TRADE DEADLINE - THIS THURSDAY! PLAYERS DEALT?!

The first player who we think has to get traded is Ja Morant. Ja Morant we think should go to the Magic. I think the Magic should give up Desmond Bane and maybe a pick or two depending on how much the Magic value Ja. Ja has stated that he is losing love for the game of basketball.

I think half of the reason he did lose love for the game is because of the Memphis Grizzlies. He has been seen arguing with teammates on multiple occasions. As for Desmond Bane, he is averaging a smooth 19 points 5 rebounds and 5 assists a game. He also played for Memphis earlier in his career.

So I think this trade would work for both teams knowing the Grizzlies aren't great and for the Magic it feels pretty obvious that they need another piece to make a deep playoff run.

The second player who might get traded is Giannis Antetokounmpo to the New York Knicks. We think Giannis is gonna go to the Knicks for at least Karl Anthony Towns because these rumors have been a real topic in the NBA.

It is no secret that Giannis is ready to get out of Milwaukee and the Knicks being a bottom 5 defensive rating in the league they need a real upgrade in defense. So Giannis might be the start of the Knicks.

This trade will look something like Karl Anthony Towns, Josh Hart and maybe Miles McBride for Giannis and Kuzma.

Trade Deadline 2026!

The third player that we think has a good chance to get traded is Anthony Davis. Anthony Davis is going to go to Atlanta.

The Hawks have been doing great this year with Jalen Johnson really progressing and gaining confidence this year. The Mavericks are looking to trade Anthony Davis since he is not playing consistently.

The Hawks have made it clear that they are interested in Anthony Davis. So this trade would look something like Anthony Davis for Zaccharie Risacher, Kristaps Porzingis, and a future pick swap.

The final player that must get traded is Jonathan Kuminga. He has been looking to get out of San Francisco for a few years now. He is a great player with a lot of potential and coach Steve Kerr just cannot seem to figure that out.

So I believe that Jonathan Kuminga is going to the Bulls. The Bulls have to change something up since they are in the play-in every single season. So the Bulls could give up Nikola Vucevic for Jonathan Kuminga straight up. Both teams have to try something new and the Warriors finally get a center like they were looking for.
