PRICE BUSTER

The MRC Price Buster series focuses on a single, powerful promise for vacant lot owners: **The absolute best price, the highest quality, and the fastest construction speed.** No competitor beats our price for a high-quality, permanent home.

The Three Pillars of the Price Buster Policy

Best Price Guaranteed

Unbeatable baseline pricing for brand-new concrete block homes.

Strict cost controls to outprice any competitor in the market.

High equity potential for investors and residential lot owners.

Premium Block Quality

Built entirely from durable, long-lasting concrete blocks.

Maximum storm resistance against severe Florida weather.

Superior energy efficiency to keep long-term utility bills low.

Fast-Track Construction

Streamlined, efficient building process to reduce construction time.

Simple, smart, and highly functional rectangular floor plans.

Built quickly so owners can move in or rent it out fast.

Key Selling Points for Customers

Zero Land Cost: Built right on the lot the client already owns.

Instant Investment ROI: Turns a vacant, tax-draining lot into a cash-flowing asset.

Turnkey Block Strength: No cheap wood framing; every home is solid concrete block.
