Baseball Is The Best Sport!

Why Is It The Best?

Baseball is the best sport and in this article I will tell you why. In my opinion baseball is the best sport and hopefully after you read this it will be yours too.

Baseball is the best sport because it can build teamwork and it is a fun experience. If you have lots of time you should do baseball!

My favorite position in baseball is pitcher and first base. They are both super fun positions. In pitcher you throw the ball to the catcher and try striking the batter out. In first base you try to catch the ball and get the person running out. when you are a batter you have to hit the ball and if you hit it you run the bases and try to get points for your team so you can win the game.

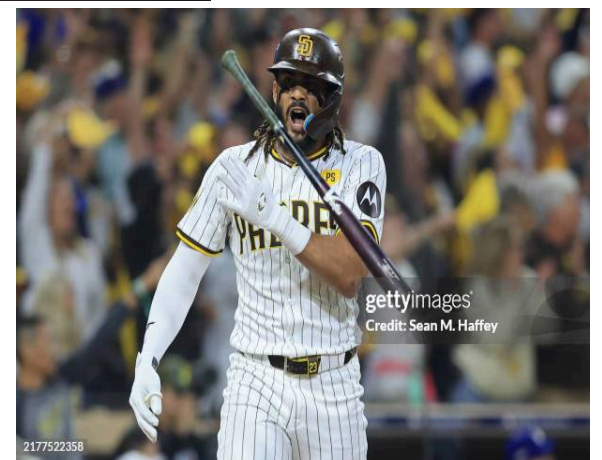

Did You Know?

Some professional baseball teams are Red Socks, Padres, Pirates, Cardinals, Giants, Blue Jays, Yankees ,White Socks, and many more.

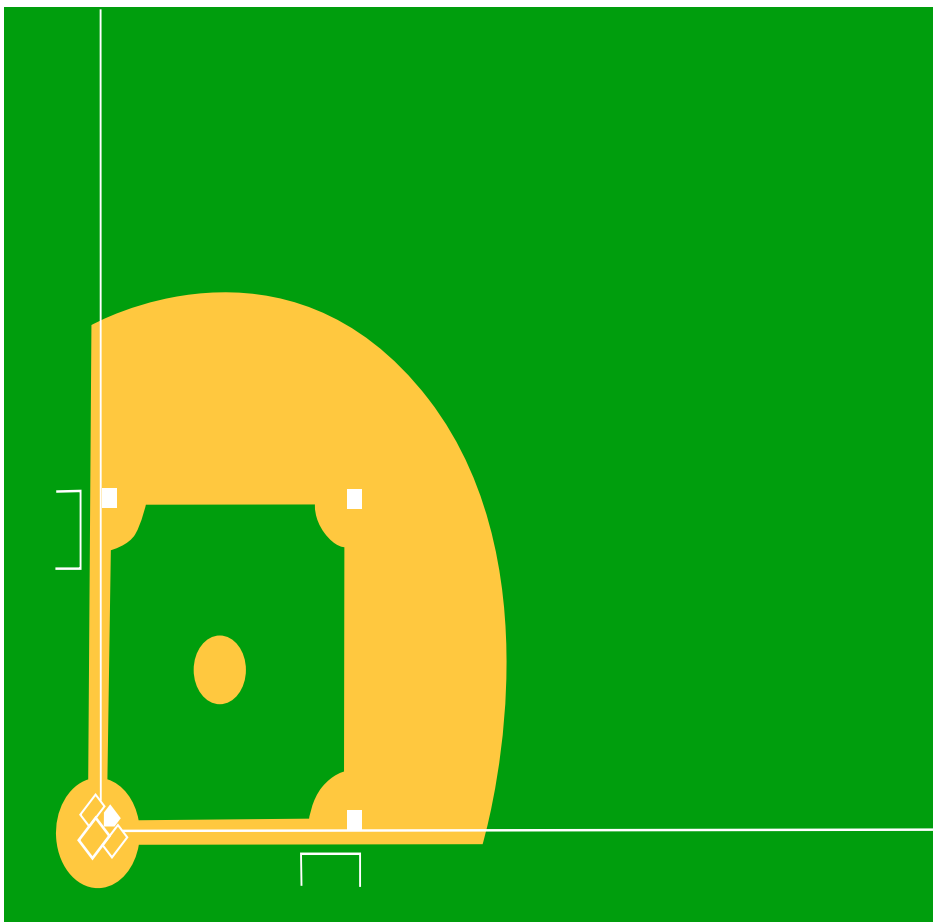

My favorite baseball player is Tatis Jr. He plays for the Padres, My favorite baseball team. Tatis is a batter and a outfielder.

The positions in baseball are first base, second base, third base, catcher, pitcher, batter, center, right field, and left field,
