RIVER WEST PALM BEACH

UNQUENCHABLE FIRE

FIRST ANNUAL MEN'S CONFERENCE

"I invited my brother and he received a powerful touch. We were up until 2 a.m. talking about ministry and the River School of Ministry. My nephew came as well. He came hungry and was the first to be baptized."
— Israel

"I received a fresh revelation on the power of speaking in tongues, and I'm increasing to the next level." — David

"I came expecting God to take a retrospective look in my heart and see what needed to be burned out, whether it be anger, bitterness, or resentment. The presence of God was so thick in the air. When I got to the prayer line, the fire hit me, and it was all burned out."
— Mike

About:

Drs. Corey & Rose Erman

The Lord sent us to West Palm Beach to establish a base for revival and reaching nations and the harvest of souls in April 2017. We are equippers and mobilizers. We want to see believers empowered to reach their full potential in Christ. River WPB is a place that will contend for the move of the Spirit of God. We believe in being a genuine Book of Acts Church.

We are both from Sunni Muslim backgrounds. We both became the first born-again Christians in our respective families. After receiving a baptism of fire and an apostolic calling, we launched out to the nations. After 25 years of full-time ministry, we have established many churches, Bible Schools, television ministry and carried revival to 25 nations.

The Lord said, "Go to America! Get ready for a Great Awakening! Get my people ready for the Final Days! Mobilize many! Equip and cover those I have called into unique and diverse ministries."

We invite you to be a part of what God wants to do in Palm Beach County and beyond.

We love you and pray God's richest blessings upon your life.

May we always have ears to hear the voice of Wisdom and to hear what the Holy Spirit is saying to the church. May we always stay on the narrow path of righteousness being sober and diligent. May we always stay in the light, being expectant and hopeful. We are hoping for the day our Lord and Savior Jesus Christ comes for us. What a glorious day that will be. We are watching as He said to stand and watch. We are watching, and we are faithful. Our eyes are on You, the author and finisher of our faith. We are not going to take our eyes off of You to look at the storm and waves. The winds of change are coming and blowing. The winds of false doctrine, delusion and deception that are coming, we will not look towards. We will keep our eyes on You. Our hearts are soft and tender towards You. We are on fire for You, and we are waiting for the day of the Lord—the day of redemption. And vengeance You said "Is Mine." Our day of salvation will become the day of the vengeance of our God for those that do evil. But may we keep our hearts right and pure because of the evil of these days and because the love of many will grow cold. May we stay hot and on fire with the love of God and keep our hearts tender to the Holy Ghost. Let us keep our ears and hearts open to the voice of conviction and the leading and guidance of the Holy Spirit. Keep us in unity. Keep us in perfect peace. You are our safety. The name of the Lord is a strong and mighty tower, and the righteous run into it, and they are safe. You are our security, Jesus. You are our peace. You are the prince of peace. You are the peace of Jerusalem. You are the King of righteousness. You are our Melchizedek. Thank you that we're safe in You and that our lives are hidden in You. We're not in fear. We are in faith, We are going to focus on our assignment, bring in as many souls as we can, and preach the gospel and make as many disciples as we can. We will stand faithful as a church as a body locking arms with one another in unity, waiting earnestly for that day of your coming. Thank You! In Jesus' mighty name. AMEN.

Pastor Rose on 30 years of Ministry

**“I thank God
for giving me
this amazing
and anointed
woman of
God!”**

**— Pastor Corey
Erman**

By Pastor Rose Erman

Hey family, it's good to be with you.

During our 30 years of ministry, our motto—the core belief carved in our hearts—is to love God with all your heart, mind, and soul, and to love His people the same. Always do your best, because God wants your best. You have to put God first, the people next, and then yourself. That is the key to ministry. If you don't do it this way, then you lose yourself, and maybe even your salvation.

We prepared ourselves to pay the price, and we don't have the privilege to quit. People think they can quit when things don't feel good to their flesh, but we can't get into the flesh. You can't consecrate yourself on Sunday and forget about it on Monday. Consecration to the call is a one-time commitment—you do it once.

The bottom line is, there are only a few years left before the rapture. Jesus is almost finished with the preparation for the wedding feast. How do I know? I was there.

There is going to be an acceleration now and in the days ahead. I want an acceleration in myself as well. Think of it like when you fast-forward through a movie—heads will spin.

Jesus loves His people so much. It's not just the love expressed on the cross. Even now, He is preparing a place for you. Jesus is preparing the wedding feast for us by Himself. I believe you need to hear this.

I was there, and I had questions. I was shocked. Whenever we have a gathering, it takes a team to mobilize people to get it done. However, when I got to heaven, I only saw Jesus doing the preparation, while everyone else was sitting and watching Him prepare for the wedding feast.

When it is time, Jesus will invite all of us to the table. I looked at Jesus and saw His excitement. He was so excited as He was making the preparations—with tablecloths and with floral arrangements that adorned and wrapped the golden pillars.

I was so shocked seeing Jesus do it all by Himself. I received this revelation: Jesus did it all by Himself because He wanted to. That was His job, and it is His joy and excitement to do it for His people—His bride. The food was ready, and I saw it. There were many dishes that He prepared for us. The food was hot, ready to be served. Imagine how close we are to the rapture! The only thing left were the chairs. I saw them stacked, and before I left heaven, I saw Him go and get the chairs.

We are so close, and Jesus is so excited to come and get us. If you are not lined up with the Word of God, you need to get it done, because it is almost time. It is better in heaven than here, and I make a daily decision to stay here, knowing how wonderful it is in heaven. But God told me I will live, and so I am here. I will live.

“The devil tried to take Pastor Rose out, but he is defeated and Pastor Rose has broken through. Out of the ashes she has risen, and she is going to carry an anointing that no one has ever seen.” — Pastor Corey Erman

28 Years: The Power of Love

Thank you Pastors Corey and Rose for shepherding us, your unwavering commitment to ministering to our souls, and esteeming our personal needs above your own. Thank you for consistently building us up to lead and to reign in life. We are immensely grateful for you.

River Church WPB Podcast

In September 2025, we launched a new podcast, produced in both video and audio formats, and recorded in our newly established studios. The program is designed to examine current global events through a biblical lens, drawing connections to Scripture and, where appropriate, to prophetic themes.

The podcast addresses significant and often controversial issues, offering thoughtful analysis grounded in the Word of God. Its central mission is to inform and awaken audiences to the realities shaping today's world, particularly in light of the times in which we are living. At its core, the initiative seeks not only to provide insight but also to proclaim the gospel message and lead individuals toward salvation.

In this episode, we dive into current global events and examine them through a Biblical and discerning lens. From the ongoing war in Iran and rising

tensions in the Middle East, to economic implications like the potential increase in the cost of living, this conversation connects real-world developments with deeper questions about what's unfolding behind the scenes. We also explore discussions surrounding AI and deception, unusual media narratives, and the importance of being led by the Holy Spirit in a time where truth can be easily distorted. Most importantly, this episode emphasizes the need for strong spiritual foundations and staying rooted in Christ, no matter what is happening in the world around us.

Winter Revival Recap

"I felt the anointing hit me when Pastor Corey prayed for the evangelism team. I felt like something exploded on the inside of me. I felt like God's compassion for souls is so great." — Kelly Ahkee, RSM Student who won 2600 Souls in 2025

This is going to be the year of raising up some fiery Holy Ghost-filled evangelists from this church

Armand, an RSM Student testifying of the Fire of God

"When you get the fire of God, you go win souls. We are a soul winning church. We take the fire of God, and we go after the harvest of souls!" — Pastor Corey Erman

"Two years ago, I came to this church from the Dutch Reformed Church in South Africa. I was shell shocked, never having experienced anything like this before. I decided to go to a seeker-friendly church instead. While at the seeker-friendly church, I felt an emptiness all around me and something was telling me to come back to The River. I decided if I'm going to be in America and do what I'm supposed to do, I need to be where Jesus is calling me. I came back to this church, and it took me a couple of weeks to adjust, and it wasn't until the men's meeting that I started feeling a little fire, and all of a sudden incredible joy exploded in me! I cried out to God to win souls, and in 2025 I got almost 1600 souls." — Armand Louw, RSM Student

The Wind of the Holy Spirit Moved Powerfully in the Three-Day Revival

The mighty Holy Spirit swept through with His wind—hallelujah! His presence was evident in every service, moving upon open hearts and bringing transformation through divine activity.

Many came with expectation, having already made a decision beforehand to receive all that the Lord had for them—and they did. Lives were touched, hearts were stirred, and the work of God was evident as people responded in faith.

We give thanks to Jesus for the wind of God that filled our sails, propelling us forward supernaturally. It was a powerful reminder that when we position ourselves with expectation and surrender, the Holy Spirit moves mightily and accomplishes what only He can do.

"This year many will be led by their own mind and will miss what God has for them, but those that will hear the voice of the Lord shall be positioned for great things. This will be a year of great changes. The wind of change will blow." — Pastor Rose Erman

UNQUENCHABLE FIRE

Pastor Jon Friedt from Believers' Fellowship in Lakeland and Evangelist Troy Bravenboer joined Dr. Corey Erman in preaching and ushering Holy Ghost Fire to the hundred men that were in attendance daily. The conference was about the Fire of God burning up the chaff in the lives of men.

UNQUENCHABLE FIRE

MEN'S CONFERENCE

"...each one's work will become clear; for the Day will declare it, because it will be revealed by fire..."
- 1 Corinthians 3:13

On the final day of the three day conference, the men kicked things off with fun, games, BBQ and brotherhood.

It was a powerful time as men released the past into the fire pit, were baptized and declared God's promises over their future. They made decisions to let the chaff go and step into the future God has for them.

Tony Receives a Wind of Correction

An Interview by Rebecca Horton with Tony Masis

Rebecca: What was going on before the Holy Spirit convicted you?

Tony: Before the correction, I was in the flesh thinking I was capable of doing life alone without God. I thought I knew what was best for me. I was finding myself really. During that time I was quick to anger, to the point of an anxiety attack. I knew that as somebody who experienced the love of God, and the fire in my heart that there was a better way, but the minute the fire diminishes or gets extinguished, you're so different. It was the opposite of joy, love, and peace, and I was closed off.

Rebecca: So did you experience that once you decided you didn't need God or you didn't need to do church right now? Is that when you started to have those emotions? And what did the leaders tell you?

Tony: Basically, yeah. I cut off people that I thought were wrong for me because I was hearing the same thing. Leaders were telling me the same thing over and over. To continue to seek after God and come to church. They told me God loves you so much, and He has a plan for you. Trust Him and keep coming and pressing in. I'm like I hear this all the time. My prideful thoughts were in the way telling me I heard this multiple times.

Rebecca: Then what happened? What happened that brought you back in?

Tony: It was a Youth service. My heart was getting a powerful touch from God. It was to a point where I went on the floor, started crying, balling my eyes out, and when I got back up, I was still crying. I started saying sorry out loud. I was saying sorry to the Holy Spirit, because what I did was so disrespectful. Knowing how I encountered God in the past and I still chose my own path. Basically, I felt like a Judas, having seen the miracles of God, but having not seen enough. Going back and forth I was thinking how am I a Judas? I don't want to be that person betraying or giving something the place of Jesus. Yeah. I don't want to be a Judas in my heart towards Jesus, saying I love him with my lips, but my behavior saying the opposite.

Rebecca: And then you went back to Bible school?

Tony: Oh, yeah, I went back to Bible school. Pastor Corey was giving scholarships away, including giving them to people who quit Bible school multiple times. When I got kicked out for the last time, there was a chance I wouldn't be allowed back. I lost my scholarship and was facing no re-entry because I dropped out so many times. I had to wait, I was upset, and that's where a lot of unforgiveness started coming in too. Unforgiveness to the Dean, (Seta Gebenlian, Dean of Students), Mr. Harout (Harout Gebenlian Registrar & Director of Academic Affairs, River School of Ministry), and the leaders. But then I realized I had to forgive because unforgiveness is of the heart. It doesn't hurt them. It hurts me.

Rebecca: That's right. So when were you able to forgive them?

Tony: Honestly, you can't find the perfect timing. Just do it. The Holy Spirit will prompt you. Deep down in your heart you know you're supposed to forgive these people. I went up to all the leaders that I disrespected and asked for forgiveness. 'm so happy. I'm back in Bible school. I get to serve more. I'm so immersed in the things of God.

Rebecca: And recently you went soul winning for 7 to 8 hours straight. Where did you go soul winning?

Tony: I went to the Green Market on Clematis in Downtown West Palm Beach. That place was such good ground. I got almost 20 souls. Like, it was so much good ground. People were so receptive, and I got to pour into them after the prayer. I shared my testimony that I never would have shared with anybody and was almost crying. And then after soul winning, I just felt so drunk, and I never thought you could be so drunk after soul winning.

Unite Team Spotlight

"It was 2020 and Pastor Corey was giving a word. He said: "Some of you do things for one week. Some of you do things for two months. Some of you do something for six months. But how about you do it until...?"

And a light bulb went off inside my head. It exploded on the inside of me.

I said, that's it. I got it. I just decided with purpose that no matter what I was gonna serve God, and I was gonna do that until, you know, until until. So, you know, and so I find myself here." – Erika Elaine Davis, RSM Student

By Lexie Rodriguez, Director of Unite Department

At River Church, the Ministry of Helps is built on faithful, committed leaders who serve with excellence, and Ericka Elaine Davis, Ushers Team Leader, is a shining example of that heart in action.

Ericka has faithfully led the Ushers Team for several years with strength, consistency, and grace. She is a bold and courageous woman of God who has grown tremendously into a strong and impactful leader. Her journey has been marked by humility, faithfulness, and a deep commitment to serving the house of God. Truly, her future is bright. She carries a spirit of honor that is evident in the way she serves, leads, and supports the vision of the house.

On any given service day, you will find Ericka joyfully fulfilling her role: welcoming and seating guests, reserving seating for guest ministers, stocking communion buckets, and ensuring that every detail is handled with excellence. She is also intentional about training her team, equipping them to serve with confidence, order, and a spirit of excellence that reflects the heart of our ministry.

Beyond her responsibilities, what sets Ericka apart is her spirit. She is constantly encouraging her team, speaking life, and creating an atmosphere of unity and joy. Her servant's heart helps maintain the flow of the Holy Ghost in the sanctuary, allowing everything to run smoothly so that lives can be touched and transformed.

Ericka is truly a blessing to our church and a joy to be around. I'm so thankful God brought her to our church. We're honored to have her serve in the Unite Department.

Evangelism Team Launch

By Doreen Ahkee, Outreach Director

Evangelism Team Launched to Reach the Lost

The Evangelism Team was recently launched with a clear vision: to raise up evangelists who will be sent out to reach the lost with the Gospel, accompanied by signs and wonders in outreaches and crusades. While soul winning focuses on preaching the Gospel one-on-one or in small groups, the Evangelism Team is being equipped to minister in large crowd settings. In addition, the team is being mobilized to organize and lead future outreaches.

At the beginning of March, the Evangelism Team went out for night soul winning in Clematis—one of the most active areas in downtown West Palm Beach. In just 1.5 hours, 7 harvesters led 100 people to Christ, demonstrating the power of the Gospel in action.

The team also ministered at a local senior living community in Westgate during a "Meet the Deputies" event, serving coffee and treats to residents and local sheriffs. This created an open door to share the Gospel, resulting in 19 decisions for Christ.

The Evangelism Team is taking the outreach program to the next level with one unified vision: to preach the Gospel to every creature with a demonstration of the power of God.

Celebrate America

June 24 - July 10 Washington D.C

with Dr. Rodney Howard-Browne

The vision for the DC soul winning trip is to partner with Dr Rodney Howard-Browne of Revival Ministries International to see 250,000 souls saved as part of a team of 1000 soul winners being mobilized to bring in the harvest of souls. Dr Rodney Howard-Browne is going to hold meetings during the Celebrate America event in Washington DC for 17 days from June 24 to July 10. 17 Days of Revival, Miracles, and Signs & Wonders, as we contend for another Great Spiritual Awakening in our nation. So far 18 team members from the Evangelism team have signed up to be part of Team 1000 in Washington DC.

Our DC soul goal at River WPB is 3000. Many who are part of the Evangelism team will be there soul winning for 3 days plus traveling days

It is important to win souls in DC because we are called to preach the Gospel to every creature (Mark 16:15) as part of the great commission and we are also equipped with the fire of the Holy Spirit to go beyond our city and state to bring the Good News! Acts 1:8 says "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth."

Join Thousands for 17 Days of Revival, Miracles, and Signs & Wonders, as we contend for another Great Spiritual Awakening in our nation.

Millions will gather at the National Mall to celebrate America's founding and freedom. In the midst of the celebration, we will be there to preach the gospel one-on-one or in groups through soul winning. As America celebrates 250 years of freedom, we have a powerful opportunity to point and lead people to the freedom that only Jesus can give. It is an honor and privilege for the evangelism team of River Church WPB to be part of the 1,000 soul winners that are going to DC to bring 250,000 souls into the Kingdom of God.

People can sign up anytime to be part of this historic time to bring in the harvest of souls in the capital from June 24 to July 10. Text "souls" to 41989. Soul winners are making their individual travel and lodging arrangements. More information is available at celebrateamericadc.com. Those who are registered can contact the outreach department at River Church WPB by sending us an email at outreach@riverwpb.com to let us know you plan to be soul winning in DC.

"Seeing people being set free is my passion." – Seta Gebenlian, RSM Dean

And then Jesus said, I have come to set people free. I have come to preach the gospel. I am anointed to set captives free. If Jesus is saying captives, it means there are people that are still captives. They are still in prison and in bondage. This is where the power of God, the gospel of God, is going to break all those bondages.

By Seta Gebenlian, RSM Dean of Students

Freedom and deliverance is necessary because we are spirit, soul and body. Our souls must be renewed in truth, which is the Word of God. The moment we give our lives to Jesus Christ, our spirits which were dead become resurrected, and our spirits are regenerated and made alive. Our spirits become one with the Holy Spirit. Then the sanctification starts, which is in our soul consisting of our mind, will, and emotions. The process goes on until we see Jesus face to face. Sanctification happens in Freedom and Deliverance Class.

This is where the deliverance happens, because the light has come when you realize that you believed a lie in an area of your life. The word of God came and exposed the darkness. Behold, God says now you're a new creature, but not everybody understands what this new creature is all about. They need to align with this new creature. They need to know who they are in Christ and how basically everything comes from our identity in Christ. The more you know your identity in Christ, the more you become light. That's what Jesus meant when He said: "I have come that you might have life and have it more abundantly." When I see people who don't have the abundant life, it means there are in bondage. Yes, generational curses exist like generational blessings. We believe that through the Abrahamic covenant, the blessings came to us through Jesus Christ. Generational blessings and generational curses goes from generation to generation, and even God said in the Bible, I will visit the iniquities of the forefathers. Somewhere in our lineage, doors were opened that need to be closed, and that's why Jesus says: "I will shut the doors that nobody can open, and I will open the doors that nobody can shut." Curses are spirits and in the spiritual realm where there is no time. Curses and open doors don't know the time.

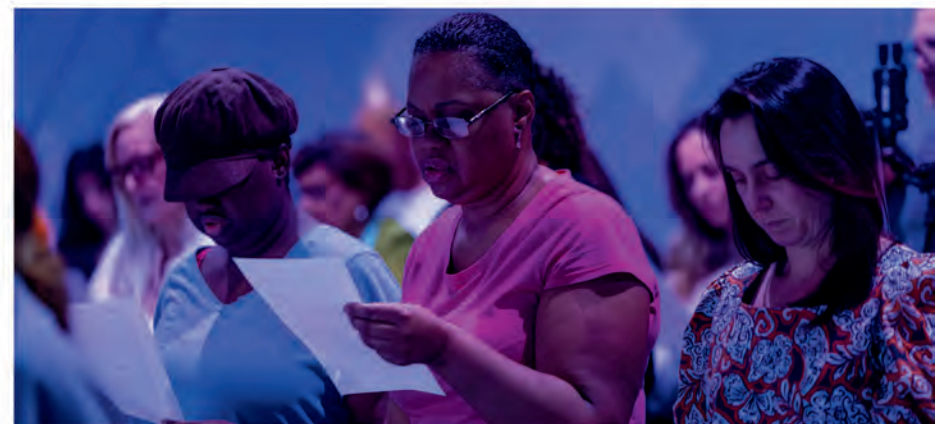

I have to teach people. When we do renunciations, people need to understand what they are renouncing. If they do not have the understanding, it is not going to profit them at all. It is just going to be mere words. I want them to have an understanding. I'm giving them doctrinal teaching, and solid Biblical teaching, so they can say, okay, now I can see. There's also timing, and I follow the Holy Spirit. I am not looking for demons nor chasing demons. Demons, they know me, I have heard demons telling me: "Why have you come before my time? Have you come to torment me?" They just manifest because they know the presence of God. They don't know Dean Seta. They know the presence of God, and that is the anointing to destroy their operation.

In Freedom and Deliverance Class, you will learn how to break the curse on your bloodline. I see a lot of people bound in addiction. When these curses and spirits are operating upon people, they cannot even read the Bible or come to church. They're always miserable. By their fruit, we can see that there's something operating in their lives. Most of the time they don't understand, and they don't know the truth. This is where I come in. I expose all the darkness by bringing up the truth. Then the light comes in people, and they say wow, we have been in darkness. I see how it's operating in my life and that's when the freedom and the deliverance happens. When people come to Freedom and Deliverance classes, they're being set free, but it's the beginning. They need to be grounded in the word of God. They need to eat the word and read more of the word of God in order for them to stay free.

Somebody in that generational line must come and say: "I have been set free, I should not be in bondage anymore. I know what the word of God says, and what is happening in my life right now is not lining up with the word of God. There's an open door, and I'm going to be the one to take authority by the power given to me. I'm going to break the power of that curse, and it's not going to visit my generation anymore."

Three Manifestations of God's Power in Christ

"And [so that you can know and understand] what is the immeasurable and unlimited and surpassing greatness of His power in and for us who believe, as demonstrated in the working of His mighty strength, Which He exerted in Christ when He raised Him from the dead and seated Him at His [own] right hand in the heavenly [places], Far above all rule and authority and power and dominion and every name that is named [above every title that can be conferred], not only in this age and in this world, but also in the age and the world which are to come. And He has put all things under His feet and has appointed Him the universal and supreme Head of the church [a headship exercised throughout the church], Which is His body, the fullness of Him Who fills all in all [for in that body lives the full measure of Him Who makes everything complete, and Who fills everything everywhere with Himself]."

– Ephesians 1:19-23 AMPC

Demonstrated Power

The same power that God demonstrated in Christ is now at work in the believer! Hallelujah!

Human language struggles to describe divine power, but these three powers help us gain an understanding of what it means when Paul says: "immeasurable and unlimited and surpassing greatness of His power in and for us who believe." The three powers form the foundation for the believer's authority. Paul prays that we may understand the magnitude of this power.

Resurrection Power

The greatest release of power ever manifested (greater than the creation of universe). Jesus broke the dominion of sin and death. Judgement was satisfied, and Jesus declared: "It is finished." This same power works in us who believe. The moment one repents, he or she receives this power and is translated out of the kingdom of darkness into the kingdom of God.

Ascension Power

Raised to heaven, Christ was lifted to the highest position of authority. Jesus as the conquering King went to the Father to present the blood of atonement and sat down at the right hand of God — the highest position of authority. It was a public declaration of authority, and we are jointly seated with Jesus. We no longer identify with the first Adam, but with heavenly things as our lives are no longer defined by things of the earth.

Exaltation Power

Christ was exalted above every authority and far above every name that is named. God put all things under His feet. Feet represent authority, and the church shares in Christ's authority. Jesus said: "Go in My name." We as believers judge Satan every day by reminding him that he lost. Jesus disarmed principalities raised against us, and placed Satan is on display as a defeated foe.

SURGE:

The Heavenly Vision for This Generation!

The word “surge” means a sudden, powerful forward or upward movement—a dramatic rise in strength, intensity, and impact. We believe these are the days God is igniting a sudden, powerful, and unstoppable movement in this generation—one that is rising rapidly in strength, intensity, and impact. It is a **supernatural surge** of His presence, power, and purpose, lifting young people upward into bold faith, identity, and calling. This is a generation not slowly growing, but quickly advancing, moving forward with urgency, fire, and divine momentum!

At Surge Youth, it is our vision to see this come to pass in this generation. With hearts on fire and lives set apart, they will boldly preach the Gospel, demonstrate godly character, and fulfill their God-given calling with power, purpose, and passion!

STUDENT TESTIMONY: “GOD PULLED ME OUT OF DARKNESS!”

By Sharina, 17

Before coming to youth and even while I was in youth, I was in a really dark place. I was smoking, dealing with self-harm, and battling heavy depression and suicidal thoughts. I felt empty, lost, and like I didn't belong. I was trying to cope in my own ways, but nothing was changing just only getting worse.

So In 2023, right before Fire Week, I finally decided to just give it all to God and when I did I had a powerful encounter during youth group. In that moment, everything shifted. I felt the presence of God, it felt like chains were breaking off me. The weight I had been carrying for so long started to lift, and for the first time, I experienced real peace.

Since that night, God started changing my life from the inside out. I'm not who I used to be, and I'm 100% not going back. He's healed me, restored me, and to this day he is still showing me my worth. Now I know who I am in Christ. I'm bold, I'm free, and I'm not ashamed of my faith. I'm now on ABSOLUTE FIRE for the things of God, and I want other people to know that God can really change a life all you have to do is be willing and cry out to him.

Operation of the Gift of Faith

"The gift of faith is going to fall on someone tonight for the impossible!"
— Pastor Corey Erman

"When I heard Pastor Corey say that, I looked at Brianna and said that's going to be me."
— Leon, who came out of his wheelchair

An Interview by Rebecca Horton with the Richards Family

Rebecca: Recently, your father, Leon, had a miracle. Was this something you guys came to church expecting, or was there something in the service that kind of fueled it? Can you tell us what happened?

Alison: I think the expectation has always been there, from the beginning. The moment we got the doctor's report, we chose to cancel it, and listen to the Lord's report." (Alison is Leon's daughter, Housekeeping team leader and an RSM student)

Rebecca: Wow! I was watching the service online and all of a sudden, Brianna, I just heard you yelling. And I don't think I've ever heard you that loud before. What happened?

Brianna: The fire of God started to hit me, and the power of God just came upon me, and I just felt the urge to, like, touch him, and I told him, get up, get up, get up, get up. A gift of faith. So the gift of faith came on me and that's what Pastor Corey was ministering on, that night. The gift of faith is going to fall on someone. (Brianna is Leon's Granddaughter and a Young Adult Member)

Alison: Earlier during our leader's meeting, Pastor Corey put out a message that he felt in his spirit that it was going to be a powerful Sunday. And during the service, when I was on the floor, I was under the anointing, and I saw her doing what she did before she did it.

Rebecca: Yes Alison, I saw when you fell down while watching the broadcast. The cameras were on you ladies as the Holy Spirit was moving. Did your dad come out by himself? Did you pull him out?

Brianna: I don't even know, honestly.

Alison: When you're under that anointing, you have to go off the witnesses of people who saw and their testimonies because, you know, in that moment, it's not you.

Rebecca: Yes. I saw her pointing and yelling. And then I saw him up out of the wheelchair.

Alison: They said she pulled him out of his wheelchair. It's a build up, 'cause you reach a breaking point that enough is enough. And God is gonna be God, and He's gonna do what He says, and regardless of the circumstances, regardless of what it looks like, you hold on to what He shows you.

Rebecca: Ms. Eileen, I want to hear from you about what you witnessed about your husband Leon.

Eileen: Pastor Corey was preaching, and he said: Tonight, somebody's gonna receive by their faith. They're gonna receive the faith blessing. And I just felt something. And then when Pastor Corey came around and was laying hands on everyone including both Alison and Brianna, Alison went down, Brianna went down, and the 2 of them were between the row of chairs. Brianna started to scream: "Get up, get up." So I thought she needed help to get up between the chairs because she was in, you know, in a tight situation. And then when she started to get up, I saw her pulling on her grandfather. At this point, he has to really get up because she asked him to get up. So we help him up, and then he was standing, and the guys came; Chris, Izzy, Ricky and Vincent (catchers who assist the pastors with those under the anointing). They took away chairs that were in the way of him walking, and He walked to Pastor Corey. I had never seen this before. He walked to Pastor Corey, and Pastor laid hands on him again, and then from there, he just continued walking.

Rebecca: And how long was he in a wheelchair?

Alison: It was over two years. He's at the point where he had to learn how to build his own faith and hearing the word that Pastor Corey preached built his faith.
