About:

Drs. Corey & Rose Erman

The Lord sent us to West Palm Beach to establish a base for revival and reaching nations and the harvest of souls in April 2017. We are equippers and mobilizers. We want to see believers empowered to reach their full potential in Christ. River WPB is a place that will contend for the move of the Spirit of God. We believe in being a genuine Book of Acts Church.

We are both from Sunni Muslim backgrounds. We both became the first born-again Christians in our respective families. After receiving a baptism of fire and an apostolic calling, we launched out to the nations. After 30 years of full-time ministry, we have established many churches, Bible Schools, television ministry and carried revival to 25 nations.

The Lord said, "Go to America! Get ready for a Great Awakening! Get my people ready for the Final Days! Mobilize many! Equip and cover those I have called into unique and diverse ministries."

We invite you to be a part of what God wants to do in Palm Beach County and beyond.

We love you and pray God's richest blessings upon your life.

Teaching by Pastor Corey: Financial Prosperity

Financial prosperity is not merely about having more money. It's about having our finances aligned with God. Having money doesn't mean you're in alignment with God. The devil also has ways to get money to people, but he'll also take your soul. What does it profit a man to gain the whole world but to lose his own soul? But God restores your soul. He blesses you, and the blessing of the Lord makes you rich, and He adds no sorrow with it.

I remember going through seasons of sowing, and it felt like all I did was sow. I kept hearing from the Holy Spirit to keep sowing. Don't grow weary in well doing, for in due season you shall reap. I'll never forget one time I was in a place and I called my pastor to tell him what God was doing and what opportunities were opening up. And he said: "That's your harvest." And it hit me.

The Lord said: "You had seed in the ground, son, from five years ago, and now you're getting the harvest on that." The word says don't worry about tomorrow, for today has enough trouble of its own. If you do the things that you need to do, then your breakthrough will come. You won't be denied your breakthrough.

I had been running so hard and starting this church was one of the easiest things I ever did. I'm telling you right now, we came here totally on the gift of faith. I was teaching Bible school, going to the nations, planting churches, doing conferences, doing TV back-to-back, doing seminars and so much more. I was doing a lot of sowing. I was paying to go preach. The offerings were not big because I was going to impoverished gypsy villages in Bulgaria where people don't even have shoes and they bring you a chicken egg as an offering. That was the best they had. But I received it with gladness, and they gave it with gladness. I prayed blessings on those people, and I sowed into them.

When Pastor Rose and I came here, it was like a vacation, and the Lord was blessing us. It was just what Pastor Rodney Howard-Browne said: "Go to West Palm Beach and command your harvest to come in." He said, "You got so much seed in the ground. You've helped so many people." He said: "God's going to send many people to help you." God has sent me some of the best people on the planet to help me. Thank you so much. Our leaders, our staff, our Unite team, RSM students, you guys are just phenomenal people. You know why I'm so blessed? Because I have blessed so many people. It's all the principle of sowing and reaping.

Luke Learns to Let Go and Let God

"Revival is a change that happens in your heart."

Pastor Corey: Luke moved down here to South Florida from Pennsylvania. He got smashed on a Sunday night.
Luke: When I lived in Pennsylvania, someone was talking about this church and I said: "That's the last church I would ever want to be a part of."

Pastor Corey: Look at what the Lord did!
Luke: I felt the power of the Holy Spirit upon me. I was laughing so hard, I fell on the floor wheezing because it was genuine laughter.

Pastor Corey: Have you ever felt this before?
Luke: Yes, but it's been four years. I was 16 the last time I actually felt the power of the Holy Spirit. I was in a drought in my own life. But The Lord smacked me down on the floor, and I chose to let go of some things. I wanted to get aligned in my own life. I'm going to be honest with you. I wanted to let go of a grudge. Two people immediately came to mind, and the grudge needed to go. The grudge stole my joy, but the Lord has restored my joy back.

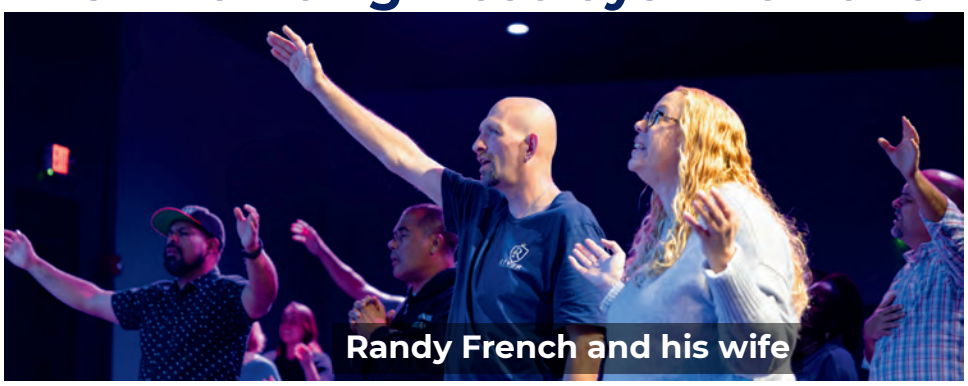

Pastor Corey: We're known in Pennsylvania! You got your joy back. Praise the Lord. He let go of grudges. There's nothing worse than carrying unforgiveness in your heart. You know, 99% of most people's problems is unforgiveness. Honestly, when it comes to counseling, you always find out the root cause of most of the issues in people's lives is just unforgiveness. We must align our hearts with God, having a pure heart and being set free from grudges.

The Anointing Destroys The Yoke

Randy French and his wife

Pastor Corey: Randy, I want you to share this because this is remarkable. For years you struggled with anger, right?
Randy French: Absolutely. Yeah.

Pastor Corey: You would blow up! It was a terrible thing, and obviously it affected a lot of areas in your life. Your marriage, your business etc. You and your wife got prayed for many times here. God was doing a work in you. But then you and your wife went to Tampa to the Fire Conference, and it was a Wednesday night, right? What happened?
Randy: Absolutely. Nothing in the natural.

Pastor Corey: It wasn't like something was exploding. He was just sitting there while Dr. Rodney Howard-Browne was just talking.
Randy: I don't remember what the story was, but I know it was his offering message, and it was quite long. But I mean it always is. I left changed like something happened. Something happened while I was just sitting there under the atmosphere of the anointing. Something just like broke off.

Pastor Corey: And even the next day his wife was like... "What happened to you? You look different."
Randy: Yeah. She was shocked because the anger was gone.

Pastor Corey: No more bitterness right? So no anger? You're just calm.
Randy: Absolutely. Just like that. Supernaturally.

Pastor Corey: Boom. Just like that. And you weren't even expecting it. It just happened when you were sitting there.
Randy: Yeah. I was not expecting that at all. It was so amazing.

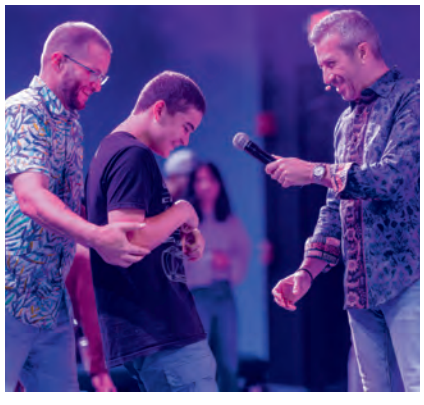

Pastor Corey: So that's why you never ever underestimate what can happen in the atmosphere of the anointing. Amen. God is so good.
Randy: Hallelujah! We're very happy to be here.

Pastor Corey: From now on, only peace and joy. We've had people get healed during the announcements. It's because of the anointing. This is why it's so important that we protect the integrity of the anointing. People think this is some kind of a game, or we're just joking around. I'm very serious about this joy. Hallelujah. Because it changes people's lives because when you step into the water, that flows down from the throne, there is transformation.

"This one thing I'm sure of. You're going to see the goodness of the Lord in the land of the living, God's going to be good to you, and it's only the beginning."
Pastor Corey Erman

An Encounter Leads to Spiritual Hunger

Pastor Corey and Bryce

Pastor Corey: This is a testimony on the joy of the Lord and how laughter is good medicine, a merry heart does good like medicine. You got delivered when you came to Freedom and Deliverance. What happened Thursday night?
Bryce: I got invited to the School of Ministry. I'm just going to yield.

Pastor Corey: You've been coming for a couple of months.
Bryce: Yeah. About maybe a month and a half now. Yeah.

Pastor Corey: I've seen you in Men of Valor. I've seen you in the services. What's been happening? What's the Lord doing?
Bryce: He is filling me up in ways that I couldn't get anywhere else. One hundred percent.

Pastor Corey: How long have you been a believer?
Bryce: Truly a believer for about a month and a half now.

Pastor Corey: Were you going to church before, or no?
Bryce: Not really. I tried, but it was like, "Here's your plate. Have a bite." and I would give the plate back, right back. I'm being filled here. This church is making Jesus real!

Pastor Corey: I love it. That is what we're here for: the seven-course organic feast!

A Prayer Cloth & Faith Bring a Miracle Baby to the Salgado Family

Maylen & Yorlandy Salgado

Pastor Corey laying hands on prayer cloth at Healing & Miracle Service

I (Maylen) will share this miracle. The baby's name is Sam Sebastian Salgado. I had two pregnancies that I lost. In the second pregnacy, the doctor told me: "Listen, you have cancer because the last pregnancy left something inside your belly. So, we need to give you chemo, and you can't have a baby anymore." And I said, "What?" I said, "I rebuke that in the name of Jesus. I don't receive that!"

I had wanted to have a baby for a long time. So, with the second one, when I heard the heart stop, I was desperate. When they told me I had cancer and couldn't have any more babies, it felt like everything was over for me. And I said: "No, I don't receive that! But I was extremely sad. Someone who has lost a baby, maybe someone here, can understand how I felt.

Then I went home, and I said, "Yorlandy", let's go to another doctor or something, but I don't receive that."

So I started chemo. I was undergoing chemo, and I also did vitamins and all kinds of natural things. But I came here, and Pastor Corey was praying. My husband told me: "Listen, go there and take the little white rags" (prayer cloths are usually white muslin fabric cut into handkerchiefs anointed with oil to heal and set people free as in Acts 19: 11-12). Yorlandy told me: "Listen, put it inside your undergarments, and that will help you."

And I said, "Yes, I will pray always." I believed God would heal me. The first pregnancy was an empty sac, basically, you know. The second pregnancy, we actually heard the baby's heartbeat for about two months. Suddenly, one day, I went to check again, and the doctor said: "Did someone tell you that you were pregnant?" I said, "Yeah, we've heard the heartbeat a few times."

"Are you sure?" And that's when they started freaking out, and there was a molar pregnancy. This kind of molar pregnancy causes cancer inside. So that's why they put me on chemo.

Finally, when I finished the treatment, the doctor told me, "Listen, let's do everything right. You can have a baby, but you have to wait at least two years before trying." But I prayed, and continued believing that God was doing His work even in the silence. I was still wearing the little rag knowing that the anointing was going to bring healing. When I finished the seven-month treatment, I didn't see my period. I took a pregancy test, and I saw that I was pregnant! They told me I couldn't have the baby, but I said: "He's alive! He's alive!"

And at the end, when I delivered the baby, I told the girl who was helping me with the delivery: "Please, take the bad things out of there" because they saw something. And when she gave me the baby, she told me: "Listen, you are clean. You don't have anything."

“I am your place of revival. Send your fire on me, Lord.”

Pastor Corey challanged everyone to cry out for revival!

ALIGN! SUMMER REVIVAL

In the days leading up to Summer Revival at **River Church West Palm Beach**, anticipation was high. Pastor Corey Erman encouraged the congregation to attend all three nights, emphasizing that they had **“an appointment with God concerning your eternal destiny.”** The theme, **Align**, set the tone for a revival focused on surrender, spiritual growth, and discovering God's purpose.

NIGHT ONE: Alignment BRINGS BREAKTHROUGH

The first night was filled with energetic worship, dancing, and declarations of freedom as attendees celebrated breaking free from old chains. Pastor Corey challenged the congregation to surrender pride, compromise, double-mindedness, and control, calling them to align their hearts and desires with God.

NIGHT TWO: Heaven Moves WHEN YOUR HEART ALIGNS

The second night featured testimonies of laughter, peace, emotional healing, and freedom from long-held anger and grudges. Pastor Corey emphasized that alignment requires not only hearing God's Word but also obeying it, while attendees responded through salvation, rededication, ministry training, scholarships, and prayer.

NIGHT THREE: Aligning Our Purpose WITH HIS

The final night was marked by overwhelming joy, uninhibited worship, and testimonies of burdens lifting and oppression breaking. Hundreds reportedly filled prayer lines throughout the sanctuary and overflow areas, surrendering fear, failure, and resentment as they prepared to walk in greater purpose.

THE IMPACT: Revival BEYOND THE SANCTUARY

The revival's impact continued beyond the three services, with more than 30 people accepting scholarships to the River School of Ministry and outreach teams reporting 173 conversions during street evangelism the following week. From personal transformation to ministry preparation and community outreach, the message of alignment became a call to action, leaving the congregation with a sense that revival was not ending but just beginning.

New Kingdom Business Birth at River Church

Leslie Garcia, A&A Landscaping: I'm just so thankful for my husband's business A&A Landscaping. I just remember Pastor Corey saying: "You're not going to be chasing for work. Work is going to be chasing you." I'm just so thankful because my husband and I received the word. We took the word together and we prayed every night before going to sleep. And we said: "Lord, we come to you. We believe in you by faith. We know that you're going to multiply and provide. You're going to grow our landscape business.

Pastor Corey: If you need a landscaper, he's your man. A&A Landscaping. Pastor Rose and I helped them get started. We helped them set up the LLC, spoke to it, and prophesied it. I showed him how to get a business going. And now he's just exploding. Amen.

A&A Landscaping: I thank you Pastor Corey and Pastor Rose. They've been such a blessing to my family. Once I stepped to this church, even though I had a lot of religion in me, and I didn't know what was going on in this church. Something in me was like just stay and give it a try. And I kept coming and pressing in. We started serving and became members. I'm just so thankful for Pastor Rose, Pastor Corey, and every member of this church. You guys are amazing. You guys have shown your kindness, your love, how Jesus shows his love towards us. And I appreciate that from the bottom of my heart. I didn't know what joy was until I came to River Church.

Pastor Corey: Leslie, God got all that religion out of you!

Inaugural Fulfilled Women's Conference

Woman Arise

Ev. Sarah Bravenboer

Pst. Rose Erman

Pst. Clover Williams

When I asked the Holy Spirit: "What would be the name that I should call this women's ministry?"
The Holy Spirit said to me: "I want the women of this house to be fulfilled in every way." Pastor Rose Erman

"River Church West Palm Beach is a place that honors the presence of God and a church that puts the Word first. The Lord knows everything that's gone on behind the scenes, He has seen their faithfulness and He has honored them. So, it's an incredible honor for me to be here. Every time you walk into the sanctuary, walk in with that heart of honor because we're thankful for other men and women of God around the world, but there's nothing exactly like this with the specific DNA of Pastor Corey and Pastor Rose."
"I believe that there are women here today sitting in this room saying, 'I don't care what the cost is. I am pressing through, I am rising up, and I'm going to grab the hem of His garment to receive everything that He has for me today because enough is enough.' We're not playing games anymore."
Ev. Sarah Bravenboer

"Thank you, Pastor Corey and Pastor Rose, for allowing me the honor to minister to your women. I do not take this lightly. I'm so grateful & thankful. I love you. You have the best pastors. They are phenomenal and are paving the trail for us. Stay plugged in. Stay connected. This is where the blessings flow."
Pastor Clover Williams, River Church Fort Myers

Prophecy from Pastor Rose:
This year is the year of fulfillment. All your desires, all your prayers shall come to pass and shall be answered. What you've been believing for many years shall come to pass. This year is a year of fulfillment. All of your dreams, all of your desires, all of your visions will be fulfilled, from the top of your head down to the soles of your feet. Yes! The Holy Spirit will blow on you, and your desires that come from the Holy Spirit will be fulfilled. This year is your fulfillment year. You've said: "When, Lord? When?" And the Lord says: "This year!" Many of you have believed God relentlessly. Every service you made declarations. "I'm believing You, Lord, for this. When is it going to happen?" "I believe Your timing, Lord." You said this in your heart. And you said: "You never lie, Lord." And the Lord says to you: "It's time now!"

Delane Bailey-Herd, Nursing Home Ministry Leader:

This was a life-changing women's conference. Thank you for Fulfilled Women's Ministry, because when I walked in here, there was such a thick presence of God, and the women were on the edge. They were open. Their hearts were ready, and my heart was ready, too. The beautiful presence and the fragrance of God was here. I'm just praising God. Thank you so much, Pastor Rose.

“When you walk with the Holy Spirit side by side, every second of your life, He's in you. He goes with you.”
Pastor Rose Erman

God is raising a mighty army of women who will be spiritually, physically, mentally, emotionally and financially fulfilled.

Holiday Ranch OUTREACH

Over 200 People in the community received salvation

"There was a heavy spirit of Santeria on people. Anyone who is in bondage of Santeria is in fear. I called for the people to run to the altar because God would set them free. The spirit of Santeria was a dark cloud in the air that was holding people back from coming to the altar. So instead I sent the students to go and lay hands on everyone, and that is when the spirit of Santeria was broken."
Seta Gebenlian, RSM Dean of Students

Testimony Shared by Josie at the Outreach:

The Lord healed me and my mom. I had hired a hit man to kill my father. I had a lot of anger. He would hit me and my mom, and he even left my mom blind. It got to the point where I gave the hit man a deposit of $250 to kill my dad, and the day before the hit man was supposed to kill my dad, I heard from God telling me to stop. I called the hit man and cancelled the hit. I later found out I had cancer and was going to die and not be able to have kids. 10 years later I prayed to God while in the bathroom to take the pain away. I wanted to die. I wanted Him to take all this pain away. Then I felt a fire from the top of my head. I told my husband: "I think God healed me." I later went to the medic and found out I was healed and nothing was found. I now have children and grandchildren. After I gave my life to Christ, my father had a heart attack. He didn't want anyone to take him to the hospital but me. While seeing him about to die, God broke all the horrible feelings I had towards my dad. I was able to look at my dad and forgive him. If God did it for me, he will do it for you. It was the anger that I had that gave me the cancer.

God Sent Relief to Holiday Ranch

Dozens of individuals testified feeling relief and burdens being lifted off of them when they received Jesus as Lord and Savior. This is the power of the gospel of Jesus Christ Who was, and is, and is to come.

“I was involved in Santeria, but today I felt the power of God and gave my life to Jesus.”

Holiday Ranch Outreach Team

On Saturday October 17, River School of Ministry students came together in one spirit, and one purpose to be the hands and feet of Jesus to the Holiday Ranch community in West Palm Beach. In the week leading up to the tent outreach, RSM students knocked on many doors, inviting residents to the event where several gifts and prizes were distributed. The gospel was shared along with powerful testimonies from RSM students about how their lives were radically transformed since receiving Jesus. Bachelor of Theology candidate Kelly Ahkee made the altar call and moments later children and adults came forward. During the course of posting invites in the neighborhood as well as knocking on doors, many residents received salvation as well.

A New Breed of Revivalists Cleared the Night Club by Preaching the Gospel

"I am not ashamed of the Gospel!"

Alex: On our way from the car to the spot where we were preaching at, people were yelling at us, manifesting, while we were walking down the street with the cross. They were like: "Come talk to us. Come over here." I was like: "No, we're standing right over here. You can come and talk to us. There's no problem. We can set aside time to talk to you." But they didn't want to come near for whatever reason. The police showed up. I guess somebody complained. We had a minister who had just finished his worship night and was complaining that we were there on the street. He was upset at us for some reason saying: "I live upstairs. This is not right. You shouldn't be..." We're like: "You should be happy, sir. God bless you if you finished your worship night. There's more worship. Come out and help us out." And he didn't. He didn't want anything to do with us.

Pastor Corey: It's a territorial spirit. Sounds like it.

Alex: The cops asked me to shut off voice amplification. I shut it off for about 30 minutes. Then I realized sound amplification wasn't necessarily against the ordinance. The officer was just saying that he was trying to be nice. But then there's music blasting from the restaurants and the bars, right? Yeah. Anything demonic, anything—any drunk people screaming is okay. But sound amplification of the gospel is no good, I guess. So I was just like, "All right, if we're going to get kicked out anyways, let me just blast this." I just turned everything full blast.

Chris A: Alex did most of the preaching, but my focus was on guarding the cross and protecting it. But like you said, there were people mocking us. But at the same time, I was telling Alex that we should do this more often, because there are people that we can see believe in Christ, but their actions speak against their beliefs. You know, they're going out and drinking in clubs. Doreen Ahkee, The outreach Coordinator, noticed that **because we were near a bar preaching, about 20 minutes later that bar cleared out.**

Pastor Corey: We're going to keep doing this. Amen! We're going to plant the cross. Amen! And keep preaching. This is our city, guys! You should have a fire and a passion to see this place shaken by the hand of God. And hey, you may go out there and see some of the people that you used to hang out with and get them saved. Praise God, I'm sending you guys out to preach. Amen! And our tithes and offerings help support the work. And obviously we don't need tithes and offerings to go to Clematis on Friday night. We just need people to go. But the tithes and offerings empower this place where you get empowered to go. Without this place, nobody goes anywhere. Somebody has to be sent. So, this is a place where we send you out. This is a launching pad. This is a place of preparation, and this is a place where people get sent to preach the gospel.

Pastor Corey and Alex

Pastor Corey and Chris A.

River School of Ministry 2026-2027 Student Body

"I told our RSM Students to go where the souls are and preach the gospel. We take this cross out on the streets. Hallelujah! Praise God. This is Butch Dias' cross. He carried this for 15 years. So this is not new. This has been many places. This year we laid hands on the cross, that the fire of God would touch people everywhere this thing goes. Everywhere this cross is planted, the power of God will just hit people. That's why people are afraid to come because the power of God is on this. It's not just a piece of wood, and it's not just a symbol. There's an anointing on this cross."

Pastor Corey Erman

A Special Word by Pastor Corey Erman:

I made a decision a long time ago. If I am the last person left on the planet out of 8 billion people who believes the word of God, I'm going to believe the word of God. If 7.9999 billion people want to go to hell, let them go to hell. I'm not going to hell with them. That's how committed you have to be. I'm going to believe God's word, even if no one in my family believes God's word. Even if no one around me, in my circle, believes God's word, I'm going to believe God's word. I'm not going to let somebody else decide for me. I'm going to decide for myself. It's between me and the Lord. I have a covenant with Almighty God, and I'm going to believe God, and I'm going to honor my covenant. And guess what? God's going to honor His covenant with me. I don't have a covenant with man. I have a covenant with Almighty God. That's how you have to be. That's alignment.

The Lord is strengthening people right now. You're being strengthened. You will not run on your own strength. You'll run in the strength of the Lord. Hallelujah! Be strengthened. Be encouraged. Be strong. Be of good cheer.

Prophetic Warning:

Be WATCHFUL!

For You Know Neither The Day or Hour!

A Prophetic Warning by Pastor Corey Erman:

I see people—I see all these people who can't handle the three-hour service.

There's coming a time when people are going to be so desperate. They're going to line up outside two to three hours before the service, because people are not even ready for what's about to happen in the next two years in America. People have no idea what's about to happen in the next two years in the world.

Now is the time to get the oil, and the wise will line up to get the oil before time is up, and the foolish will be without a remedy, without a solution.

Mark my words, between October 2026 and October 2028, people are not ready for what's coming!

But there's coming a time when people are going to become very desperate, and they're going to run. They're going to run to the altar. When I give altar calls, they won't even be waiting. They'll just run to the altar. You watch and see what's going to happen. The desperation that will come upon the people for the things that are about to happen. Many Christians are not even ready for what's coming.

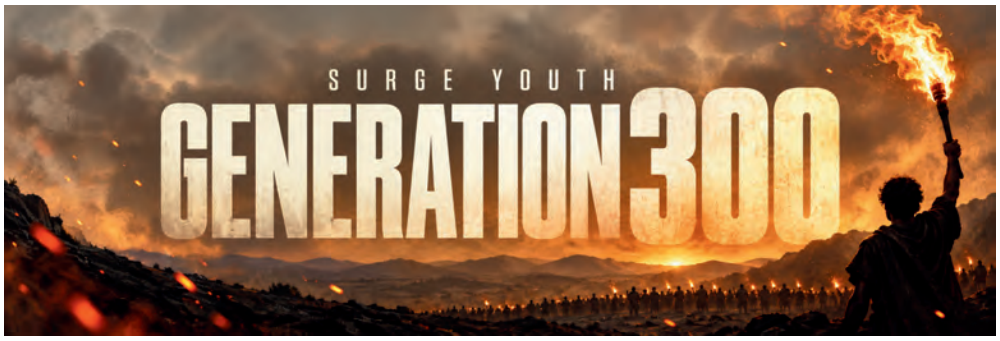

Many preachers, pastors, churches are not even ready for what's coming. Many of them will close down overnight. They will not be able to handle what's coming. But we're ready. You're ready. This church is ready. I'll keep you ready. You guys will be ready.

Times of preparation are never wasted times. I've been preparing you all for what's coming. You will not be surprised by it. And you'll be equipped for it. You'll have the anointing. You'll have the grace.

You'll have the power. You'll have the authority. You'll have the victory to overcome. I prophesy. I speak about the Holy Ghost.

By Gloria Erman, Surge Youth Leader

Generation 300 is **Surge Youth**'s discipleship program for ages 13–19, raising up a mighty army of Spirit-filled young people who know their God, stand upon His Word, and carry the fire of revival. Just as God used Gideon's 300 to bring victory against overwhelming odds, we believe He is raising up a generation whose strength is found in total surrender and the power of His Spirit. Through daily fellowship with God, time spent in His Word, and weekly discipleship groups, students are growing deeper in their relationship with the Lord, developing godly character, and learning biblical principles that equip them to lead the next generation and advance the Kingdom of God.

WHAT IS A DISCIPLE?
IT IS THE LIFELONG PURSUIT OF BECOMING MORE LIKE JESUS BY LEARNING FROM HIM AND EXPERIENCING HIS REALITY.

"Generation 300 has given me a greater understanding of the importance of asking the "why" questions when studying the Word of God. It has taught me to dig deeper and understand the meaning and purpose behind what I'm reading. It's not about getting a checkmark every day for finishing, but about truly allowing the Lord to do a work in me in whatever way is needed. This discipleship program has helped me grow in my personal and intimate relationship with the Lord. I've learned to be more intentional in my walk with Him and have developed a greater desire to know His heart." – **Katie, 18**

"While reading Generation 300, I learned about accountability and what it means to be an accountable friend. During that week's group discussion, we all came into agreement in prayer for an increase in finances and open doors of opportunity for everyone in our group. At my job later that week, I found myself becoming jealous and envious of my coworkers who were competing for a promotion, but the Holy Ghost convicted me and reminded me of what I had learned. I immediately repented and prayed that God would help me celebrate others and that they would receive the position even more than I wanted it for myself. After praying, I felt a peace that only God could give me. Just a few days later, one of my managers called to tell me that my hard work was being rewarded with a bonus and a significant pay raise! I thank God for His faithfulness and for the opportunity to be a part of Generation 300. Without what I learned reminding me to check my heart and trust God with the outcome, I wouldn't be in the position I'm in today!" – **Madison, 19**

"Generation 300 has really helped me become more disciplined with spending time in God's Word every day. Even when I'm busy, it's taught me to stay committed and make time for God. I've also started looking at each chapter differently and thinking about how I can actually apply it to my life. It's been helping me grow in my relationship with God and to not just read the Word, but actually live it out." – **Dylan, 16**

Unite Team Leader Spotlight: Nicole Easter Graphic Design Team Leader

By Lexie Rodriguez, Unite Director

Behind every event graphic is an opportunity to invite someone into what God is doing—and Nicole Easter leads our Graphic Design Team with that purpose in mind.

Nicole is hardworking, faithful, diligent, and creative, with an amazing attitude that blesses those around her. She pours into her team through monthly designer meetings, homework assignments that help them grow, and opportunities to put their gifts into practice. She is developing more than great designs; she is helping people grow in confidence, skill, and purpose.

Nicole understands the importance of graphic design in the church. As she reminds us, one graphic can influence whether someone decides to attend a church event. That makes each design an opportunity to communicate clearly, build excitement, and extend an invitation that matters.

The team's vision draws inspiration from Exodus 31:3: God fills His people with His Spirit, giving them wisdom, understanding, knowledge, and craftsmanship. They describe themselves as "Artistic Revivalists," creating church event graphics that act as a "dinner bell"—calling people in, building expectancy, and preparing hearts for what God is about to do.

Under Nicole's leadership, excellence, order, and creativity serve a greater purpose. The Graphic Design Team creates the designs to support the message and heart of each gathering, removing confusion and helping people connect with the invitation.

Nicole, we are so proud of you. Thank you for your faithfulness, your joyful attitude, and the care you pour into your team. Your gifts make a difference, and your leadership helps others discover how their gifts can serve God and His church.

We love and appreciate you.

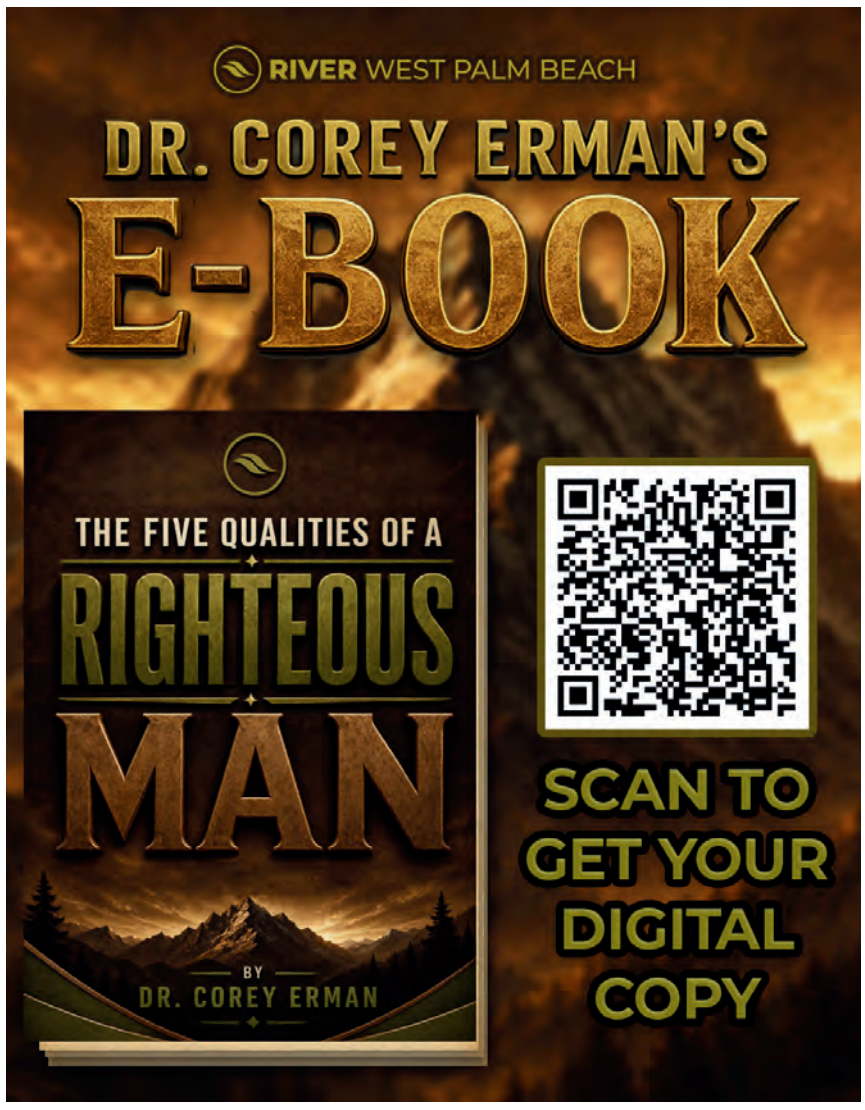

Kingdom Business by Dr. Corey Erman

God has not called Christian entrepreneurs merely to create wealth. Maybe in terms of creating wealth, we don't understand. We just think of wealth as money, but there is another kind of wealth. The greatest wealth is the treasures we lay up in heaven, which are souls and disciples. He positions you in the marketplace to advance His kingdom, reach the lost, and make disciples. The key statement is that your business is not just a vehicle for generating income. It's a platform for fulfilling the Great Commission.

In Deuteronomy 8:18, we hear, "You shall remember the Lord your God, for it is He who gives you power to get wealth," or create wealth, "that He may establish His covenant which He swore to your fathers, as it is this day." This is a covenant promise, and God gives the ability to produce wealth, but wealth was never intended to become our ultimate purpose. Our ultimate purpose is to fulfill the covenant and all covenant responsibilities. When Jesus said: "Go into all the world and preach the gospel, make disciples," that's a New Covenant commandment and commission: The Great Commission. It is something that we need to take responsibility for as Christians, especially in the realm of business in the marketplace.

In its original context, this passage concerns God's covenant with Israel. The principle for Christian business people is that our abilities, resources, and opportunities should be stewarded faithfully for God. "But seek first the kingdom of God." That's why kingdom comes before business. If you're a Christian and you have a business, but you're not about the kingdom, then you just have a business. But when you're about the kingdom, then it becomes a kingdom business. Then it truly is what God has intended for it, "Seek first the kingdom of God and His righteousness, and all of these things, all of these projects and clients shall be given unto you and shall be added unto you." That's Matthew 6:33. Notice the priority. Kingdom always comes first. God can use your business to provide for your family, which is obviously very important, right? Create employment, which is also great, that you are able to help others meet needs and generate wealth. But there is an eternal dimension to your business that is far greater than just financial success.

I (Karen) bought my ticket to go to Nicaragua. That's where I'm from. When I was printing my boarding ticket, it said, "The government of Nicaragua has denied your entry. Therefore, you will not be able to board." And I'm like, "What?" I said, "Okay, change of plans." I called my sister and said: "Meet me in El Salvador." I got the ticket to El Salvador. I didn't notice that I had a layover in Bogotá, Colombia for 10 hours.

I said, "Oh my God, what am I going to do at the airport for 10 hours?" I said, "Satan, if you had anything to do with this, guess what? I'm going to do what I know to do best: Save Souls!" Thirteen people at the airport accepted the Jesus as their Lord!

Then I headed to El Salvador, and from the Bogotá, Colombia airport to El Salvador, 85 people accepted Jesus as their Lord. Hallelujah!

I was sitting down at a historic center speaking to a young girl who was eight years old and selling candy. But I saw another lady looking at me very intently. So I said to the young lady: "Let me go talk to her." I get there, and she said: "You don't know. I've been praying and asking God to send somebody to pray with me, and He sent you." She cried on my shoulder. I prayed with her. I'm telling you, the harvest is ready! God is waiting on us, people. In my wildest dreams, I thought I would never be doing what I'm doing had it not been for Pastor Corey's obedience.

By Winning 511 Souls in Two Months RSM Student Wins The Challenge!

In the May of 2026, Pastor Corey challenged RSM students to win more souls. The winner with 300 or more souls was gifted new laptop sowed by one of our Kingdom businesses.

Beverly Klass, RSM Student

"In one month, I led 511 people to the Lord. There was no strategy. I just went out and saved as many people as I could. From morning till late evening, it was just rapid fire. I met somebody, I think, from every country. I tell you, I was a soul winner for around the world. I spoke to so many different people of different religions and races. And everyone had a different story. The first man I led to the Lord was a Jewish man. We were standing where the doors open at Whole Foods. People were going back and forth. And we were standing right at the sliding door, and he was telling me he was into Kabbalah. I know it's a cult, but I just went right on and continued on with the prayer, and he accepted Jesus. When I saw somebody had a problem or something, you know, I prayed for healing. I led a Hindu family from India to the Lord including their 5 children."
