PRESIDENT'S REPORT - PRAESIDENTEN BERICHT

Hello TCK Members and Friends,

I hope everyone is safe and healthy and enjoying what looks like the beginning of spring. I believe Mother Nature has finally settled down and is now bringing us the weather that we have been waiting for. The temperatures are rising, the birds are singing, and the trees and flowers are starting to bloom – it's a wonderful time. I guess I better gas up the lawn mower and the trimmer for the summer yard work that is ahead.

It was so very nice to see everyone that came out to Mitgliederabend. We had approximately 160 people attend. We had a great meal provided by Bella Vista Catering and I received quite a bit of positive feedback about the food. I really enjoyed the variety of salads, the roasted vegetables and the chicken, ribs and salmon options and it seemed that many of you did as well. Thank you goes to the Ladies Auxiliary and our dance group for serving the dessert and assisting with the clearing of the tables. Thanks again to Erika for organizing that meal. As a thank-you for coming out and supporting this event and our club, your board decided to offer a few door prizes to a few lucky people. We gave away a five door prizes, a cooler, gravity chairs, BBQ and Zen Garden fountain, that put smiles on a few faces. Everyone enjoyed some great music and dancing to Wildbahn. I would like to take this time to congratulate the many club members that received membership pins for reaching milestone years of membership. There were several members who have 65+ years of membership and even a handful that have 70 years of membership! These members were there when this club began and have been there for us

since the beginning. That is amazing. Thank you for everything that you have done to bring this club to where it is now.

Our Membership Director Katie Dienesch will be submitting her report with all the names of members who were honoured. It was also announced that beginning this year, those members who have reached 65+ years of membership will now be honorary members and will no longer have to pay an annual membership fee.

We have a new email address for the office: transylvaniacub@outlook.com. Note that Else is in the office on Wednesday from 9 – 11 a.m. until further notice. If she does not answer the phone when you call, please leave her a message and she will get back to you as soon as she can.

The Saxonia Hall in Aylmer is having "Trachtenfest" on Saturday June 11, 2022 from 3pm to 9pm. Weather permitting, this event will take outdoors to help facilitate social distancing. The Saxonia Hall is still planning to hold a "Trachtenball" sometime in November. We will update our members when we have more details.

This year's picnic has been changed from the usual Sunday to Saturday June 18th at noon at Hubertus Haus. This year there will be a fish fry. Please call the office if you plan to go, so they can make sure there are enough fish for everyone. There is Golfing in the morning at Foxwood Golf Club so if you wish to golf, please call 519-634-8491 or email: info@hubertushaus.ca so they know how many golfers as they need to reserve the tee-times. I won't be able to golf this year but hope to see you all at the picnic.

It is anticipated that this year's Oktoberfest will be much more like the pre-Covid Oktoberfest. We are joining forces with the Alpine Club to operate what will be known as Habsburg Haus. We anticipate that people will be anxious to get out and enjoy Oktoberfest again..... which means open halls and lots of people and you know what that means.....we need volunteers. Please call either the club office or

Lori Moore to volunteer. The more volunteers that we have, the less work it is for each person.

Those of you that attended our Annual General Meeting on Sunday March 27th will know that the Sterbefond was dissolved at that meeting as there was insufficient interest in filling the Sterbefond Board positions to continue. The motion was brought forward and placed before the membership for a vote, which determined that the Sterbefond was to be dissolved. Our Membership Director, Katie Dienesch and our Treasurer, Peter Hamberger are working diligently to determine the appropriate payouts that each member of the Sterbefond will receive based on years of continuous membership. Our new board of directors for 2022 were elected and are posted on the back page of the Nachrichtenblatt as always. I am honoured to continue as your President for the next 2 years. There were 2 people who stepped down from the board and we

thank Stephanie Klaehn for her work with our social media team and John Dienesch, who always made sure that all our Oktoberfest needs were met, and everything was organized. John has been a long-time and very supportive member of our board and has held many positions. He will be truly missed.

A team of dedicated volunteers are working on plans for our 70th Anniversary in November. More details and information will follow. A true Saxon celebration is planned, so look for updates to come.

I wish you all a wonderful summer and hope to see everybody in the fall. Thank you everybody for supporting the club through the last two years and please continue to carry on our Saxon traditions in any way you have the ability to do so.

Reinhard Schmidt,
President

CULTURAL GROUP

KULTURGRUPPE

Liebe Mitglieder / Dear Members and friends,

I believe we are finally back to a semi-normal life and with summer upon us we can hopefully get outside, meet with friends and enjoy some time with our families. Some of our groups have started practicing again and are attempting to entice both old and new members to come back out and enjoy the music, songs and dance that we are known for. I realize it will take time for everyone to be comfortable with group gatherings again, but all groups are doing their best to ensure their members are safe during practices. The choir under the direction of Andrea Emrich and assisted by Margit Fritsch are sounding amazing, but could use more voices and the band also sounds wonderful and could also use more instruments to help round out the sound. The dance group is busy practicing for Oktoberfest and will be selling coffee and cake again at the picnic. So please come back or join as a new member and let's get the show on the road, as they say.

We are hoping to have a ballroom group again in the fall. So, if you know of any young people age 14 and up who would like to learn to ballroom dance and then join the dance group after graduation, please let either the office or myself know. After a few years of not being able to offer the ballroom instruction, we hope we can get a large group together.

On April 30th we held our first event in two years which was our Mitgliederabend / Members Night. What a great turnout! It was so nice to see faces that I have not seen for so long. Members, non-members, young people and children; all were there to socialize, enjoy some delicious food, have some drinks at the bar with friends and dance. The smiles, hugs, handshakes were heartwarming and

the overall excitement of being together with our Saxon family was felt by all. I thank everyone who helped with set up, food service and clean up! It was a night that was a long time coming and enjoyed by all who attended.

I have to admit, when the time came to organize this event after two years of not having to worry about menus, linens, and décor along with what am I going to wear, who will sit at what table etc., I found it difficult to get back into the swing of things. In fact, I had to push myself to make the calls and go out and get things that were needed. I had become used to just going day to day with my own routines, work and family and thought I rather enjoyed not having to deal with all the other stress, planning, meetings and issues. I wondered if people were going to attend and help out or was everyone in the same frame of mind? I believe we have all become very used to life without club functions and our extended Saxon family; not realizing what we were missing.

After attending Mitgliederabend and hearing how much people enjoyed speaking with friends, being together with everyone, dancing to those familiar songs and singing along, it made me realize that as much as we might enjoy a simpler, quieter life, it sure was nice to feel that sense of belonging to a larger extended group of friends and fellow Saxons who all came out to support each other, the club and feel good about being back. I heard many comments that night saying we really needed this event and could we please have more soon. This is what the Saxons do... they eat, drink, dance and love to be together with their friends. All these events take a lot of effort by a core group and that group gets great satisfaction when the crowd has a wonderful time and fun is had by all, but they can always use assistance with the event so that they can also enjoy themselves. Please remember to chip in and lend a hand if possible whether it is serving coffee, helping with clearing dishes or clean up at the end of the night. It is always appreciated.

So, I guess what I am saying, is that let's SAXON UP and become active again, come out to our events, join one of the cultural groups or the Ladies Auxiliary, volunteer when needed or asked and hopefully we can continue with our events, maybe come up with some new ideas and keep our Saxon culture moving forward and our members interested and proud.

Let's keep our family tree growing, tend to its roots, grow new branches and encourage everyone, especially our young people, to help us nurture this great gift we have been given to take care of for future generations.

Keep your culture close to your heart.

LANDSMANNSCHAFT

Liebe Mitglieder und Freunde,

All our Kulturaustausch, Jugendlager and club events have been on hold for over two years. Unfortunately in early January we again had to make the decision to postpone the Kulturaustausch with the Blasmusik and Tanzgruppe from Traun, Austria from this year to the summer of 2023. The Jugendlager that had been re-scheduled for 2023 will now have to be moved to 2024. Our North American Heimattag has also had to be moved to 2023.

After two years of digital presentations the 72nd Siebenbürger Heimattag in Germany under the Motto "Wurzeln suchen – Wege finden" will take place during Pentecost on June 3rd to 6th in Dinkelsbühl. To date 94 Saxon villages with 2,200 marchers in Saxon Tracht are registered to participate in the Sunday Trachtenzug. Many of the Heimattag events will be carried live on the internet for those of us in Canada to see. To get more information go to: www.siebenbuerger.de/heimattag or www.youtube.com/siebenbuergerde

It is nice to see that our cultural groups are again starting their practices even though we still need to wear our masks. Being able to get together with

members and friends at the Mitgliederabend on April 30th was a great step forward. Hopefully the pandemic conditions will continue to improve so that we can look forward to more events in the fall.

The Saxonia Hall in Aylmer will have an outdoor "Trachtenfest" event as their first event of the year on Saturday June 11th starting at 3:00pm. People are invited to wear their Siebenbürger Tracht. An authentic Goulash dinner and drinks will be available and the Saxonia Dancers along with a band will provide the entertainment. All are welcome to attend this outdoor "Trachtenfest" event.
