About:

Drs. Corey & Rose Erman

The Lord sent us to West Palm Beach to establish a base for revival and reaching nations and the harvest of souls in April 2017. We are equippers and mobilizers. We want to see believers empowered to reach their full potential in Christ. River WPB is a place that will contend for the move of the Spirit of God. We believe in being a genuine Book of Acts Church.

We are both from Sunni Muslim backgrounds. We both became the first born-again Christians in our respective families. After receiving a baptism of fire and an apostolic calling, we launched out to the nations. After 25 years of full-time ministry, we have established many churches, Bible Schools, television ministry and carried revival to 25 nations.

The Lord said, "Go to America! Get ready for a Great Awakening! Get my people ready for the Final Days! Mobilize many! Equip and cover those I have called into unique and diverse ministries."

We invite you to be a part of what God wants to do in Palm Beach County and beyond.

We love you and pray God's richest blessings upon your life.

Oh, taste and see that the Lord is good. The Bible says we're tasting of the powers of the world to come. Hallelujah!

The church world is so far removed from the presence of God. They're so full of programs and their little man-made things. It's just a one-hour service with no power.

I'm looking for the presence of God. And there are people in the desert looking for water.

You know why? Because the Bible says, "My people have committed two evils." They have forsaken the fountain of living waters and hewn for themselves cisterns that hold no water.

When the church world has forsaken the flow of the river of the Holy Ghost, and they have built these man-made structures that can hold no water —broken systems, we have a problem.

We came here over nine years ago. The Lord said, "Dig a ditch and I'll fill it, and tell people, 'Come experience the power of God.'" That's why we're here.

We're still here after all these people have come and gone, because we have not forsaken the fountain of living waters - the Holy Spirit. And we have not built man-made, broken systems that hold no water.

We built everything to hold the water of the Spirit. Everything here is designed to allow the Holy Spirit to do whatever He wants to do and we're not going to get in His way. Amen.

I'll fire myself from the ministry the day I get in the way of the Holy Ghost. I don't care if I'm the only one who comes on a night service just to have the presence of God. I'm going to have the presence of God. We're going to have the cloud of glory come into this place. And we're not going to compromise it for anyone or anything, because that's what changes people's lives.

At The River, your life will be transformed. You're not going to leave the same way you came, in Jesus' name.

Pastor Corey Erman

Pastor Corey: Joseph, Thursday night during Freedom and Deliverance Class, you got a major breakthrough! What happened?

Joseph: I came to ask you if I could stand in the gap for my son and then.... I fell on the ground.

Pastor Corey: You told me that some family members on the other side are all into witchcraft, and so we broke the witchcraft.

Joseph: Yes. It got wild after that, and there was a lot of screaming.

Pastor Corey: And then there was a lot of joy. Yeah. And that was freedom. It went from like a painful, gut-wrenching scream to the joy of the Lord. And that was a massive breakthrough for you.

Joseph: Absolutely. Yes, sir.

Pastor Corey: And you haven't been the same since. Now you have joy. You like the joy?

Joseph: Absolutely. It's fun to laugh. It was the most joyous thing I've ever felt, but it was also the hottest thing I've ever felt. It was as if somebody was pouring white phosphorus on my body and everything was melted away. It was just pure bliss and happiness.

Pastor Corey: You told me when you were a kid you got hit with the power of God in a meeting, and you had not had any experience like that ever since, Until you came to this church?

Joseph: Yes.

I'm hearing every day about somebody saying, "I'm looking for more." And there is now coming a stirring in people, a growing hunger. – Pastor Corey Erman

Pastor Corey: How's your son doing? and how old is he?

Joseph: He's doing amazing. He is completely different, happy and full of joy. He's four and a half.

Pastor Corey: Wow. At four and a half he's already getting into the presence of God. It was a powerful deliverance, and look at him now. He's free. Hallelujah. Isn't that awesome? Look at your son. Come here, mom (Joseph's Mother).

Mary Lou, Joseph's Mom: I come down (From North Florida) to take care of my brother who had three major back surgeries once a month. I cook his meals and clean his house. I saw my son and grandson at the same time, and it's just been a lot of change, and I'm like God I'm hungry. Where we were going to church was not cutting it, I needed spiritual food, and as I was sitting there looking at Facebook, the River Church came up and I said, "I got to look at this." I have this joy now. God is working miracles, and three generations of curses have been broken off of our family.

Pastor Corey: Praise God. Amazing to see what God's doing. How do you help people without the anointing? It's impossible. We are in the last days. It's going to get more demonic in the world. And churches without the power of God are not even going to be able to help people. Churches that just entertain instead of empower. I'm hearing every day about somebody saying, "I'm looking for more." And there is now coming a stirring in people-a growing hunger. Everything we've been standing for is about to really break loose.

Unspeakable Joy Took Marsha's Pain Away

An interview with Marsha who serves faithfully as an usher and her daughter Ariana, an RSM student who serves in the Media dept. Also photographed is Marsha's oldest daughter Stefanie who serves in Media as well.

Ariana: When you came to night one of Purified Revival at The River, you experienced the joy of the Lord.

Marsha: Every time I come, I expect something. I've been here over 3 years. I made a list of the things I wanted from the Lord.

Ariana: So while you were filled with the joy of the Lord and you were under the power, you also experienced healing. So can you tell us what happened and how long you were in pain?

Marsha: For about a year my left hand was always swollen. My hands looked like claws, and wouldn't open. I would have to raise them one by one. You could hear the bones knocking at each other. It was painful. During night one of Purified Revival, Pastor Corey called for consecration and invited those who felt the call to set themselves apart for God's divine purposes to the altar. I decided to go. I was filled with so much joy, it was amazing. I felt like I had to tell people it's real. Because in my mind, I doubted the joy for so long. But it's more real than the air you breathe. I can eat it seriously. I remember telling Pastor Corey that.

Marsha being interviewed by Pastor Corey during night one of the Purified Revival when she surrendered to the undeniable presence of God ushering in joy & healing to her hands.

Ariana: When you experience the fire of God, it comes to change you, and it comes to change your life. How has your life been transformed since day one of the revival?

Marsha: I'm deeper in the spirit. This joy; this is me now. It is the Holy Spirit. A lot of people came up to me and said: "You give me so much hope. Now I believe I can press in and get it." I can't tell you how my people said that to me. Almost 3 years ago, Pastor Rose and I were talking and I told her that it bothers me a lot that I don't have this joy. She said something profound but simple. She said to me: "Oh, don't pay attention to that. You'll get it eventually." And when Pastor Rose said that, you know, I got peace. That night of the revival, it wasn't just me laughing. I heard a laughter within me that wasn't me. And it wasn't the congregation either. I'm telling you as God is alive. That laughter was so deep within me, the air I was breathing wasn't even enough to satisfy me. This entire time it was up to me to surrender. How deep do I go with God? How deep I want to go is how deep I could get it. That's what I realized. And I remember when I was laying on the floor. I heard something deep within me telling me, "Your hands are healed." And I then said: "The pain in the left hand is gone!"

NIGHT ONE: PURIFICATION OF THE HEART

This night focused on surrender, repentance, and allowing God to purify our hearts. The message reminded us to keep our priorities centered on Christ and the mission of winning souls as His return draws near. The evening ended with a powerful time of reconsecration at the altar.

NIGHT TWO: PURIFICATION OF THE MIND

The focus shifted to renewing the mind through God's Word and the Holy Spirit. The message emphasized that transformation begins in our thoughts and comes through a genuine relationship with God. The altar call brought breakthrough, restoration, and renewed spiritual focus.

NIGHT THREE : PURIFICATION OF OUR WAYS

This night emphasized living a life that reflects holiness, obedience, and alignment with God's Word. The presence of God filled the room with both joy and reverence as believers were encouraged to live set apart for Him. The night closed with prayer for purified lives in preparation for Christ's return.

An Incredible **HEAPS** *Testimony*

And Azariah the chief priest, from the house of Zadok, answered him and said, “Since the people began to bring the offerings into the house of the Lord, we have had enough to eat and have plenty left, for the Lord has blessed His people; and what is left is this great abundance.” – 2 Chronicles 31:10

A Word shared by Pastor Corey on June 7, 2026

A month ago we received a phone call from an online viewer. She said she was going to send a check for half a million dollars. That check is now \$1 million. And in my hand I have a \$1 million check that has come in for our building fund. This is the second \$1 million check we have received into our building fund over the last few years. There's more coming. And God's going to raise some of you up. You're going to be the ones writing the \$1 million checks. Amen! Give the Lord a big shout of praise! There's a whole testimony attached to this. You need to hear this.

This check is coming from an investment fund, so it takes awhile to clear the investment and, when they liquidated the fund, the donors said: "Okay, we're going to do a million instead of a half million." The donor asked me to go ahead and share it with the church. This is remarkable.

The day the check cleared I got this text the next day:

"Pastor Corey, the Lord has done something so powerful in building my faith. I was given notice late yesterday"—which is the day the church check actually cleared to go out. "I was given notice late yesterday that my parent company made a mistake underpaying me bonuses that I did not even know I was entitled to, that I should have received for over the last five years. This means I will be getting back exactly what I just put in motion to gift the church! I am in awe of the Lord. It will allow me, after tax, to help my grown children do much-needed work on their homes. God is so good. Please share this with your congregation. They need to know that they can never outgive God."

THE SEED WAR

Teaching by Dr. Corey Erman

“And I will put enmity Between you and the woman, and between your seed and her Seed.” – Gen. 3:15

I want to expose what is happening through the lens of Scripture and share something important with you. I need to put this on record: the enemy's goal is to discredit the Church.

Here is the narrative I believe will be presented: aliens have always been among us and have been visiting this planet throughout human history. It will be claimed that they seeded mankind and have been watching over us ever since. Now, because humanity supposedly needs their help, they will reveal themselves and intervene in human affairs. They will present themselves as saviors, offering mankind their superior intelligence and advanced knowledge. But the Church, the Bible, and Jesus stand in the way of that narrative.

The attempt will be made to discredit God by claiming that He does not exist and that belief in Him was merely a product of the human imagination. All religions will be discredited, creating the conditions for the one-world religion of the Antichrist.

The Bible, the Word of God, and Jesus Christ will also come under attack. The central claim will be that extraterrestrial beings seeded this planet and created mankind. Much like the premise presented in the movie Prometheus, Earth will be portrayed as a genetic laboratory in which these beings developed and cultivated humanity, animals, and other forms of life.

The narrative will claim that these beings have always been watching over us and have already been living among us. Rather than arriving from somewhere beyond Earth, they will simply reveal that they have been here all along.

All of this connects to what I call the seed war.

Genesis 3:13–15 says:

“And the Lord God said to the woman, ‘What is this you have done?’ The woman said, ‘The serpent deceived me, and I ate.’ So the Lord God said to the serpent:

‘Because you have done this, You are cursed more than all cattle, And more than every beast of the field; On your belly you shall go, And you shall eat dust All the days of your life. And I will put enmity Between you and the woman, And between your seed and her Seed; He shall bruise your head, And you shall bruise His heel.’”

The serpent has been working through deception from the beginning. Deception is one of his greatest weapons. I believe the growing push for alien disclosure will become part of the great deception of the last days—an end-time delusion designed to help establish the one-world government of the Antichrist.

Notice the emphasis in Genesis: God declared that there would be enmity between the serpent and the woman, between the serpent's seed and the woman's Seed.

It has always been about the seed.

From the opening chapters of Genesis, we see that seed reproduces according to its own kind. There is power within a seed because it carries the potential to produce and multiply. Scripture then draws a distinction between the serpent's seed and the woman's Seed.

God declared, “He shall bruise your head, and you shall bruise His heel.” The head represents authority, so the crushing of the serpent's head points to the defeat of his authority.

This was a messianic prophecy and the first declaration of God's plan of redemption. The Seed of the woman—Jesus Christ—would ultimately defeat the serpent by crushing his head. The serpent would bruise His heel, but Christ would secure the final victory.

Ever since that prophecy was spoken, there has been a war over the seed.

God Himself said, “I will put enmity between you and the woman, and between your seed and her Seed.” From that moment forward, the conflict was established. Humanity has been caught in a seed war ever since.

Babylon is a global system of confusion, and Satan is the force behind the deception. Events such as wars, pandemics, and vaccines conceal hidden agendas. People often only see the surface while the true spiritual reality remains hidden. The purpose of this podcast is to expose these unseen influences and "open people's eyes." Satan is masquerading as an angel of light, a religious leader, all the while being a ruler of the world's system, the prince of the power of the air, and the god of this world. These demonic influences are presented as good, safe, and beneficial to humanity. However this podcast is here to bring the light of God's word.

DO NOT Be Deceived:

The devil sows deception into the minds of believers and robs them of their full blessing.

JULY 17TH DREAM

LET YOUR LIGHT SHINE
MATTHEW 5:16

I was praying for a group of people in church, that Satan's influence would be removed from them—for him to leave them.

As I laid my hands on them and prayed, Satan spoke to me and said:

1 They don't give their full tithes. Because of that, I have an open door to work in their lives. It is blocking their full blessing.

2 They deceive themselves by thinking it's okay not to give their full tithes. Because of that deception, I can deceive them easily. I put ideas into their minds, and they gladly receive them as "good ideas." Then they act on those ideas. In that way, I can lead them wherever I want.

GOOD IDEA

After the devil told me all of this, I couldn't say or do anything.

Then I woke up.

Pastor Rose had a powerful dream on July 17th when God showed her how the enemy has been deceiving believers to hinder their full blessing through disobedience on tithing. When someone becomes self deceived, it opens the door to the enemy's deception. When you are in disobedience, you don't need the enemy to bring destruction in your life. Pastor Corey speaks with clarity and sound doctrine on tithing in this teaching. Through this teaching you will learn and never be in doubt again about honoring God with the tithe of your income.

The gospel was preached, lives were changed, and Palo Verde will never be the same again!

Palo Verde

“The moment we stepped onto this property, I knew we were taking territory. I declared, ‘This area belongs to the Lord. The Light has come.’ I witnessed an overflow as the Holy Spirit set people free. He came to minister to children who had been deeply bound, and He revealed to me what was happening in their dreams at night. As we ministered, RSM students worked together in unity. They fulfilled their assignments and were in the Spirit, allowing the ministry to flow with ease. I pleaded the blood of Jesus over the entire area so that evil could not enter. So many were set free.” — Dean Seta, River School of Ministry

“I witnessed the hand of God upon all these beautiful children. I heard the Lord say to me, ‘I am here. You are going to see miracles.’ I began praying with a young lady who was struggling with unforgiveness. As she wept, I told her that she needed to forgive. I asked, ‘Who offended or hurt you?’ She answered, ‘My grandmother.’ I told her, ‘You need to release that pain.’ She began to pray, forgive, and let go of the hurt. Then Dean Seta came over and continued ministering to her, and she was set free. Hallelujah! As Dean Seta shared, we witnessed many miracles. Teenagers and young children received deliverance, experiencing breakthrough after breakthrough. The Lord moved in a mighty way and touched the lives of so many children that day.” — Asheen Skeen, RSM Student

“RSM students and other volunteers came with the heart to serve. This was not a mandatory outreach, but we did more with less. We had heaps of gifts and resources to distribute, and the Holy Ghost was in every detail. Wow! The powerful name of Jesus! God is in the details. Amen! Hallelujah! And we're going to make disciples. This territory is going to be different. There's going to be much fruit that remains.”

– Doreen Ahkee, Outreach Coordinator

“The children woke me up and told me that I had to come with them to the event. They made an altar call for those who were being tormented. I felt like the call was for me. Oftentimes I am stressed and depressed. When they prayed for me, I fell to the ground, and when I was able to get up again, I knew that I was liberated. All the weight came off of me. I was also blessed with winning a blender.”

– Charlene, Palo Verde Resident

2026 Valedictorian

"I want to impact the kingdom of God by bringing more souls into the kingdom and by sowing and funding evangelists."

ANOINTED, APPOINTED & SET APART CLASS OF 2025-2026

But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light.

On July 5, 2026 River Christian Academy (RCA) a K-12 classically educated and spirit-filled hybrid school held its 2nd annual end of the year celebration and graduation ceremony at River Church WPB. Pastors Corey and Rose Erman discussed the vision of the school and how the Lord sent them to raise up the next generation of revivalists while redefining education beyond the existing flawed system.

Three seniors graduated this year including Andrew Skinner, Josiah Chambers and Leyla De La Cruz. Elementary, Middle and High School students sang songs covering various topics they learned in world history from a biblical perspective. Principal Jay Morales gave a key note message about the various accomplishments of River Christian Academy and honored members of our church who contributed immensely to the academic enrichment of the students, including Miss Christine Gebenlian K-2 instructor, Mrs. Kimberly Dias Elementary Instructor 3-5, Mr. Eugene Melnychuk High School Instructor, Mrs. Karen Moran Reading and Phonics Instructor K-2, Administrative and Classroom Support Team Sofia Dotto, Katie Mercer and Janae Cruz, and community support from Mary De La Cruz, Christina Clarke Frost, and Daniel and Tiffany Ramirez.

Annual Banquet 2026

“Every night the Holy Spirit is imparting to you and changing you. He is building you up strong, and no devil in hell can knock you down. What you learn in the River School of Ministry will carry you all your lives and strengthen you in your innermost being.”
– Dr. Rose Erman, Vice-President

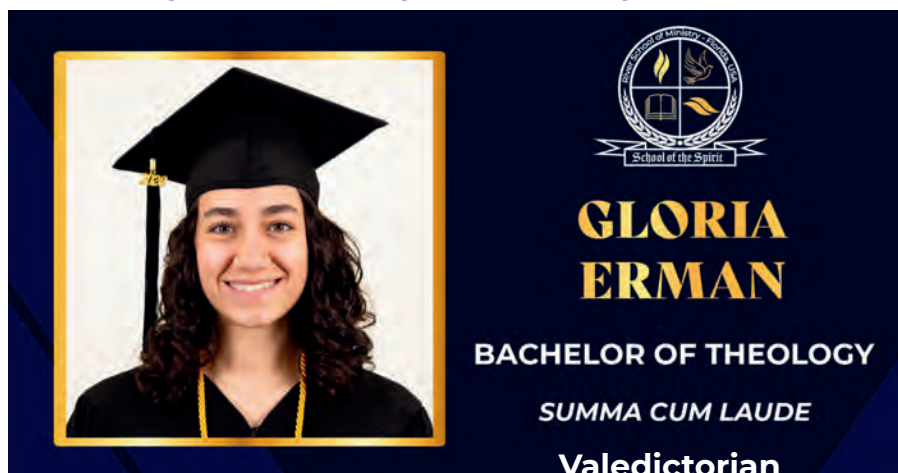

River School of Ministry held its annual banquet at the exclusive Wellington National Golf Club on June 12, 2026. More than 120 students, faculty, alumni, family members and friends gathered to celebrate all that God has done during the 2025-2026 school year.

Congratulations Class of 2026

"We are deeply grateful to celebrate another graduation as we continue to witness the faithfulness of God in raising up laborers for his kingdom. Our journey in ministerial education began much earlier after founding River Church Istanbul in December of 1999. We launched the River Bible Institute of Turkey in January 2000 in our living room with 34 students. The church was meeting in a hotel at the time, and my father was one of those original students. While my mother was studying in Tampa, my dad was over there helping me in Turkey. Dr. Hamdi and Dr. Leyla, I honor you today, my amazing parents that have stood by our side all these years." — Dr. Corey Erman

"To my fellow graduates, keep your eyes on Jesus. Guard the fire God has placed on the inside of you and never stop saying yes to His call. Run your race with endurance. Preach the gospel boldly. Love people deeply, walk humbly, stay full of the Holy Ghost and fire, and never settle for anything less than the perfect will of God."

Valedictorian Speech by Gloria Erman:

First and foremost, I want to give all glory and honor to our Lord and Savior, Jesus Christ. Without Him, none of us would be here. Every opportunity, lesson, victory, and step of this journey has been possible because of His faithfulness.

Secondly, I want to honor our pastors, who are also my parents. Thank you for saying yes to the call of God and establishing not only a church, but a school focused on transformation—not merely information. Thank you for investing your lives in ours and believing God could raise up a generation of men and women who would carry revival to the nations and bring in a harvest of souls. What a privilege it has been to be shaped at River School of Ministry. Its vision has always been clear: to train up a new breed of revivalists. Here, we have learned that revival is not merely a meeting, an event, or a moment. It is not simply a touch—it is a change. It is a life completely surrendered to the Holy Ghost. It is saying "yes" to the Lord every day, regardless of the cost.

Hebrews 12 tells us to "run with endurance the race that is set before us, looking unto Jesus, the author and finisher of our faith." Graduation may feel like crossing a finish line, but spiritually, tonight is the starting line. The race God has marked out for each of us is only beginning. There will be victories and challenges ahead. There will be moments when obedience costs us something and seasons when no one sees our sacrifices except the Lord. Our assignment is to faithfully run the race Heaven has marked out for us. Near the end of his life, the Apostle Paul declared, "I have fought the good fight, I have finished my course, I have kept the faith." That is how I want my life to end—not with worldly success, the applause of man, or accomplishments that fade, but with the confidence that I finished the course God gave me.

Jesus said, "Many are called, but few are chosen." God has not stopped calling people. The issue is that not everyone answers, and not everyone remains faithful to their answer. The chosen are those who continue saying yes: yes when it is exciting, yes when it is difficult, yes when no one is watching, and yes when obedience requires sacrifice. Nothing this world offers can compare with living in the perfect will of God. Only His purpose brings lasting fulfillment because only His purpose is eternal.

During our time at RSM, we learned that preparation times are never wasted times. Every class, assignment, book, outreach, service, correction, and challenge was used by God to prepare us for what lies ahead. Preparation does not always feel exciting. Sometimes it feels hidden or repetitive, but God never wastes it. He prepares His people before He promotes them. Tonight, we celebrate earning a degree, but more importantly, we celebrate becoming more equipped, surrendered, and prepared to fulfill the call of God.

RSM has given us far more than an education. It has strengthened our foundation in the Word and taught us to depend upon the Holy Spirit. It has taught us to win souls, serve faithfully, lead with humility, love people, pursue excellence, and live lives worthy of the call. For that, we will always be grateful.

As we leave tonight, may we never lose sight of eternity or become distracted by temporary things. May we never confuse success with significance. May our eyes remain fixed on Jesus, the author and finisher of our faith. May we always remember that Heaven's currency is souls. Every soul matters. Every day matters. Every act of obedience matters because everything we do for the Lord carries eternal value. And when our race is complete, may each of us hear the words we desire more than any degree, title, or earthly accomplishment:

"Well done, thou good and faithful servant." Hallelujah!

"Everything God has done in your life during these years has been only a preparation. God has been preparing you, not just academically, but spiritually. Your diploma represents hard work, but your character represents God's work."
— Seta Gebenlian, Dean of Students

HAPPY 9 YEAR Anniversary

"When you have this great foundation, and on top of it all this army of angels serving together with us, who can stop us?"

– Pastor Rose Erman

By Pastor Rose Erman

Hey family! Thank You, Lord for Your goodness, Your faithfulness, Your mercy and Your grace that has never left us—not even for one moment, since we started. This is a celebration of God's goodness, grace, and faithfulness. I am so thankful that God brought us this far, and I am confident—my confidence has never failed—that the God who brought us this far has great plans for us in the future. We are walking with God and the precious Holy Spirit together into our next year, which is the 10th year—the Year of Fulfillment.

Many of you have sown in tears. You will reap in joy this year. Just grab hold of this word because it's going to come to pass. I also want to honor the people who walk with us as full-time ministers, serving under this vision together with us. We are all one. They all came from heaven to us as a gift. They were all handpicked by God and anointed with a special anointing. I really appreciate them. God picked the very best for this assignment, and I'm so proud of our staff.

Without this anointed team, we couldn't do much. The foundation has now been established. It's time to rise. You know how they build buildings—the foundation is the hardest part. It takes the longest, but once it's laid, then it's easy to build story one, story two, story three. Right? This is the foundation we've laid. Now, in our 10th year, we're going up. Hallelujah! And I also want to recognize everyone serving on our Unite Team. Everyone who serves on our Unite Teams—you guys are unbelievable. Thank you.

"I want to honor the Holy Spirit. That's what this church and this ministry are all about."

— Pastor Corey Erman

Unite Team Leader Spotlight: Eugene Melnychuk, River Worship

While I am inspired by other songwriters, I've always felt that we shouldn't just rely on someone else's "product." There is something special when songs are "born in a house" because they reflect the specific vision and movement of God in that local church. I had a burning desire to lead people with songs they could relate to — something that belongs to us as our own expression of praise.

At River Church West Palm Beach, every ministry works together with one purpose—to see people encounter Jesus. Whether serving on the platform or behind the scenes, every team plays a vital role in creating an atmosphere where lives can be transformed by the presence of God.

Our Ministry of Helps (Unite Department) is made up of many teams serving as one house with one vision. From the parking lot and welcome teams to ushers, media, security, hospitality, kids ministry, worship, and every area in between, each person serves with excellence to remove distractions and prepare the way for people to receive from God.

One of those faithful leaders is Eugene, who serves as the Worship Team Leader. At any given service, you'll find him passionately leading the congregation in songs of praise and intimate worship, encouraging and edifying the church as he leads people into the presence of God. His heart for worship is evident not only in his musical excellence but in his sincere desire to glorify Jesus and create an atmosphere where lives are changed by the power of the Holy Spirit.

Since stepping into the role of Worship Leader, Eugene has helped take worship at River Church West Palm Beach to another level. Under his leadership, the ministry has experienced tremendous growth through the development of original worship songs and the expansion of the worship ministry with the launch of a Sunday Choir, Youth Worship, and Young Adults Worship. His vision to develop people and raise up the next generation of worshippers continues to impact our church for years to come.

Beyond his gifting and talent, Eugene is a servant leader who faithfully serves both God and His people. Like David, a man after God's own heart (Acts 13:22), he leads with humility, integrity, excellence, and a deep passion for God's presence. His life reminds us that worship is far more than music—it's a lifestyle of devotion that points people to Jesus.

We are incredibly thankful to have Eugene serving as a Team Leader within our Unite Department. He truly reflects the vision of many teams, one house, one vision, demonstrating that when every person faithfully serves in their calling, the entire church is strengthened.

Kingdom Business Fellowship

Kingdom Business Fellowship (KBF) exists to equip and mobilize Christian entrepreneurs, business owners, and marketplace leaders to succeed while advancing the Kingdom of God. At River Church West Palm Beach, we believe the marketplace is a mission field and that God is raising up Spirit-led leaders who understand their calling in business is ministry.

Our Kingdom Business Fellowship meetings happen once a month and are often led by Pastor Corey Erman, along with other powerful Kingdom business owners who bring anointed teaching, practical wisdom, and real-life experience. Each gathering creates space to network, build relationships, and hear powerful testimonies that stir faith and ignite vision.

We have already witnessed many people step out in obedience and launch Kingdom businesses—including engineering services, Joels place coffee cart, IT solutions, home renovations & construction, and many more—all marked by excellence, integrity, and Kingdom impact.

We carry a bold vision to see 100 multi-millionaires raised up from this house, funding the end-time harvest of souls, building the church and advancing the Gospel around the world. In addition, we host an annual KBF Expo to feature and support the businesses within our church. We are also excited to have many Kingdom businesses sponsor *The Revival Journal* with their ads.

We are believing for continued growth and expansion as we co-labor with the Lord to impact lives, cities, and nations through Kingdom business.

Testimonies from Rayna Mercer, RSM Student

I was in Washington, D.C. with a team of 19 soul-winners from River WPB who joined Revival Ministries International's Celebrate America DC Team for 5 days. Our goal was simple: to preach the gospel to the lost and snatch them out of the devil's hands. Many times I pulled out scripts in Chinese, Spanish, and French, and preached the gospel to people who were from other nations:

- At Union Station, I met a man from France who had been living in the United States for about five years. Although he had heard of Jesus, no one had ever clearly shared the gospel with him. After hearing the Word, he eagerly asked, "How do I receive Jesus as my Lord and Savior?"
- I also met a gentleman suffering from spinal stenosis and severe pain. After I prayed for him, the pain left. He later shared that he had lost five siblings as well as both of his parents. I was able to pray with him again—this time for healing from the deep grief and trauma he had carried for so long.
- Kimberly Dias, an RSM graduate and Mercy Minister Leader, and I met a Muslim man from Turkey on the street. After we shared the gospel with him, he received Jesus as his Lord and Savior.
- Doreen and I encountered a man riding a bicycle outside Macy's. He was wearing a black face mask, so after sharing the gospel with him, I asked why he was wearing it. He replied, "I've just been wearing it since COVID." We encouraged him with the truth that God has not given us a spirit of fear, but of power, love, and a sound mind. Before he left, he took off the mask.
- One of the most touching encounters happened on my final night. I approached a Navy sailor named Truman and asked whether he believed he was going to heaven. He answered, "No. I'm not following the Lord, and I don't think I am." As I shared what the Bible says, he began to cry. He was able to forgive himself, and the shame and guilt he had been carrying lifted. We also shared the gospel with his roommate, who received salvation.

This trip to DC catapulted me into a higher level in my passion for evangelizing and following the Holy Spirit as I returned back to West Palm Beach.
