Hi to our members and the wider community

ART GALLERY

The Art Gallery and Welcome Information Centre Town Planning Application have gone through all the due processes, and we hope to soon commence the building process.

This project was tested based on a lack of Community Support and it is now proven without a doubt, that there is significant community support.

Thanks to some very generous private donations (non-business) Artists in the Golden Beach area will receive a facility that will show their art in more suitable modern dimensions.

Additionally, the general Community along with increased tourists will have access to another asset that they can visit and enjoy.

The Art Gallery and Information centre will complement the holding of Markets such as the hugely successful EOSSF Easter Saturday market.

Our Secretary Andrew O'Rorke has been hard at it creating a specific website for the Art By The Sea Gallery along with programming for the Digital display screens that will also be a part of the Gallery area.

BASKETBALL COURT UPDATE

Thanks to a successful Wellington Shire grant application installation of seating at the basketball court will commence towards the end of July.

The Association's second step toward bringing 3X3 Basketball to Golden Beach.

WHAT IS 3X3 BASKETBALL?

EOSSF (End Of Summer Surf Festival)

Last Easter we witnessed what the future event will look like with sponsor interest already growing, the Ninety Mile Beach Fishing Competition will be much more centre stage as a result. Our thanks to the sponsors that helped make it possible: Wellington Shire council, Win TV, Sale Mazda, Golden Beach General Store, BCF Traralgon, Robyn Toogood Real-Estate, Ryan Lestrangle, Golden Beach Real Estate

NEW MEMBERS WELCOME

If some of the Association's projects long term/short term are of interest to you and you would like to get involved? An Application Form is on the next page and or email the Secretary at secretary@goldenbeachgippsland.com.au. for information.

Hello to all.

As a part of the End of Summer Surf Festival, we held a successful Market Day at the Shed. With plenty of visitors to the district for Easter, our wares were very much in demand. The Book Container also attracted some good attention.

On the day, we sold tickets in a Mother's Day Raffle. It was won by red ticket #025, in the name of Jean. She was excited to hear the news and expects to pick up her prize the next time she is in Golden Beach.

We have also been successful in the construction of five picnic tables for the Wellington Shire Council (WSC). These are going into public spaces throughout the region. We are hopeful that we will gain further orders from WSC.

As a part of our ongoing offerings, we have orders for another two of our All-Ability Access Picnic Tables. Our bat boxes and ash chopping boards also continue to be popular.

We have received very positive feedback from the George Gray Centre, Maffra, who cater for people with varying levels of intellectual and/or physical disabilities, with an enquiry to add an extra day for another group of participants. At our June General Meeting the members agreed to make the Shed available to the group on Tuesdays in addition to Thursdays.

We were fortunate, earlier in the year to receive a lathe, donated by Dr. John Monash of Sale. We have now purchased the necessary accessories that will allow us to take full advantage of this machine. The members are very much looking forward to creating some turned items.

We will be holding our AGM on Saturday 2nd of July. A reminder to members that membership renewal is due by Friday 1st to participate in the meeting. Also, nominations for positions on the board are due by Friday 24th June. The AGM will be followed by a sausage sizzle for members.

It's been a busy time at the reserve with mowing and general maintenance keeping the committee and volunteers very busy. Walking tracks have been cleared and we are starting to clear around the boundary of the oval. This project will take several weeks.

We have a permit to burn green waste when conditions are favourable and we still have an excess of mulch for gardens. Bring your own trailer and garden fork and help yourself.

Wellington Shire Council provided funding to raise the level of the entry drive above last year's flood level. Thanks to Craig and his team for taking on this project.

VMMR Licensed Bar & Bistro: We have a new recruit on board and welcome Paul, a qualified chef, who will be managing the kitchen for us. Renee has also joined us in the kitchen and we rotate the junior kitchen hands. The menu will be changing and we will be presenting new weekly specials.

Farewell and thank you to Sharon and Wilma who came back after lockdown to get us up and running. They did an amazing job under difficult circumstance with all the covid restrictions. We appreciate everything they have done for the club.

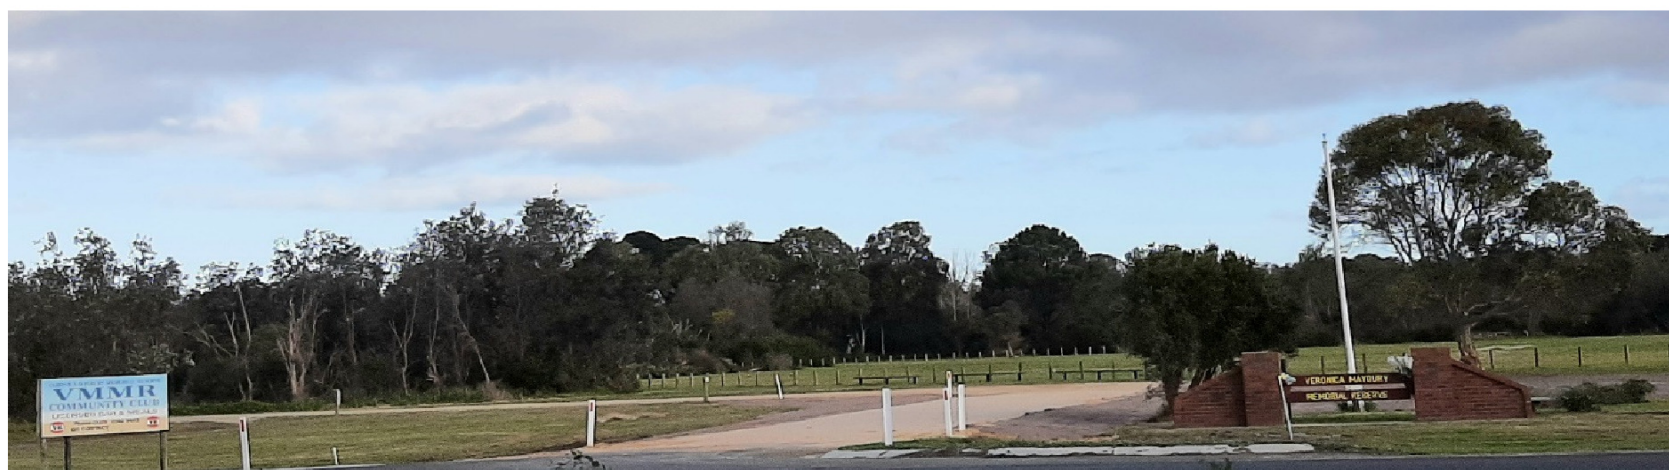

We have re-opened memberships and offer loyalty cards. We are having weekly raffles and thank the local businesses who support us with prizes. Funds from the raffle go into the Maintenance Fund for upkeep of the grounds and facilities.

We need community support for the Bistro to stay open and financially viable particularly in winter. Bistro opens at 5.30pm and the kitchen closes at 8pm.

There are two vacancies on the general committee, so if you have time available to volunteer, then please come and have a conversation with any of the committee.

Autumn was a time of community celebrations with events at the community centre and other activities over Easter.

During this time the VMRR held their Cent Night fundraiser, the successful Easter Art Show was run by local artists Barbara and Sonja, a wedding reception was held for Janet & David, refreshments after the Anzac Day memorial service were hosted by the Paradise & Golden Beach Senior Citizens, the hall was a polling place for voters and a Celebration of Life service was held for Jennie.

In May we did not have the opportunity to celebrate Volunteers Week with our community. We sincerely thank all our local volunteers who contribute to organisations and activities at Golden and Paradise Beach. Thank you for sharing your time and expertise to help make our slice of the 90 Mile Beach a great place to live. We are very pleased to report that with Covid restrictions easing there are now more opportunities for community and family events in the coming months.

Regular weekly activities at the centre have changed slightly, the Book Nook & Craft have merged and the centre is open every Tuesday from 2pm to 4pm. A great opportunity to meet and discuss your favourite book, borrow a book or sit and chat while knitting for charity or making your own craft projects. Wool is available.

The Wellington Outreach Library service comes on Thursday 10-12. You can order your books on line through the library service and ask for delivery to Golden Beach.

We also offer a recycling service for print cartridges, pens, CD's, phones, and small size batteries. Drop them in the box at the front door.

At the end of 2021 Wellington Shire Council contractors conducted a building safety audit and a building maintenance audit. The report received in April indicated that the spouting will need to be replaced and a few other maintenance issues. Thanks to Gavin for stepping up and solving some of the recent plumbing maintenance problems in the kitchen and bathrooms, and for helping us plan for future upgrades.

For all hall hire enquiries please call M: 0422 219931 Hire Forms are available at the centre or via email on request.

Stay Safe, Stay Well, and support each other in our community.

Over the course of the last year our Working Bee volunteers every Monday morning have put in a great deal of effort and work into making our fairways and greens look outstanding. They are still working hard on eliminating and maintaining the holes caused by the rabbits.

Our newest improvement to the course is that the ladies tee's have been completed, the grass has begun sprouting and with a little more time it will look incredible.

Dear Park Visitor

DRAFT SHORELINE DRIVE LANDSCAPE PLAN - Gippsland Lakes Coastal Park

Tell us what you think

Following community consultation in early 2021, Gunaikurnai Land and Waters Aboriginal Corporation and Parks Victoria have developed a Draft Landscape Plan for the Shoreline Drive area between Paradise Beach and Seaspray in Gippsland Lakes Coastal Park. The development of the Shoreline Drive Landscape Plan is a key strategy identified in the Gunaikurnai and Gippsland Lakes Victorian Government Joint Management Plan for this section of the Gippsland Lakes Coastal Park.

The purpose of the Draft Landscape Plan is to ensure that the Shoreline Drive area of the Gippsland Lakes Coastal Park continues to be a place where visitors can continue to recreate and undertake fishing, camping, beach walking etc, while significantly reducing the harmful impacts that an increase in visitors are having on the cultural heritage, local ecology and visitor experiences. As visitor numbers to the region continue to increase, particularly during peak periods, detrimental impacts across the Park have become unsustainable. These visitor pressures are degrading the natural beauty of the Park. The proposed changes will include additional camping opportunities, increased facilities such as toilets, picnic and bbq facilities and car parking and be important to ensure Country is cared for and can be enjoyed for generations to come.

The Landscape Plan has considered the following uses:

- Day visitor and camping sites
- Boating access
- Beach Access
- Future aspirations of the Gunaikurnai people

Please find attached the Draft Shoreline Drive Landscape Plan Summary Flyer which highlights the guiding principles for the Landscape Plan and the proposed changes. The changes are subject to available funding and will be staged to support implementation.

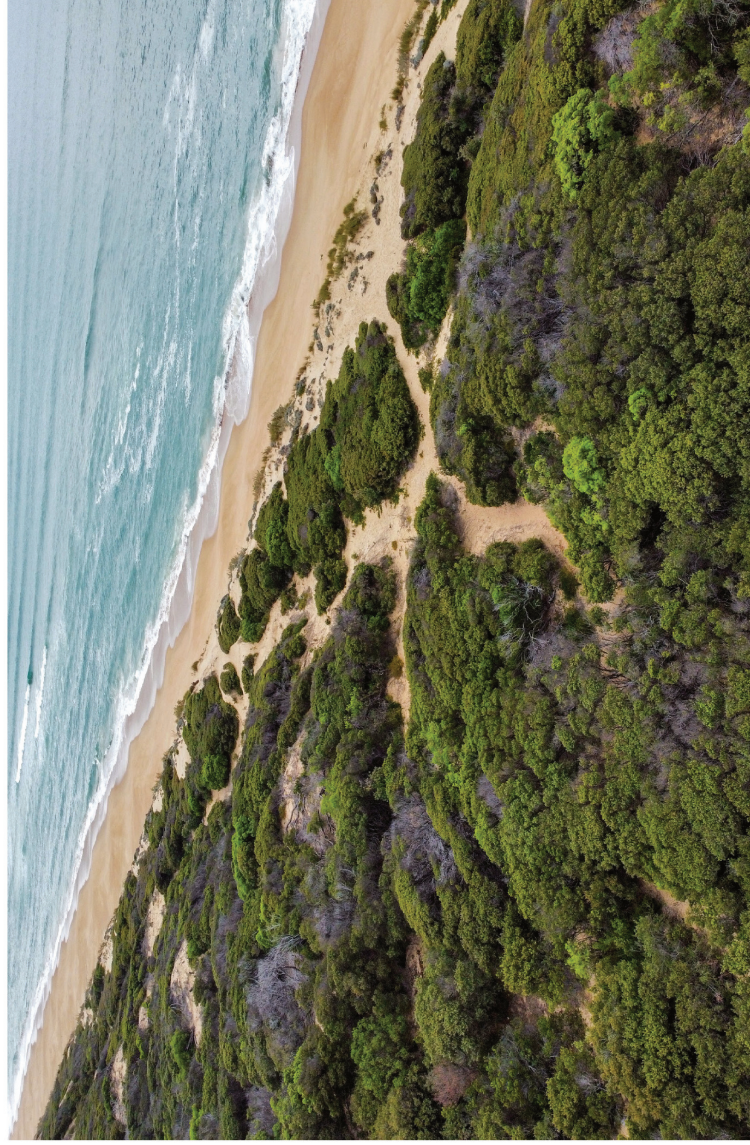

We would love to hear your thoughts on this draft plan. If you would like to access the entire draft plan or further information, please call or email the Project Manager - Matt Holland, Parks Victoria Regional Project Coordinator (Gunaikurnai) on (03) 8427 2503, or via email: matt.holland@parks.vic.gov.au.

We welcome any comments or suggestions by the 24th of June.

Please scan the QR CODE to view / download the following 2 summary pages

DRAFT SHORELINE DRIVE LANDSCAPE PLAN SUMMARY

Guiding Principles

Theme 1

Protect Aboriginal cultural values and formally recognise the enduring cultural history and heritage of the area

Theme 2

Implement ecological protection strategies to ensure preservation and rehabilitation of the coastal dune systems

Theme 3

Identify and create opportunities for Gunaikurnai Community to connect with Country

Theme 4

Define and enhance campgrounds to ensure long term sustainability

Theme 5

Improve amenities to support and promote appropriate recreational activities

Theme 6

Create a connected experience which encourages visitors to care for Country

Stakeholder Engagement

Initial stakeholder engagement sessions were conducted during the month of April, 2021. Over 120 respondents answered 10 open ended questions to offer insight into visitor types, cultural awareness, how users interact with the various sites and what facilities are lacking from Shoreline Drive. The survey demonstrated that stakeholders value close proximity to natural landscapes, convenient camping and easy access to the amenities; however, respondents see a need for greater rubbish management, general maintenance and more amenities (including toilets, campsites and picnic areas).

Purpose

The purpose of this Landscape Plan is to ensure that the Shoreline Drive Area of the Gippsland Lakes Coastal Park continues to be a place to access recreational opportunities, while significantly reducing the harmful impacts that visitors are having on the cultural heritage, local ecology and visitor experiences. As visitor numbers to the region continue to increase, particularly during peak periods, detrimental impacts across the ecological and cultural landscape are being amplified to unsustainable levels. These damaging use patterns are subsequently creating visitor experiences which do not fully celebrate the area. It is critical to implement protection measures now to ensure Country is cared for and can be shared in for generations to come.

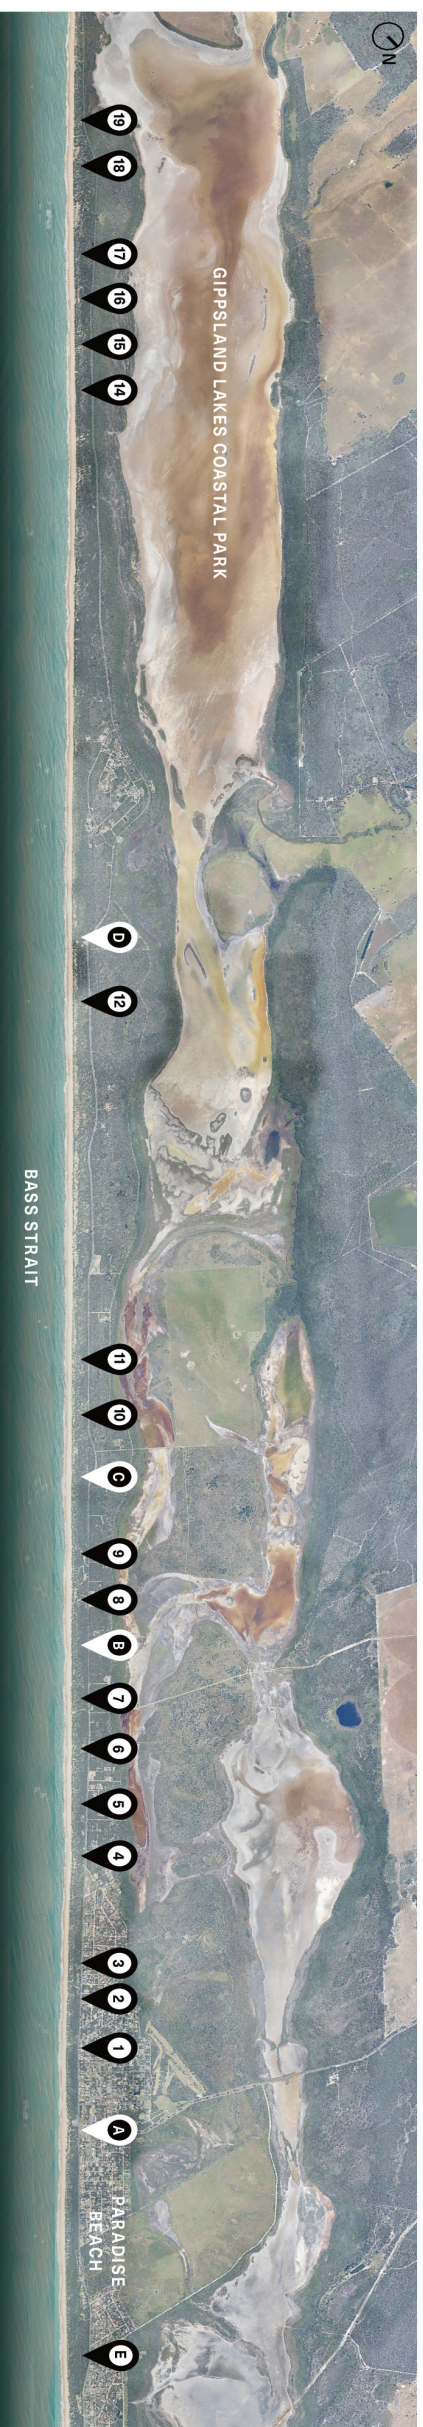

We acknowledge the Gunaikurnai as the Traditional Owners and custodians of the land, waters and sky where we live, learn and work. We pay our respect to Elders past, present & future, recognising that sovereignty was never ceded.

Gunaikurnai Land and Waters Aboriginal Corporation and Parks Victoria will continue to work together as joint management partners on planning for the future of Shoreline Drive.

Golden Beach Community Plant Nursery

A COLD WINTER FOR 2022

However The Community Nursery Will Continue To Open
Saturday Morning 9.30am to 12.30pm in June & July.
(Subject to Weather Permitting)

The Plant Nursery has now structurally evolved into a better working environment thanks to the many volunteers who have chipped in and given a hand.

An old Caravan has been replaced with a large shade structure that is being used for potting up new plants and a sales area. A recent addition was a Cement Mixing machine that is used to produce the Nursery's own potting mix. (a big thanks shout out to Ray)

We have now increased our stock holding to approximately 1000 plants consisting mainly natives with a mixture of some old fashion favourites.
On order is a Green House Tunnel to improve future tube stock development.

We are also appreciative of the bequeathed donations from past members Evonne and Dot that have replaced the old Shade sail with a permanent structure that now has automatic sprinklers This helps reduce the need for Volunteers to water during hot summer periods and protects the plants.

As we continue going forward the plans are shifting towards providing an office and an area for more social activities within the Nursery.

If someone has a pot belly stove they would like to donate? it would be greatly appreciated and help us get thru these cold periods.

(A Business donation would be well promoted)

All too often we miss thanking our very patient suppliers that have helped bring the Nursery to this point.

BUNNINGS (SALE)

SALE GARDEN SUPPLIES

BRANICO EARTHWORKS

PK EQUIPMENT (SALE) PLUS

ALL THE LOCAL GREEN THUMBS THAT PROVIDE THOSE SPECIAL CUTTINGS.

We also acknowledge the many tradies advertising in this newsletter that have also contributed to the Nursery at some point.

A BIG BIG THANK YOU

Volunteering At The Community Plant Nursery

All active volunteers who work within our designated areas are covered by insurance, to maintain cover you are simply required to join as a member (NO FEE REQUIRED) and sign in each work occasion. Unfortunately, there can be NO casual exemptions.

We have now established a free small personal tool kit that we issue you approx.4 weeks after joining.

Come on down and have a chat with Hilary and join us, the next 12 months will be exciting and rewarding.
