Wings of fire is a book series where dragons work together to solve mysteries, they discover shocking things, they find out secrets and there's even family drama! I personally love wings of fire because of the detail, drama and the secrets.

## Characters?!

Who's in these Books?!

Some of the main characters are Glory, Clay, Sunny, Darkstalker, Peril, Tsunami, Anemone, Blaze and Blister. But my favorite dragon is Clay a MudWing ( Mud dragon ) because he is nice and friendly and he also is the leader of the Dragonets Of Destiny. Also I personally dislike Tsunami because she is an aggressive, loyal and bossy Seawing (water dragon).

There are different tribes for dragons and the tribes are The SeaWings, The Icewings, The Mudwings, The Skywings, The Sandwings, The Rainwings and The Nightwings. My personal favorite tribe is The Mudwings because Clay, my favorite character, is in that tribe.
