NFL - Tennessee Titans HQ

**Titans Should
Sign Josh
Allen!**

Help Needed!

When we played the Bears our defense let up 6 points but our quarterback let up 18 points from fumbles and interceptions! Before the season ends we need Mason Rudolph start over will Levis. NEVERMIND do not start Mason Rudolph over Will Levis! Mason got 10 throwing yards in one half. I have never seen a quarterback have less yards in one half. At least Will Levis gets throwing yards when he throws the ball and thats why the Titans need Josh Allen!

Wanted: Josh Allen For QB!

The Titans need Josh Allen! I'm writing this to inform you that our quarterback sucks and we need Josh Allen! This message is for the Titans GM. We have good receivers like DeAndre Hopkins (before he was traded to the Chiefs), Calvin Ridley, and Tyler Boyd. We also a good running backs like Tony Pollard and Tyjae Spears.

Also the Titans GM needs to give Josh Allen on a good contract because he is considered the second best quarterback. Sadly, we can't get Patrick Mahomes because he is on a 10 year deal with the Chiefs!

WHAT NEEDS TO HAPPEN:

The Titans will be one of the best teams in the league if we get Josh Allen or a better quarterback! I think if the Titans get Josh Allen we get second in the division and we make playoffs but to make the playoffs we need to sign Mike Vrabel back as our head coach.

Also we need a play book that is not only about running backs and throw the ball sometimes if we get Josh Allen. For now keep running the ball because Will Levis throws a interception every time he throws the ball. I hope the Titans' GM reads this and listens to reason!

Thank you for reading my column!
