cleaning

Cleaning

In this video, we discuss the different types of cleaning and the importance of preparing surfaces for painting. We go in the field to see how professional painters keep homeowners' belongings protected, and how contractors remain safe when preparing commercial projects. This video demonstrates the Trade Best Practices for prep and cleaning.

<https://www.pcapainted.org/training/#episode-3>

Taping

In this video, we discuss the different attributes and types of tape. We also go out in the field to see how companies tape trim and baseboards. The Trade Best Practices for application and the differences between tape types are demonstrated.

Quality is our demand!
