golden Beach Real Estate

Proprietors Laurie and Will have generously provided sponsorship to the club for the 2021-2022 bowls season. This is a wonderful gesture and we really appreciate the support.

During lockdowns there were limited opportunities for fundraising and we were also fortunate to receive assistance through the Community Sport Sector COVID-19 Survival Package.

Having this financial assistance has taken the pressure off the club members so they can relax and enjoy their sport.

We wish you all a happy and relaxing Christmas at the Beach.

Good day to all

The Men's Shed continues to open on weekdays and Saturday mornings

We now have a Ladies Group on Tuesday morning, which is going well and has produced some great work and a pleasant social atmosphere. The new COVID 19 directions regarding the fully vaccinated status stopped some from attending, but hopefully once vaccination rates rise that may improve.

On Thursday mornings we currently host members from Maffra's George Gray Centre. This seems to be going well, certainly there is much enthusiasm. Most weeks there are between 8-12 attendees and their supervisors, and they usually go over to the Beach to fly kites before they return to Maffra.

We have been very successful with the Picnic Tables and Seating and have sold several sets locally

A recent donation of a really great Lathe was very much appreciated. It has now been securely bolted to the floor and looks very impressive.

COVID 19 is still limiting what we can do in some areas and means that we must abide by the regulations with QR code signing in, and Vaccination status register. Masks are still to be worn indoors and we must maintain social distancing.

There are still jobs to be done around the Shed and we welcome new members. Anyone who is interested in joining can come in and chat to any Committee member when the Shed is open.

Our dust extraction unit is up and running. Great work and thank you to all involved.

A very big thank you must go to all who continue to support us in many different ways

Cheers
