Dear Members and General Community

## **CHRISTMAS IS HERE AGAIN**

The Association has been extremely busy all year however, the last leg of the journey has been a thriller.

Like every year everything you start you try to finish before Christmas and try as you may it gets no easier.

A lot of projects are dependent on obtaining a grant to assist in getting them off the ground, getting the grant in the first instance is difficult and takes a lot of time and patience.

What most people don't know is that after the project is completed the grant if there is one has to be signed off which requires extensive reporting including financials and PS you don't always get what you ask for as the Grants area is highly competitive.

### **THIS YEAR**

On top of managing 7 grant applications, we have finalised a town planning application and submitted a Building Permit Application and plans to start the new Art By The Sea Gallery & Welcome Information Centre with stage one now contracted. Also, Mini Art markets have now started up to get the mood going.

Due to the rising costs on all fronts, we have been forced to split Stage 2 (New external Toilet Block) into two separate components and commence fundraising to fill the growing gap of approx \$20 thousand, and while some would ask how much does a toilet cost? it should be noted we are required to provide a facility that is all-abilities and wheelchair-friendly and includes access to and from the area.

### **SPONSORS**

We are currently open to discussing with any prospective sponsors who may in this instance wish to assist us to achieve our objective to provide quality facilities for the community.

We proudly acknowledge the assistance provided by the Wellington Shire Council for projects displayed on the following page.

### **VOLUNTEERS**

We are blessed to have the support of volunteers who have a genuine interest in providing time and energy in building community.

On behalf of the Secretary and The Committee Of Management, I would like to wish the community a very Merry Christmas and A Happy New Year

### **FAREWELL Andy Versloot**

Former committee member and volunteer Andy Versloot passed away in November.

Andy was part of the team involved with minor maintenance and repairs at the Community Centre.

In October the Community Centre hosted an afternoon tea to thank Andy for his many years of service to organisations at Golden Beach. Representatives from various groups took the opportunity to attend and thank Andy for his contribution to their organisations.

The pic on the right is Andy cutting the ribbon at the opening of the RV site in 2013. Andy was on the Ratepayers & Resident's committee and volunteered as site supervisor. Andy worked on the project for 6 months. A retired builder, Andy was a Rotarian and worked as a volunteer overseas and in Australia on projects to assist small villages and towns. Andy will be missed by us all.

**TRINCULO** - Thank you to local historian Rick Hanning for the excellent restoration work on the old water tank from the Trinculo ship wreck. The tank has been on display at the corner of the children's playground, outside the hall, since 1988. After the ship was wrecked the tank was salvaged and hauled up the beach on a sled pulled by bullocks. It was taken to the former Wilson farm situated off Astro Avenue for water storage.

**Book Nook & Craft** – Thank you to the volunteers who have been knitting for charity. Four bags of garments have been forwarded on for shipment to the Mission. If you would like to contribute your skills you can join the group any Tuesday in the meeting room 2-4pm. There is also a free library service available on Tuesdays. Everyone is most welcome to attend and make new friends.

Wellington Outreach Library service is open Thursdays 10-12. Don't forget we also offer a recycling service for print cartridges, pens, CD's, phones, batteries etc.

We wish everyone a very happy Christmas relaxing at the beach. Stay Safe, Stay Well, and support each other in our community.

Hi to all.

Summer is upon us. Hopefully some sunny, dry weather is ahead of us.

We continue to fill orders for our all-access tables, with orders, confirmed, through to the end of February.

Since our last report, we have been successful in purchasing some new tools and a mobile gantry for the shed.

Many thanks to Supercheap Auto, Traralgon and Hare & Forbes, Dandenong, for their assistance in advising us as to what would best suit our needs in completing the work required.

**What is the purpose of a Men's Shed?**

The Men's Shed provides a local, informal location where the community can spend time engaged in manual crafts such as woodworking, metal working or the restoration of old furniture, objects, machines etc.

The shed is a place where you can be socially active and form friendships and allow new opportunities for activity and interaction in their lives post-work.

We would welcome any enquiries from prospective new members.

**Vale - Andy Versloot** The VMMR committee of management would like to pay tribute to Andy Versloot for the contribution he made as a volunteer and committee member at the VMMR and other community groups. We will miss his friendship. Sincere condolences to Debra, Sandra and the extended family. RIP Andy.

Volunteers have been kept very busy with maintenance works during spring. Consistent rain with minor flooding has hampered mowing and weed control. We have maintained the walking tracks and fire breaks and removed excess vegetation around the oval. Other maintenance works included the installation of the new front doors and replacement of the awning. Thank you to Wellington Shire Council for funding this project.

**VMMR Bar & Bistro:** It is now more than 10 years since volunteers took on the renovation project to create the family friendly community club bar and bistro as a service to the Golden Beach community. Renovations to expand the dining area were completed in 2014. The committee are now working on plans to upgrade the kitchen and create more dining space.

We would like to take this opportunity to wish our members and friends a Very Merry Christmas and Happy New Year. ### Golden Beach Community Plant Nursery

#### SUMMER 2022

The Community Nursery Is Open Every Saturday Morning  
9.30am to 12.30pm  
( Subject to Weather Permitting )

We have had a short burst of Summer weather but boy wasn't the lead-up to it a shocker. You wonder why you cut the grass when the next day it has grown back. On the bright side, some plants have enjoyed the fickle weather and done well.

#### GONE WITH THE WIND

The hot house featured in last edition was doing well up to the end of November when the big winds came through and absolutely wrecked it, fortunately we did not lose any plants.

We always took the view that the structure was only short term until a dedicated hot house structure was built with wind protection provisions along the fence, just didn't figure it would be such a short term.

We are now looking for about 20 lengths of structural pine timber in 6.2m lengths to get the new hot house started, if anyone can assist we would be most grateful.

The rest of the Plant Nursery is now looking good, we have some good stock available and ready for planting.

We are now able to obtain the tree that many have enquired about.

At the entrance to the Plant Nursery, we have a beautiful tree growing called ADONIS FLEXUOSA (BURGUNDY)

For a short time only we have access to well-advanced stock as shown in the picture right.

These lovely trees won't take long to make your garden a delightful sight, however, they are priced to take into account for their advanced growth.

Interested persons should chat with Hilary ASAP.

It has been an interesting few months with a new committee at the helm and events being organised

Our trip to the Buchan Pub in August saw a large group have a great meal. The trip to the pub was broken by a stop at Bruthen enroute for morning tea. As usual, our day was enhanced by the commentary and knowledge of our bus driver.

Another successful day was the Sunday trip to Sale, with the day being rounded off with dinner at the Bowls Club. All the trips' participants were impressed with their guided tours of the Museum, the Water Tower and the Powder Magazine.

At the time of writing a trip to the Dandenong Markets is in the planning. Members are looking forward to experiencing all the fascinating stalls on offer

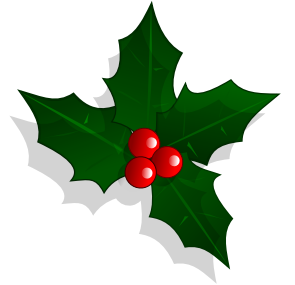

Christmas is to be celebrated in style this year with Christmas lunch being held at the Warragul Country Club on Tuesday, December 6<sup>th</sup>.

The club is always looking for new members. If any member of the community is interested in meeting good people and seeing as much of our state as possible, please contact a committee member. We would love to welcome you.

MERRY CHRISTMAS TO ALL

Our social bowls Wednesdays and our VMMR Aggregate Trophy Saturdays are being very much enjoyed by all our bowlers. We have two new memberships. We welcomed Brendan & Glenn. They have settled in very well, bringing some new competition and keen interest to our sport. All visitors are very welcome on either day and we will be keen to instruct & coach new players. Present yourself with a hat, flat shoes or thongs. Bowls provided. At our club it is essential that everyone enjoys themselves out on the green no matter of their experience in bowling. Come and join us, take some time out to share in the solitude at the reserve. It is truly wonderful.

We have been saddened by the passing of Andy Versloot, our fellow bowler. We pass on our deepest condolences to Debra and the family. Memories of him will be forever ours, out on the Green.

Last week a working bee was well attended by members and friends. The painting of the shade shelters and our entrance gate were completed. Thanks to all. Some gardening is still to be completed. New plants required. A bbq was enjoyed afterwards.

# The Secret As To Why Santas Reindeers Never Get Tired

**Every year on Christmas eve** Santa hitches up the Reindeers ready to travel around the world delivering presents to all the children.

As time went on there became more and more children to visit and Santa found he needed more time to get the job done plus the Reindeers were starting to get very tired.

Santa loved his Reindeers and was getting very concerned about the amount of work they were being asked to do. So... what could he do?

One night while Santa was fast asleep zzzzzz he woke up laughing Ho Ho HO

"I have a brilliant idea, I just have to ask some of my special friends to help me deliver the presents. These friends will need to have a place where my Reindeers can rest while I do a few deliveries.....oh yes what a terrific idea, Ho Ho HO."

So Santa now has friends all around the world that provide a rest stop area for the Reindeers and they also provide some transport to help Santa do his deliveries.

**GOLDEN BEACH FIRE STATION** is an official reindeer rest stop location where Santa quietly lands the Reindeers to rest while he heads out in the Fire Truck to do deliveries ably assisted by his helpers from the Fire Station.

# Know Your Daily Fire Danger Rating

## Stay aware of the fire danger rating and know what to do.

Fire Danger Ratings tell you how dangerous a fire could be if one started. The higher the rating the more dangerous the conditions. Fire Danger Ratings feature in weather forecasts during the fire season.

Everyday you should:

- » Monitor conditions and official sources for warnings.
- » If a fire starts near you, take action immediately to protect your life.
- » Do not wait for a warning.
- » Adhere to local regulations governing fire activity.
- » Ensure any industrial and agricultural activities adhere to relevant guidelines.

To check your district's daily Fire Danger Rating, visit **cfa.vic.gov.au**, download the

**VicEmergency App** or call **1800 226 226**.

Total Fire Bans are declared by CFA on days when fires are likely to spread rapidly and be difficult to control.

On days of Total Fire Ban there are legal restrictions in force to reduce the likelihood of fires starting.

Victoria is divided into nine Total Fire Ban districts. Total Fire Bans are declared by district and you must know which district you live in. A list of municipalities that are located in each of the districts is shown in the coloured boxes.

For more information on Total Fire Bans and fire restrictions please call the VicEmergency Hotline on **1800 226 226** or via National Relay Service on **1800 555 677** or visit **cfa.vic.gov.au**

For more information please visit the CFA website at [cfa.vic.gov.au](https://cfa.vic.gov.au) or phone the VicEmergency Hotline on 1800 226 226 or via National Relay Service on 1800 555 677
