Food Choices:

Appetizers: Rolls

They came out with the rolls. The rolls were amazing! They were nice and hot. Like really hot. The butter tasted very fresh. Delicious way to start!

Drinks:

We ordered our drinks and all the drinks came out pretty quickly! Nice timing by the staff! Then we ordered our food.

Main Course: Steak & Fried Chicken:

I got steak with fried chicken. The steak was very rare when I asked for medium. I asked them to cook it a bit longer and it came out well done. My chicken was hot and a bit dry. But the breading was well seasoned and crispy. I would definitely get the chicken again.

However, it was pretty pricey and they messed up my order.

Introduction:

I have always loved Texas Roadhouse. It has been an amazing experience for me. Or has it?!

At a glance Texas Roadhouse looks awesome. It is nice and clean when you walk in. However, when we got seated there was a bit of food under our table and on our seats.

Recommendation:

The waiters we had were nice and came and checked on us a lot. They were very cooperative!
Overall, I give Texas Roadhouse in Concord NH a 3.7 out of 5 star rating. Some other reviews have shown the same thing while others have had opinions that are either better or worse.

I also recommend trying their restaurant in Manchester, NH. See what you think!
