Welcome To

Stoneham Memorial Church

The computer is frozen, technical difficulties, and system failure. From time to time we experience these problems and we need someone with expertise to come and help us. It is the same spiritually. Today, we will study about a spiritual reboot. Pastor Perozo

Prayer is the breath of the soul. It is the secret of spiritual power. No other means of grace can be substituted, and the health of the soul be preserved. Prayer brings the heart into immediate contact with the Well-spring of life, and strengthens the sinew and muscle of the religious experience. Neglect the exercise of prayer, or engage in prayer spasmodically, now and then, as seems convenient, and you lose your hold on God.
