New Consignors Welcome!

NHValleyArtisans.com

New Hampshire Valley Artisans

In 1980, it was suggested to Alison Parodi that she tap her network of “crafty friends” and rent the rustic building at 10 Goboro Road in Epsom. By the spring of 1981, New Hampshire Valley Artisans craft co-op (NHVA) was open for business with 22 participating artisans. For 38 years from May through December, the shop welcomed local friends, leaf-peeping visitors and holiday shoppers seeking quality handcrafted items, made exclusively by New Hampshire artisans. In 2020, the pandemic kept the shop shuttered. Like so many small businesses, Covid hit NHVA hard and very nearly put an end to the four decade endeavor.

Thoughtful deliberation focused on the safety of customers and staff fueled the decision to open the doors again on Friday, April 30, 2021. In May, hours will be limited to Friday, Saturday & Sunday from 10-5 and will expand as the threat of Covid-19 retreats. The artisans of NHVA are proud of their long history of providing Granite State artisans a place to share their wares with a community of appreciative customers. But the unvarnished truth is this: if Valley Artisans is to survive, they are going to need your help. If you value this local treasure and want to see it live on, be sure to spread the word about it in support of the talented artisans it represents within its cozy confines.

New consignors and members are always welcome. Please visit their website at <https://NHValleyArtisans.com> for more information about selling your handcrafted items at NHVA.

Please go to our website at HillLibrary.org to find details about our services and programs.

For families, we offer several virtual programs for children on a weekly basis. We have Birthday Baskets that are delivered to celebrate local babies' first birthdays and introduce them to the library. In fact, anyone with a library card receives a free book to keep on their birthday. We encourage families to enroll in our Read 1000 Books Before Kindergarten program. We have a toy lending library that has toys, board games, puzzles, snap circuit kits, nature exploration kits, and adventure backpacks. We host a fun Summer Reading Program with online and take-home activities for adults and children each summer. Last year, the Hill Library started a

Children's Community Garden on the lot adjacent to the library. Volunteers, staff, and families worked together to cultivate the garden and in 2020 harvested over 130 pounds of produce, which was donated to the Strafford Food Pantry. We hope to top that in 2021.

For adults, the library offers books, DVD movies, CD audiobooks, jigsaw puzzles, and downloadable audiobooks, magazines, and ebooks. The Friends of Hill Library sponsor a museum admission reimbursement program and also provide free copies of Bookpage to our patrons. We have a vast NH Collection which has many materials related to local history, maps, and points of interest. You can even borrow a high-powered telescope from the Hill Library, along with materials about stargazing.

The library postponed many groups during the winter months. With warmer weather approaching and restrictions lifting, we plan to start up our yoga classes, children's storytime and music programs, after school programs, author visits, cribbage and mah jong groups, political gatherings, sewing and craft groups, poetry groups, drive-in movies and book discussions. Until then, please access all of our virtual services that can be found on our website and Youtube

channel. The Hill Library also sponsors a Little Free Library, located on Water Street across from the dam, where anyone can find a book to read for free.

You can borrow any of our library materials by ordering online or by calling the library. We offer front-door pick-up and delivery. Currently, the library is opening for browsing two days a week and offers families the opportunity to make an appointment to safely browse alone in the library one day per week. In addition to over 14,000 items to borrow, the Hill Library offers Inter-Library Loan services, federal tax forms and instructions, U.S. Passport Application Acceptance, Notary Public Services, free wifi 24/7, print, copy, fax, and laminating services.

We are happy to help you. Please call us at 603-664-2800 or email the library director at pholman@hilllibrary.org.

“Homes with a Heart”

Angelview is the philanthropic vision of owner/managing Broker, Angela Boyd. It is important to her that she and her team share the same caring spirit and commitment to support the community in every transaction. We call this promise “Angel’s Angels.” Our real estate agency proudly dedicates 10% of the brokerage proceeds to a charity or cause of our clients’ choice at the closing of every transaction. This donation is made in our clients’ name.

Time For A Change?

The spring real estate market ahead continues to be strong and competitive. Are you a home owner considering the prospect of selling your home and capitalizing on the current market?

Angelview Realty is a full service agency that offers foremost support to our home owners through the entire process. We will analyze and prepare a comparative market analysis report, and offer a range of suggested listing prices. We proudly represent you and your home by being present for all showings, inspections and everything in between until the day the keys are passed to the new owners.

Looking to purchase? Be it a first home, up or down-sizing, vacation destination or relocation we promise to guide our Buyers as to what to expect as they begin their journey. We research and visit prospective homes together, advise and negotiate on your behalf, explain paperwork, and accompany you through the inspection process. As we all gather around the closing table, you will be confident your best interest has been preserved.

Our agents are anxious to meet you and learn about the plans for YOUR “home with a heart”. Each move has an emotion behind it, we understand all those reasons are a significant and new beginning for you. We invite you to visit our website to learn more about us, or call the office at 603-568-7089 Angelview Realty, welcomes you. www.angelviewre.com

Public Service

I’ve been in discussions with the Suncook Valley Business Directory concerning publishing a limited number of editorials in their directory. They have gracefully decided to help us fill the void created when the Sun paper went out of business. Over their next few issues they will accept on a trial bases a few editorials no larger than 250 words. Let’s try not to overwhelm them while they get their feet under this new business model. If we can make this work it will fill large void and give us a location to raise and discuss local issues. I know I have talked to a number of residents who expressed their concerns over the lack of a neutral forum since the Sun went out of business. Let’s all thank the Suncook Valley Business Directory for offing this service. To all the businesses in town remember they are a business directory at their core, so if you have any advertising needs please use them. See contact info below.
