Dear Members and wider Community

It appears that Covid- 19 will continue to disrupt our lives in one or more ways for some time.

While the Association has moved forward in many areas, the challenges continue to grow with cost increases on most fronts that make planning future events almost impossible. The only comfort you have is that nearly everyone else is in the same boat.

That said, we are planning two main events in the next 12 months.

**1) The End Of Year Community Celebration. Saturday 04/12/2021.**

Commencing with an Art and collectables Market during the day, followed by: the Association's traditional Community evening BBQ, including Carols & Santa and some live listening music.

**2) The End Of Summer Surf Festival. Easter Saturday 2022**

The event will include Art and Collectables Market Fair with music throughout the day and evening, supported by a major raffle and Fishing Competition.

**Stallholders** for each event:

**Golden BeachTown Centre Plan**

The Association has begun preparing a draft Town Planning Application for stage one of The Golden Paradise Beach Community Tourist Park, which primarily is an extension of the existing facilities in place.

The main priority for this phase is to continue to work towards meeting the future requirement of the Residential Tenancies Act.

We will shortly undertake to engage a draftsman to map this phase of our plan as soon as Covid-19 gives us a little space.

# ART BY

# THE SEA (c)

The Associations Committee Of Management, over 18mths ago, decided to undertake a review of its Arts program (ART BY THE SEA) and a number of its other services.

The Art By The Sea program was suspended while considering how its operation could continue with reasonable success given some limited outcomes at that time.

Andrew O'Rorke (Secretary) and I have now established some NEW parameters that we believe will provide some permanent and positive outcomes for the GPB Community and Artists.

The new planned programming will include:

- 1) both indoor and outdoor arena's
- 2) permanent and revolving art displays
- 3) Artwork will be from a mixture of style type and product
- 4) New digital art display platform
- 5) Embracing Indigenous cultural art

Whilst we concede the recess has been overly long, we have had to ensure we would have all the necessary permissions to where and how we could undertake the above.

Covid-19 created a period of long delays in establishing the permissions from many area's, and we are still experiencing time drag issues.

## **NOW IMPLEMENTING THE FUTURE DEVELOPMENT**

The Associations Secretary Andrew O'Rorke is now establishing an Exhibiting Artists Register; those interested parties, please send an email to: [art@goldenbeachgippsland.com.au](mailto:art@goldenbeachgippsland.com.au) requesting a registration form.

The Association will also collaborate with this group while shaping the Future Art By The Sea program.

Hi to all

We finally made it to Walhalla, after an 18 month wait due to Covid restrictions. We enjoyed a trip on the Walhalla Railway down to the river, and then on the return trip, member Marion Stokes got to ride in the cabin and toot the horn.

After lunch at the pub, some of us had a guided tour through the Long Tunnel Gold Mine, which in it's heyday, was one of the biggest mine in the state, with lots of gold extracted. Although the day was cold, the sun was shining, and it was a most enjoyable day.

It was interesting to compare the Walhalla we saw then, to the Walhalla after the recent massive rainfalls, where water was gushing down the main street and there were some rockfalls that blocked the rail line.

We held our annual Anzac Day Commemorative Service, with staff from the East Sale RAAF Base joining us again. After the ceremony, we adjourned to the Golden Beach Community Centre for some wonderful refreshments. Thanks to everyone who brought a plate to share.

We've just had a great day out. We had a wonderful lunch at the Nicholson Hotel, and then on to visit a Museum near Paynesville, and have afternoon tea. Thank you to Margot Fallscheer for organizing our visit to see her brother's collection. There were some things that interested everyone, be it the gorgeous vintage cars, the memorabilia from wars, or a special something that caused some interesting reactions, but I can't mention it here – you'll have to ask someone who was there what it was!

Our AGM and BBQ lunch is on Tuesday 10th August at 12 noon at the Golden Beach Golf Club. Please come and share a meal with us, and hear what we've done, what's on the calendar, and make some suggestions about where you'd like us to visit.

Coming up in September we have a visit to the Maffra Car Museum, and in December our Christmas Lunch will be at the Tinamba Hotel, which recently won a number of awards for it's meals and service.

More news on upcoming events are always posted on our Facebook page, Golden Beach Senior Citizens Club. Membership is still just \$10, and new members are most welcome.

Chris Young (Secretary)

Good day to all.

We are pleased that except for the recent lockdown we have been able to move forward with various plans for the Shed. Work inside the Shed has progressed, the Office is now complete except for a coat of paint. Many thanks to all who contributed to this work, including the lovely blue carpet. The door for the Meeting room is on, meaning we can now shut out noise from the workshop for meetings. Several of the machines have been serviced and updated.

John Cassidy and Phil Coster have attended Traralgon Men's Shed to update their workplace qualifications successfully. This allows us to start running classes for anyone who wants to come in and utilise the machines to make items. There has been interest shown by local ladies, so a lady's session is definitely planned in the near future.

Many thanks to all who continue to support us. A special thanks to the Golden Beach General Store, Lisa's Hair and Beauty, Wellington Food Relief, Sale Greyhounds, Bunnings Sale. Thanks to your generosity, the Shed now has a brand new air compressor, a variety Ryobi tools and an assortment of much-needed hand tools. We would also like to thank the Australian Government Department of Health National Shed Development Programme (NSDP) and the Australian Men's Shed Association (AMSA), from whom we recently received a \$1845.00 grant. The Shed now has a brand new laptop computer, printer and Makita compound Mitre Saw. All items very much needed and greatly appreciated.

We have had many requests for items such as Charcuterie boards, Bird nesting boxes, Bat boxes, Tables and recently Park Bench Picnic Table and Chairs sets. All items have been extremely popular. We now have orders for several more.

Christine Nunan was unable to continue as Secretary. The secretary position is demanding and often hard to fill. Derryn Paul has offered his services and is quickly adapting to the position.

Unfortunately, our Official Opening has been put back until October 8<sup>th</sup> mainly because of COVID. Further information will be available closer to the time.

Cheers.

John Cassidy, GPBMS President.

# Are you burning-off safely?

CFA GOLDEN BEACH 3851  
Community Information Guide  
Scan the QR Code

For many people, burning-off vegetation is an effective way to prepare and maintain properties. Unfortunately each year CFA crews are called out to help people who lost control of their burn-off.

Here is some simple advice to stay safe when burning-off.

## FIRE DANGER PERIOD

You can only burn-off if you have a written permit issued by the Municipal Fire Prevention Officer or the CFA District Office.

## TOTAL FIRE BAN DAYS

All fires in the open air are banned during Total Fire Ban days.

Any permits are suspended for the duration of any Total Fire Ban days.

Have you checked your council's local law regarding when and where you can burn off?

You need to check your council's website for local laws to ensure you're allowed to burn off. Your council may have regulations and certain days that you can burn.

If CFA has declared the Fire Danger Period for your municipality, open air burning is prohibited unless a specific permit is obtained. Fines for burning off during this time without a permit can be up to 120 penalty units and/or up to 12 months' jail.

Have you checked the weather?

Check weather forecasts for the day of your burn-off and a few days afterwards. If more than light winds you should postpone your burn-off.

Also check it won't be too windy on following days, as the wind can reignite your burn.

Do you have an adequate water supply?

You need to have enough water to extinguish a possible outbreak. For small fires, it's recommended you either have access to a hose or at least 10 litres of water. For larger fires appropriate firefighting equipment and/or machinery may be required.

Clean up around your burn site.

Create a 3-metre clearance of all flammable material around your whole burn-off site.

Have you registered your burn-off?

Register your burn-off by calling **1800 668 511**. This will ensure CFA won't be called out unnecessarily to your burn-off.

Have you notified your neighbours?

Ensure you are considerate of your neighbours when burning off. Notify them if you are in close proximity and the smoke may affect them. Also burning items that are wet or green may cause excessive smoke.

Have you put it out properly?

Make sure there are enough people to monitor, contain and extinguish your burn-off safely and effectively. Ensure that your burn-off is completely extinguished before you leave it.

### Members & Friends

Fortunately Covid – 19 restrictions for regional areas were eased and we were able to get back on the green for social bowls before the end of the season.

Extreme wet weather since May has impacted on our bowls green surface after flooding several times. Officially the green is now closed until the end of July but this may be extended if wet weather delays necessary green maintenance.

Restrictions for indoor sport prohibited us from re-starting the indoor bowls program.

**Maintenance** Thank you to Murray and Tim for caretaking the green during winter. We appreciate the efforts by everyone to keep our green and surrounds well maintained.

**Social Bowls Wednesdays and Saturdays** from 1pm will re-start during August unless restrictions change. Green Fees apply. Sign in via the QR code at the club. We hope to see you on the green sometime soon.
