

Calvin Smith
Racquetball Canada Hall of Fame
Acceptance Remarks
May 2018

I would first like to congratulate Christie, Josée, Mike and Gary, who are also being inducted into the Hall of Fame.

I am honoured and humble to be part of this group, as well as joining those who were inducted last year.

I traveled to international competitions with them all and the time I spent with all of these inductees contributed to the fact that I am receiving this award.

Without the volunteers involved with our, I would not have been able to enjoy the memorable memories of so many fantastic tournaments and other events.

Racquetball is amazing sport and being involved is definitely very rewarding. I hope to be involved for many more years.

Cal Smith
