ART GALLERY

The construction has commenced at the foundation level with the builder commencing the framework in the next couple of weeks.

There will be some temporary disruption to some areas of the CTP including the closure of the Open Garden Area, this is mainly for safety and security but will only be very short term.

We are under heavy pressure with build costs as inflationary increases have already eroded some of our buffer budgets. We are continuing to raise funds and find Sponsors, if you would like to support this project please contact the Secretary.

EOSSF

The Easter Festival went well even with the weather turning foul Saturday evening. A big thank you to all the sponsors and to those that purchased the Monster Raffle tickets. The Event helped raise approx. \$3000, which will be used to support the Art Gallery and CTP Toilet projects.

Members & Friends

Heavy autumn rain was great for tanks and gardens but our green was flooded and we now have some work ahead of us to get it back in top condition.

I was very fortunate to be the recipient of the Annual VMMR aggregate trophy this season. Thank you to the VMMR committee for providing this award to the Bowls Club.

Thank you to Laurie & Will from Golden Beach Real Estate for sponsoring our scorecards. This support is much appreciated.

Winter weather allowing we will continue social bowls on Wednesdays and Saturdays.
Social Bowls Wednesdays and Saturdays Arrive at 12.45 for a 1.00 pm start.

Visitors are always welcome. Green Fees apply. We hope to see you on the green sometime soon.

RELEVANT PERSONS CONSULTATION ON PETROLEUM ACTIVITIES ONSHORE & OFFSHORE VICTORIA

We are Cooper Energy - an ASX listed Australian energy company. We were Australia's first **Climate Active Certified** Carbon Neutral domestic gas producer. We have been a **Carbon Neutral Organisation since 2020**

We find, produce and supply natural gas to help meet the energy needs of Australians. We have done this for over a decade. We do this with care. Government projections indicate natural gas is and will remain a critical part of the energy mix in south-eastern Australia for decades to come. We plan to continue supplying natural gas to help meet domestic energy demands for as long as homes, businesses and industry need it.

What are our activities?

Cooper Energy's Environment Plans provide for ongoing offshore subsea gas production from the Otway (Casino, Henry, Netherby field) and Gippsland (Sole field) Basins. They also cover our plans to decommission (plug subsea wells and remove infrastructure) our non-producing Basker Manta Gummy (BMG) fields 50km offshore in the Gippsland Basin. This will ultimately allow the resumption of full access to fishing and other third-party marine activities once the gazetted BMG petroleum safety zones are revoked.

Cooper Energy also operates "major hazard facilities", these being the two domestic gas plants at Orbost and Port Campbell, along with their associated pipelines.

Why are we reaching out?

We develop new environment plans for proposed activities, and revise our environment plans for ongoing activities every five years, so we would like to consult with you if you think your functions, interests or activities in coastal or marine areas offshore Victoria may be affected.

Please visit <https://cooperenergy.wixsite.com/coeoffshore> to determine how you might be affected, and contact us at stakeholder@cooperenergy.com.au or via the webform so we can consult with you if you believe your functions, interests or activities may be affected.

Welcome to Winter

The Coast Along Art Show, held in the main hall over Easter, was well attended and showcased the works of local artists.

Recently the Paradise & Golden Beach Senior Citizens Club held 4 sessions of indoor carpet bowls in the main hall. The group had lots of fun and it was great to see the space used for this activity. We hope there are more sessions planned for the future.

The Royal Flying Doctor Service held an information session to announce they have partnered with Central Gippsland Health to provide the RFDS Community Transport service for Central Gippsland. For information Contact RFDS on P:03 7046 4664

Book Nook & Craft – Tuesdays 2 – 4pm

There are lots of knitted garments being created ready to forward on to the missions. If you would like to contribute your skills you can join the group any Tuesday in the meeting room. Or just come along for a chat and make new friends. While there, browse the Book Nook free library service available on Tuesdays. Everyone is most welcome to attend.

Wellington Outreach Library service is open Thursdays 10-12 – Pre-ordered library books can be collected from this venue.

As part of the WSC Risk & Maintenance program, the kitchen and bathrooms at the centre are getting a facelift, with fresh white paint on the walls. New flooring in the wet areas, to bring it up to standard, is on the “to do” list for later this year. Safety checks have been completed for gas and electrical appliances as required by Council. Plans have been drawn up for a porch to protect the double exit doors from extreme weather conditions coming up off Bass Strait. Local tradies have been used wherever possible for the work at the centre.

The GB Men’s Shed are quoting on building fitted bookshelves in the meeting room to make better use of the space and showcase the hundreds of books available to the community.

Wellington Shire Council held a series of Thank You events during National Volunteers Week 15-21st of May to thank volunteers for all the wonderful work they do in the community. At Golden Beach there are so many community organisations that benefit from the work and support of volunteers. Thank you all for your contribution! The Community Centre committee are always looking for volunteers to assist in minor maintenance, or people to join the committee to help plan future use of this great community space. Even if you only have an hour a week to volunteer, we would be grateful for your help.

Recycling - Don’t forget we also offer a recycling service for print cartridges, pens, CD’s, phones, appliance batteries etc.

Stay Safe, Stay Well, and support each other in our community.

Thank you to our volunteers who have been busy mowing and clearing excess vegetation to keep the walking tracks clear. We have a permit to burn green waste when conditions are favourable. Wellington Shire Council are responsible for keeping the fire breaks clear around the perimeter of the reserve.

The committee have also been busy co-ordinating annual safety checks and ensuring maintenance items are being addressed to comply with Council requirements.

A huge thank you to Lisa from Spoil Yourself Hair & Beauty for supporting our Easter & Mother's Day raffles. The money raised goes into the Maintenance Fund for improvements to the reserve. The Mother's Day Raffle was won by Mick with a Blue ticket R17. Second prize was won by Julie with Green ticket V 33. Thank you, everyone, for your support.

The renovations to the all-abilities ramp made possible with funds from Wellington Shire Council, are almost complete and landscaping has commenced. (pic on left)

VMMR Annual Aggregate Trophy

Each summer the VMMR sponsor the Bowls Club Champion Aggregate prize. This year the winner is Murray Bodsworth.

Congratulations to Murray who is pictured on the right receiving the perpetual shield and trophy from VMMR Chairman John Hayes.

VMMR Licensed Bar & Bistro:

We need community support for the Bistro to stay open and financially viable, particularly in winter. The Bistro opens at 5.30 pm and the kitchen closes at 8.00 pm. Bookings are preferred. We can cater for special dietary requirements if provided with information at the time of booking.

Thank you to Golden Beach Real Estate for providing drink coasters for the bar and bistro.

There are two vacancies on the general committee of management, so if you have time available to volunteer, then please come and have a conversation with any of the committee.

Winter has arrived with a vengeance, unfortunately, we found it necessary to close for two weeks due to the inclement weather.

Just a **big shout out to John and Jude** from RAINBOW REST ACCOMMODATION (Mb 0487-391-365) who last year donated the Plant Nursery a Pot Belly Stove, it has already been fired up this year and we really appreciate it, thank you once again.

We have just finished preparing a wide variety of over 100 new plants ready for spring this year.

There is a small stock of advanced trees, Leucadendrons and Westringias available that are ready to plant now. Drop in and have a look, this lot is very nice

We are continuing to improve the site infrastructure to handle a wide variety of plants that now will include increased stock of advanced Trees and Bushes.

Welcome to Winter!

Over the past few months, club members have been active in a number of activities, the first of which was a fantastic Mystery trip, taking in the back blocks of Sale, dinner at the Sale Bowls Club and culminating with an hour or so at the "Lakeside Rockers" dance in the evening.

Carpet Bowls were reintroduced as a trial for all the community, being run fortnightly from April 16th for four sessions. Participants enjoyed friendly competition, with much mirth being had by all. It is uncertain if the bowls will be continued after the trial period. Keep your ears open.

Anzac Day is a major event on both the clubs and the communities' calendar. Each year the Seniors organise this event for the whole community. It was pleasing to see such a large group of locals and visitors alike in attendance.

The RAAF contingent, and local volunteers, must be given a huge thank you for their contribution towards the success of the day.

Christmas in July is to be celebrated at the VMRR on Sunday July 23rd. Members of the community are invited, subject to available seating.

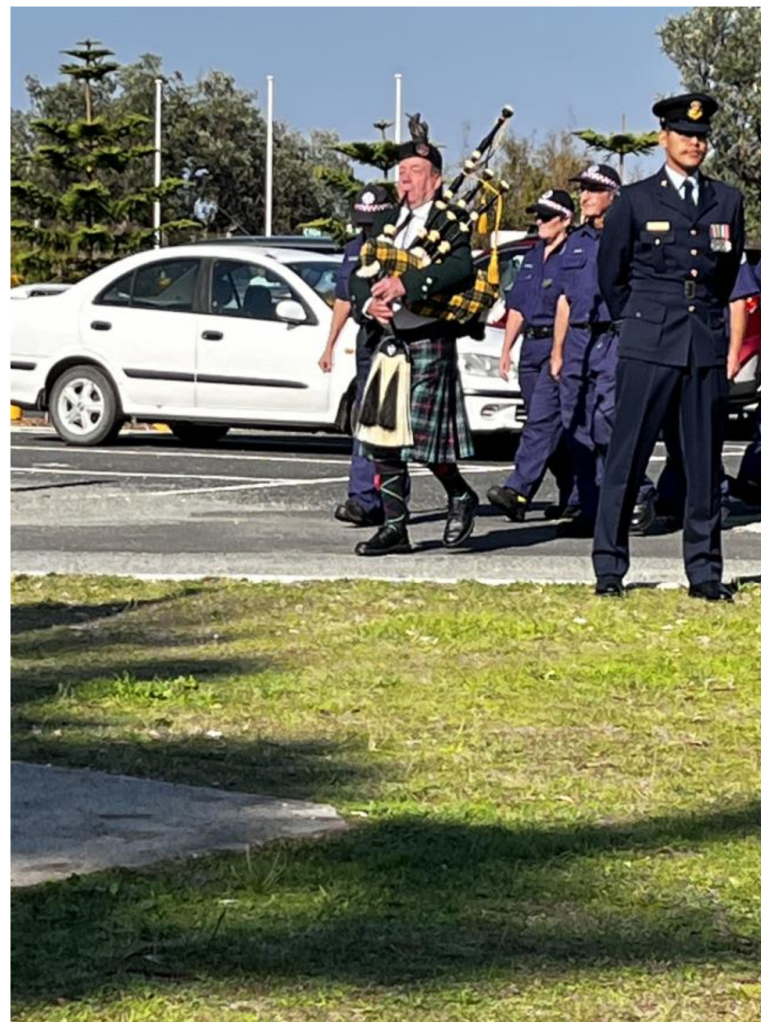

The Annual General Meeting of the club is to be held at the Golden Beach Golf Club rooms on Tuesday, August 8th.

Only financial members are able to nominate for positions and to vote.

The current President, Vice President, Secretary and Treasurer will not be standing for re-election.

This is an ideal time for new blood to be introduced so this great club can continue. Without positions being filled, the club will be forced to disband.

That would be a huge loss to the community.

Welcome to Winter.

As a part of our ongoing commitment to the safety and wellbeing of our members, during March we undertook to complete a long-awaited project.

The completion of this has allowed better access and use of space within the shed, removing the need to climb ladders to retrieve material required to complete some projects.

We continue to be busy with the all-purpose picnic tables that we produce, but there is more to the shed than these tables. We have been contacted by the Community Hall Committee and some ladies from St. Annes Church, Golden Beach, to discuss the undertaking of some projects for them.

Also, we are always on the lookout for new ideas and help. Our Monday turning group is learning new skills on the lathe and despite some setbacks, much enjoyment is being had. Keep an eye out for some turned objects for sale soon.

We will not survive without the members' input. So, if you want to see the Shed to continue, come in and see us, have a chat, a cup of tea or coffee and see how you can help.

Just a 50 metre walk across the road from the Famous Ninety Mile Beach Vic

Golden Beach Fire Brigade

Rainbow Rd Golden Beach Vic 3851

The Brigade has been quiet (look out – I've said the "Q" word) over Autumn with just a couple of support calls to help neighbouring brigades.

Our Elections were held in April and all Office positions remain the same – Paula Grosveld, Captain, Gerry Wassink, 1st Lt., Colin Price, 2nd Lt., Leanne Dempster, 3rd Lt. & Secretary. Linda Doward is in the position of Brigade Community Safety Co-ordinator. Some of you may have met Linda at the End of Summer Surf Festival while she manned the new CFA Community Education Van. Thank you to everyone who came to the Van for the updated information.

As part of Linda's role, she has asked that the following be included as a reminder to our residents who may be thinking of doing a bit of clearing:-

The Townships of Golden/Paradise Beach require a "Permit to Burn" all year round. Call **Wellington Shire** on **1300 366 244** if you are unsure of how to apply. Providing your application is successful, (there are stipulations) a permit is usually issued within 10 working days. (You cannot ring Friday and hope to get a Permit for that weekend)

Once you obtain a Permit, **Register your burn**, no matter how small, with the **CFA Burnoff Notification Line – 1800 668 511**. The Brigade may be called if you do not register. Volunteers regularly stop what they are doing to turn out to unregistered burns.

Always monitor weather conditions – what is the forecast for Today, Tomorrow and the next day – is it safe for this whole period?

Have you cleared a **3-meter perimeter** around your intended burn?

Do you have a plentiful, easily accessible **water supply**?

Do you have the means to control the burn? – **Man power, rakes, shovels, buckets etc?**

Do you have a **phone available**, with reception, to call **000** should you need to?

With Winter right on our doorstep, it is hoped your method of heating has been serviced and ready to keep you and your family, safe and cosy all Winter long. These would include, but not limited to:- Combustion Heater – Flue Cleaned, Fire Box cleaned and inspected for damage; Gas heater – Service by a Registered professional; Reverse Cycle - Filter inspected for damage and cleaned; Electric heaters, whether Panel or Fan, the wiring must be inspected for damage and any dust and debris removed from the mechanism. If repairs are required, please seek the advice and services of professionals

PREPARE – ACT – SURVIVE... It's vital you have a Fire Plan when you need it – If you already have a Fire Plan, please take the time to Review it, Practice it and make changes if necessary.
