Over the years, the Fort Worth Stock Show and Rodeo has changed in size and scope. It's undergone several name changes and has added events to accommodate the new space. As it continues to expand, who knows what records it will break and who else will receive inspiration from this special event.

Sophie Alvie, an 8th grade junior high student, attended with her 10 month old Heifer placing 7th of 50. Below are a few photos of her at the Heifer Show.

The

Breakfast Lab

Mrs. McClure's Culinary Arts class participated in a Breakfast Lab. Students edited a classic breakfast recipe to make it their own. For the lab the students cooked stuffed biscuits. The biscuits were stuffed with egg, sausage, and cheese.

Bible Study

"It is wonderful that Cushing Junior High has a Bible Study on Thursdays from 7:40 to 7:50 a.m. I am delighted that our school provides this opportunity for students to come together and learn about the Bible and its teachings. It is a great way to foster a sense of community and spiritual growth." - Chance Lewis, Senior
