Today's Organ Music

Organ Prelude: Cesar Franck (1822-1890): Choral No. 1 in E Major for Organ p1

Organ Postlude: Cesar Franck (1822-1890): Choral No. 1 in E Major for Organ p2

The Choral # 1 was written almost about this time of the year, during the first 10 days of August, 1890 while Franck was being looked after by friends in the country due to a cab accident. Together with the other 2 Chorales it constitutes his musical testament.

It is built around 3 themes developed as a long variation. Franck described it to his friends: 'You'll see. The 'chorale' is not the one the people suppose. The true 'choral' comes in the course of the work'. It is the most delicate and comforting theme that emerges as victorious in a glorious finale.
