What Sid is saying about Waymon.

I have known Waymon for approximately 40 years. I first met him when I worked at a local bank, where he was a very good customer. Some friends of mine recently listed their house for sale with Waymon and he had it sold and closed in less than a month. They had previously listed with another broker for 6 months with no results.

I own some rental property and recently decided to sell some of the apartments. I listed the property with Waymon and he had 2 offers in the first week, with other offers following. We now have a contract and a closing date set in a few days. I have other rentals that I plan to sell and I would not consider using any other broker. Sidney Porter.
